Letters and Papers from Prison became a prized testimony to Christian faith and courage read by thousands Now in Life Together we have Pastor Bonhoeffer s experience of Christian community This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul s letters It gives practical advice on how life together in Christ can be sustained in families and groups The role of personal prayer worship in common everyday work and Christian service is treated in simple almost biblical words Life Together is bread for all who are hungry for the real life of Christian fellowship *Life Together in Christ* Ruth Haley Barton,2014-10-30 We ve all been let down by so called community Why is it so hard for us to connect and grow together for the long haul Veteran spiritual director Ruth Haley Barton helps us get personal and practical about experiencing transformation together This interactive guide allows us to grow through and by the experience of transforming community **The Living Church** ,1966 **If you meet George Herbert on the road, kill him** Justin Lewis-Anthony,2013-01-17 Priestly ministry in the Church of England needs a radical rethink George Herbert died in 1633 His legacy continues His poems are read and sung and his parish ministry remains the model for the Church of England s understanding of how and where and why its priests should minister But there is a problem The memory of Herbert celebrated by the Church is an inaccurate one and in its inaccuracy is unfair on Herbert himself and his successors in the ordained ministry This is a book of the long view It sets out to assess realistically the context of Herbert s life and to explore the difficulties of parish life today By examining the status and role of parish clergy since Herbert s time and today it draws on the work of historians social anthropologists psychologists and theologians and presents their ideas in a readable and passionate style It argues that the future strength of parochial ministry will be found in a recovery of historic renewed understandings of priestly ministry and concludes by outlining more sustainable patterns of practice for the future In a climate of uncertainty for the future of the church it will be an encouragement for priest and people and welcomed by both
