Arnold,2015-07-13 Excerpt from The Life of Abraham Lincoln This work The Life of Abraham Lincoln was completed only a few days before the death of the distinguished author the Hon Isaac N Arnold He did not live to oversee its publication That was entrusted to competent and friendly hands and the work with its chapter heads and its full and elaborate index is herewith presented to an indulgent public Few had known Mr Lincoln better than had Mr Arnold and no man was more familiar with his life or had studied more profoundly his personal and political character or his public career They had been personal friends for a quarter of a century They were much together in the courts and often associated in the trial of causes and had been opposing counsel in important litigation Their long acquaintance and association had made them to know each other well and had engendered mutual respect and mutual regard From the time that Mr Arnold entered Congress at the breaking out of the War of the Rebellion he became one of the most trusted advisers of Mr Lincoln and few men outside of the Cabinet were more frequently consulted by him in important matters About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Life of Abraham Lincoln...* Isaac Newton Arnold,2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Life of Abraham Lincoln* Isaac Newton Arnold,1994-01-01 Abraham Lincoln was a tall spare man with large bones and towering up to six feet and four inches He leaned forward and stooped as he walked There was no grace in his movements but an expression of awkwardness combined with force and vigor By nature he was diffident and when in crowds not speaking and conscious of being observed he seemed to shrink with bashfulness His forehead was broad and high his hair was rather stiff and coarse and nearly black his eye brows heavy his eyes dark grey clear very expressive and varying with every mood now sparkling with humor and fun then flashing with wit stern with

indignation at wrong and injustice then kind and genial and then again dreamy and melancholy Isaac N Arnold s word picture owes everything to personal observation because he knew Abraham Lincoln well for a quarter of a century Eventually an adviser to the sixteenth president Arnold attended his inaugurations heard his great speeches visited him at the White House and on a spring day in 1865 joined the procession that carried his slain body there Twenty years later he published his biography giving a detailed sense of Lincoln the entertaining storyteller the shrewd politician the steadfast visionary Here is the story of Lincoln s rise from humble origins to the presidency backgrounded by events leading inexorably to the Civil War Boyhood in Kentucky and Indiana legal and legislative experiences marriage to Mary Todd name making debates with Stephen Douglas struggles as president to end slavery and shore up the union conduct of Northern forces as commander in chief murder at Ford s Theater all fuel the narrative drive of **The Life of Abraham Lincoln**
