Garland, 2017-09-18 Excerpt from The Life of John Randolph of Roanoke Vol 2 WE have now to view Mr Randolph in a new aspect After an active uninterrupted and eventful career of fourteen years in the public service in one of the most remarkable epochs of human history we have now to follow him into retirement The triumph of his enemies at the recent election had no power to shake the firmness of his purpose or to disturb the serenity of his mind It relieves me from an odious thralldom says he and I assure you my dear sir I have thought and yet think much more of the charming Mrs G Than of the election The low and base arts to which my adversaries have resorted have not raised them or sunk me in my own estimation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Life of John Randolph of Roanoke, Vol. 1 (Classic Reprint) Hugh A. Garland, 2015-07-12 Excerpt from The Life of John Randolph of Roanoke Vol 1 The author of this book has had perhaps as good an opportunity as any other man who was not a contemporary and intimate friend to form a just estimate of Mr Randolph's character and also to collect valuable and copious materials for his biography He was educated in Mr Randolph's district was familiar with all the local associations of that devoted son of the Old Dominion often saw him among his beloved constituents and heard him under most favorable circumstances both on the hustings and in the Virginia Convention The writer was then but a youth full of all the eager interest and curiosity that would naturally be excited by so extraordinary a man Since Mr Randolph's death it has been his good fortune to have been thrown into the circle of his most intimate and confidential friends some of whom the writer feels justified in saying he also may claim as his friends While the thought of writing a life of Mr Randolph is of recent date the character of the man and the incidents of his life have been for many years the subject of interest and of inquiry which were abundantly gratified by those who knew him and delighted to discourse on the peculiarities and eccentricities of their departed friend About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Thomas,2018-01-19 Excerpt from John Randolph of Roanoke and Other Sketches of Character Including William Wirt Together With Tales of Real Life These sketches of character tales any imperfections that remain are intentionally left to preserve the state of such historical works **Books in Print Supplement** ,2002 Guide to Reprints ,1989 **The Essential Russell Kirk** Russell Kirk,2023-07-04 As the author of The Conservative Mind and other seminal books Russell Kirk is usually thought of as one of the American conservative political movement s most important progenitors But as this collection demonstrates Kirk was perhaps at his best as an essayist This volume also confirms that Kirk s was principally a literary and historical conservatism that refused to fit the irreducible complexity of human experience to the requirements of any ideological straitjacket With The Essential Russell Kirk literary critic George A Panichas captures the breadth and depth of Kirk s intellectual project by gathering together forty four of the most masterful of Kirk s essays along with a unique chronology told in Kirk s own words and a substantial introduction that articulates the deep humanism that animated Kirk s philosophy The result is a carefully assembled volume that gives us a fuller picture of an extraordinary man and writer one whose labors had and continue to have remarkable repercussions on the American literary and political landscape
