*Life After Death* Anthony C. Thiselton, 2011-12-05 Writing in the wake of a near fatal stroke theologian Anthony C. Thiselton addresses death and what comes next This distinctive study of the last things comprehensively explores questions about individual death the intermediate state the return of Christ the resurrection of the dead hell the final state of the redeemed and more from publisher description [Pro Ecclesia Vol 25-N3](#) Pro Ecclesia, Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, 2016-08-25 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **A Shorter Guide to the Holy Spirit** Anthony C. Thiselton, 2016 Anthony Thiselton's scholarly book *The Holy Spirit In Biblical Teaching through the Centuries and Today* was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award This shorter volume makes Thiselton's vast biblical theological knowledge and brilliant insight more accessible to more readers *Love Divine* Jordan Wessling, 2020-06-01 Love Divine provides a systematic account of the deep and rich love that God has for humans While the associated theological territory is vast the objective is to contend for a unified paradigm regarding fundamental issues pertaining to the God of love who deigns to share His life of love with any human willing to receive it Realizing this objective includes clarifying and defending specific conclusions concerning how the doctrine of divine love should be approached what God's love is what role love plays in motivating God's creation and subsequent governance of humans how God's love of humans factors into His emotional life which humans it is that God loves in a saving manner what the punitive wrath of God is and how it relates to God's love for humans and how it might be possible for God to share the intra trinitarian life of love with human beings As the book unfolds the chapters interlock and build upon one another in the effort to trace nodal issues related to God's love as it begins in Him and then spills out in the creation redemption and glorification of humanity a kind of exitus reditus structure that is driven by the unyielding love of God **Heaven** Paula Gooder, 2011-09-12 Heaven is one of those great mysteries that somehow symbolize what we don't know about ourselves and the world around us At the same time it lifts our vision from the mundane realities of our everyday lives and reminds us that beyond the daily grind of our existence there is another unseen reality A reality that is as real if not more so than our everyday lives Heaven suggests an answer to the familiar human feeling that there must be more than this and prompts us to wonder whether there is indeed more in heaven and earth than can be dreamt of in all our philosophies Paula Gooder from the Introduction [The Source of Hope](#) John S. Hammett, 2025-08-01 In *The Source of Hope* John Hammett crafts a detailed and accessible introduction to the discipline of eschatology **Jesus in Muslim-Christian Conversation** Mark Beaumont, 2018-03-01 Jesus is a revered messenger of God for Muslims and Lord and Savior for Christians How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart Jesus is the very center of the Christian faith but for Muslims he is a faithful witness to God who is central to Islam In the twenty first century is it possible for Muslims and Christians to

relate to each other around him This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between His miraculous activity his teaching and the titles he has been given are considered in detail and differences over the ending of Jesus life are debated *1 and 2 Thessalonians* Johnson,2016 A distinctively theological interpretation of the Thessalonian letters In this commentary Andy Johnson engages with the developing interpretive framework of missional hermeneutics to present a theological interpretation of 1 2 Thessalonians that aims to help the church more fully participate in the life and mission of the triune God After a verse by verse commentary Johnson closely examines the theology of the two epistles focusing especially on the topics of eschatology holiness and election in light of his missional reading of 1 and 2 Thessalonians In his exegetical and theological analyses Johnson considers canonical concerns doctrinal commitments ecclesial practices proposals from contemporary systematic theology and insights gleaned from the field of neuroscience regarding personal and community formation all of which help to clarify and enrich readers understanding of various passages **The Departure of an Apostle** Alexander N. Kirk,2015-11-05 What was Paul s attitude toward his own death How did he act and what did he say and write in view of it What hopes did he hold for himself beyond death Alexander N Kirk explores these questions through a close reading of four Pauline letters that look ahead to Paul s death and other relevant texts in the first two generations after Paul s death AD 70 160 The author studies portraits of the departed Paul in Acts 1 Clement the letters of Ignatius Polycarp s letter To the Philippians and the Martyrdom of Paul He also examines portraits of the departing Paul in 1 and 2 Corinthians Philippians and 2 Timothy arguing that Paul s death did not primarily present an existential challenge but a pastoral one Although touching upon several areas of recent scholarly interest Alexander N Kirk sets forth a new research question and fresh interpretations of early Christian and Pauline texts *Heaven and the Popular Imagination* T. M. Allen,2018-11-15 Popular culture continues to search the depths of the poetic imagination concerning heaven It seems to be a constant theme in literature film and music spanning genres throughout the Western world Yet some contemporary scholars suggest that all of these narratives are somewhat misguided and remain at best only partial constructions of a proper eschatology The creative imagination in popular culture especially in relation to the arts has often carried a less than trustworthy role in theology and philosophy *Heaven and the Popular Imagination* analyzes a number of approaches within the theology of culture conversation to suggest that a hermeneutic of popular imagery can open up new horizons for understanding and challenging the role heaven plays in Christian theology From ancient literature to popular music and films heaven is part of the framework of our ecumenical imagining about beginnings and endings Such a hermeneutic must encompass an interdisciplinary approach to

theology     Essential Eschatology John E. Phelan Jr.,2013-11-01 Study of eschatology often gets bogged down in minutiae that rarely seems to affect daily life Avoiding this trap John Phelan gets to the heart of the matter by examining how Christian hope and practice of resurrection impact everything     **Science, Religion, and the Search for Extraterrestrial Intelligence** David Wilkinson,2013-08 This book is about the search for extraterrestrial intelligence taking seriously the current scientific arguments and its implications for religion     **Atonement and the Logic of Resurrection in Hebrews 9:27-28** William W. Henry,2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment     *Dying and the Virtues* Matthew Levering,2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one s familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death     **Christian Theology in the Pluralistic World** Veli-Matti Kärkkäinen,2019-06-20 Kärkkäinen s acclaimed five volume constructive theology abridged in one accessible volume Providing a new and unique way of doing theology in our pluralistic world Veli Matti Kärkkäinen presents historic Christian doctrines in relation to the natural sciences and four other living faiths Judaism Islam Buddhism and Hinduism This textbook covers all systematic topics along with a host of current issues such as violence colonialism inclusivity sociopolitical liberation environmental care and more Accessible and student friendly *Christian Theology in the Pluralistic World* is the ideal text for exploring a theological vision at once rooted in the Christian tradition and constructive in its engagement with the complexities of our global pluralistic

world     **How Real Is Hell?** Steve Barber, 2024-10-29 How Real Is Hell offers guidance for those in pastoral ministry as to what the Bible teaches concerning the eternal fate of the unrighteous How can the hell fire language of Jesus be reconciled with Paul's teachings about death and destruction and passages that appear to offer universal hope What did people understand at the time when Jesus talked about hell weeping and gnashing of teeth and worms that will never die What does the story of the rich man and Lazarus teach us about future judgment What possibilities are valid for interpreting Jesus phrase eternal punishment Through an examination of the biblical texts How Real Is Hell offers arguments for and against the three main positions on the eternal fate of the unrighteous traditional conditional and universal At a time when evangelicals remain divided on the issue this book will provide helpful insights to enable ministers and others to further reflect on the issue The book arose following a pastoral conversation with a person who was deeply disturbed by her traditional understanding of hell as a place of everlasting conscious suffering How Real Is Hell aims to better equip those in pastoral ministry to offer help and support to such a person     *Theological Renewal for the Third Millennium* Veli-Matti Kärkkäinen, 2022-08-12 Amos Yong has stated that Veli Matti Karkkainen has become one of the more important theologians to be reckoned with in our time This becoming has developed over the course of many decades with prolific contributions in essays monographs lectures and other mediums The goal of this book then is to offer a curated selection of Karkkainen's essays for both new and established reader of Karkkainen This volume offers an accessible introduction to Karkkainen's diverse contribution for readers who are only familiar with his popular survey texts or are new to his work overall And yet for those familiar with his theology this volume provides insights into the journey his theological contributions have taken over the last fifteen years and serves as a kind of intellectual storyboard leading into his five volume constructive systematics In sum this book seeks to offer a wide ranging taste of Karkkainen's trajectory that will inspire more research into his work and ever more attention to his important constructive contributions to global twenty first century theology     **That His Spirit May Be Saved** Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith     Philippians and Philemon

Daniel L. Migliore, 2014-08-15 In this latest volume in the Belief series Daniel L Migliore plumbs the depth of Paul's letters to the Philippians and to Philemon With splendid theological reflection Migliore explores central themes of these remarkable letters themes that include the practice of prayer righteousness from God and the work of reconciliation and transformation through Jesus Christ Migliore shows how Philippians continues to speak to churches that like the church at Philippi struggle to be faithful to Christ worry about the future and need guidance And in Philemon Migliore finds a letter with importance far beyond its size a letter that can enrich our understanding of the fullness of the gospel that Paul proclaims In both books Migliore deftly shows Paul as a remarkable theologian and pastor with a message instructive to the church of every age
