Life Franklin Pierce Nathaniel Hawthorne:

Life of Franklin Pierce, President of the United States Nathaniel Hawthorne,1853 [Life of Franklin Pierce](#)
Nathaniel Hawthorne,2018-08-12 *Life of Franklin Pierce* By Nathaniel Hawthorne The *Life of Franklin Pierce* was written as a campaign life shortly before the election of Pierce to the presidency in 1852 We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Life of Franklin Pierce* Nathaniel Hawthorne,2009-03 Franklin Pierce November 23 1804 October 8 1869 was the 14th President of the United States serving from 1853 to 1857 an American politician and lawyer To date he is the only President from New Hampshire *Life of Franklin Pierce, by Nathaniel Hawthorne* Nathaniel Hawthorne,1852 *Life of Franklin Pierce*,2019-10-25 Eric Eldred presents the full text of the book *The Life of Franklin Pierce* by American author Nathaniel Hawthorne 1804 1864 The book was written in 1852 *Works of Nathaniel Hawthorne Volume 2* Nathaniel Hawthorne,1923 *The Story of America* Jill Lepore,2012 Harvard historian and New Yorker staff writer Jill Lepore investigates American origin stories from John Smith s account of the founding of Jamestown in 1607 to Barack Obama s 2009 inaugural address to show how American democracy is bound up with the history of print *Twice-told Tales* Nathaniel Hawthorne,1937 [Nathaniel Hawthorne](#) C. E. Frazer Clark,1978 *Twice-told Tales* Nathaniel Hawthorne,Charles Curtis Bigelow,1937 [A Nathaniel Hawthorne Encyclopedia](#) Robert L. Gale,1991-03-30 This excellent guide to Hawthorne s public and private worlds will be a mandatory purchase for most libraries Gale gives detailed information on Hawthorne s milieu and his writings his sources plots characters and publication histories Appendixes include useful lists of Hawthorne s writings his ancestors family members relatives and inlaws his friends and acquaintances and other categories of people significant in his life and work Annotations are clear precise readable Quotes illuminate Hawthorne s opinions and prejudices Scholars students and browsers will be entertained and stimulated by some entries Choice This volume offers the serious student of Nathaniel Hawthorne a comprehensive guide to all available primary and secondary data on his life and works The encyclopedia presents in one alphabetized sequence approximately 1500 entries that identify all of Hawthorne s characters summarize the plots of his fiction and the substance of his poems and non fictional prose and introduce his family members friends and associates A chronological listing of the events in Hawthorne s life

documents the personal relationships and richly diverse experiences that were reflected in his numerous stories reviews poems nonfiction pieces letters and notebooks Many of these were widely acclaimed but dozens were overlooked until now all are carefully cited in the encyclopedia Nine appendices index Hawthorne s writings according to genre as well as the important people in his life by their relationship to him whether personal or professional casual or official This extensive study concludes with a bibliography containing a list of references consulted in the preparation of the reference volume

The Ongoing Civil War Herman Hattaway, Ethan Sepp Rafuse, 2004 **First Dads** Joshua Kendall, 2015-09-29 Every president has had some experience as a parent Of the 43 men who have served in the nation s highest office 38 have fathered biological children and the other five adopted children Each president s parenting style reveals much about his beliefs as well as his psychological make up James Garfield enjoyed jumping on the bed with his kids FDR s children on the other hand had to make appointments to talk to him In a lively narrative based on research in archives around the country Kendall shows presidential character in action Readers will learn which type of parent might be best suited to leading the American people and finally how the fathering experiences of our presidents have forever changed the course of American history **The Living Age** , 1861 *The American Presidents From Polk to Hayes* Robert A. Nowlan, Ph.D., 2016-01-31 American Presidents Polk to Hayes What They Did What They Said What Was Said About Them is the second book in a planned five volume series covering all the Presidents These 43 men so far have succeeded in some regards and failed in others as they strove to do the best they could in what is surely one of the most difficult jobs in the world Only they can truly appreciate what it takes to be the president Others can only speculate People feel strongly about U S Presidents Some they admire others they hate It is fair game to criticize a president s actions and policies However questioning their commitment to American ideals seems like hitting below the belt There are no willing villains Most people can find justification for their actions beliefs and prejudices Each president strove to do the best he could for the nation and its people This goal of the book is not to praise presidents nor is it to condemn them The subtitle of each of the five books in the series What They Did What They Said What Was Said About Them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as inform Readers are asked to make their own judgments of the presidencies based on more information than the semi myths they may recall History courses or what is preached in the many longstanding and despicable negative campaigning mudslinging and character assassination reports they hear from partisans One can find much to admire about each of the presidents and unfortunately much to deplore Soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank If there are presidents readers just feel they cannot salute hopefully they can salute the presidency *A History of American Biography, 1800-1935* Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day **Constructing American Lives** Scott E. Casper, 2018-07-25 Nineteenth century American authors critics and readers believed that biography had the

power to shape individuals characters and to help define the nation s identity In an age predating radio and television biography was not simply a genre of writing says Scott Casper it was the medium that allowed people to learn about public figures and peer into the lives of strangers In this pioneering study Casper examines how Americans wrote published and read biographies and how their conceptions of the genre changed over the course of a century Campaign biographies memoirs of pious women patriotic narratives of eminent statesmen mug books that collected the lives of ordinary midwestern farmers all were labeled biography however disparate their contents and the contexts of their creation publication and dissemination Analyzing debates over how these diverse biographies should be written and read Casper reveals larger disputes over the meaning of character the definition of American history and the place of American literary practices in a transatlantic world of letters As much a personal experience as a literary genre biography helped Americans imagine their own lives as well as the ones about which they wrote and read

Moments in History II Mark R. Brewer, 2022-03-16

Moments in History II is similar in format to Moments in History but each book stands alone in that one does not have to read one in order to enjoy the other They each contain chapters that examine a historical event and then look at the life of the individual at the center of that event These people are sometimes famous sometimes obscure sometimes heroic and sometimes scoundrels but they are always interesting
