Ferguson, 2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it

with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told
