Life After God Douglas Coupland:

LIFE AFTER GOD Douglas Coupland, 2010-05-11 In this compellingly innovative collection of stories bestselling author Douglas Coupland cuts through the hype of modern living to find a rare grace amid our lives uncovering a new kind of truth for a culture stuck on fast forward a culture seemingly beyond God We are the first generation raised without God We are creatures with strong religious impulses yet they have nowhere to flow in this world of shopping and TV Kraft dinners and jets How do we cope with loneliness Anxiety The collapse of relationships How do we reach the quiet safe layer of our lives

Life After God Douglas Coupland, 2012-12-25 YOU ARE THE FIRST GENERATION RAISED WITHOUT RELIGION What happens if we are raised without religion or beliefs As we grow older the beauty and disenchantments of the world temper our souls We all have spiritual impulses yet where do these impulses flow in a world of commodities and consumerism LIFE AFTER GOD is a compellingly innovative collection of stories responding to these themes Douglas Coupland takes us into worlds we know exist but rarely see finding rare grace amid our pre millennium turmoil **Religion and Literature** Robert Detweiler, David Jasper, 2000-01-01 Featuring a selection from over 80 key texts this anthology aims to help the reader to understand the common origins of religious expression and of literature The texts included cover classical literature the Bible English and European classics and contemporary works Life After God Michael Lewis MacLennan, 2007 Adapted from the short story by Douglas Coupland *The Rhizomatic West* Neil Campbell, 2008-12-01 Is the American West in Sergio Leone's spaghetti westerns the same American West we find in Douglas Coupland's Generation X In Jim Jarmusch's movies In Calexico's music Or is the American West as this book tells us a constantly moving mutating idea within a complex global culture And what precisely or better yet imprecisely does it mean Using Gilles Deleuze and Félix Guattari's concept of the rhizome Neil Campbell shows how the West or westness continually breaks away from a mainstream notion of American rootedness and renews and transforms itself in various cultural forms A region long traversed by various transient peoples from tribes and conquerors to immigrants traders and trappers the West reflects a mythic quest for settlement permanence and synthesis even notions of a national or global identity at odds with its rootless history culture and nature Crossing the concept of roots with routes this book shows how notions of the West in representations ranging from literature and film to photography music and architectural theory give expression to ideas about identity nationhood and belonging in a world increasingly defined by movement across time and borders *The Rhizomatic West* offers a new vision of the American West as a hybrid performative space a staging place for myriad intersecting and constantly changing identities **Imagination and the Journey of Faith** Sandra M. Levy, 2008-09-05 This book will speak to all readers whether religious believers or not who wish to strengthen and deepen the imaginative power of their spiritual lives Do You Feel it Too? Nicoline Timmer, 2010 *Do You Feel It Too* explores a new sense of self that is becoming manifest in experimental fiction written by a generation of authors who can be considered the heirs of the postmodern tradition It offers a precise in depth analysis of a new post

postmodern direction in fiction writing and highlights which aspects are most acute in the post postmodern novel Most notable is the emphatic expression of feelings and sentiments and a drive toward inter subjective connection and communication The self that is presented in these post postmodern works of fiction can best be characterized as relational To analyze this new sense of self a new interpretational method is introduced that offers a sophisticated approach to fictional selves combining the insights of post classical narratology and what is called narrative psychology Close analyses of three contemporary experimental texts *Infinite Jest* 1996 by David Foster Wallace *A Heartbreaking Work of Staggering Genius* 2000 by Dave Eggers and *House of Leaves* 2000 by Mark Danielewski provide insight into the typical problems that the self experiences in postmodern cultural contexts Three such problems or symptoms are singled out and analyzed in depth an inability to choose because of a lack of decision making tools a difficulty to situate or appropriate feelings and a structural need for a we a desire for connectivity and sociality The critique that can be distilled from these texts especially on the perceived solipsistic quality of postmodern experience worlds runs parallel to developments in recent critical theory These developments in fiction and theory both signal in the wake of poststructural conceptions of subjectivity a perhaps much awaited turn to the human in our culture at large today

Do Nothing to Change Your Life 2nd edition Stephen Cottrell, 2020-09-30 When did you last allow yourself to waste time to enjoy the pleasure of having a lie in to daydream lose yourself in your favourite music or simply to be idle Most of us live at break neck speed cramming work family friends and endless tasks into every relentless day We barely give ourselves enough time to sleep let alone to stop and take stock In this generous life affirming book Stephen Cottrell shows what we are missing when we listen to that inner voice that keeps driving us on With humour and down to earth wisdom he encourages us instead to hang out with our inner slob and rediscover not just the pleasures but the real benefits the unexpected gifts and the deep truths to be found in simply messing about

The Unnecessary Pastor Marva J. Dawn, Eugene H. Peterson, 1999-11-17 Best selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors Pastors are strategically placed to counter the culture No other profession looks so inoffensive but is in fact so dangerous to the status quo Their weapon A gospel that is profoundly

countercultural But standing firm in today's world isn't easy Powerful forces both subtle and obvious attempt to domesticate pastors to make them in a word unnecessary In this book two of today's most respected authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel Marva Dawn looks to Paul's letter to the Ephesians for instruction for churches seeking to live faithfully in today's world In turn Eugene Peterson explores Romans 1 and 2 Timothy and Titus drawing from them the correct view of pastoral identity The Suburban Christian Albert Y. Hsu, 2006-05-31 Albert Hsu unpacks the spiritual significance of suburbia and explores how suburban culture shapes how we live and practice our faith With broad historical background and sociological analysis Hsu offers guidance and hope for all who would seek the welfare of the suburbs **What on Earth is Heaven?** James Paul, 2021-02-18 What happens to us when we die Will heaven be a place of fluffy clouds angels and cherubs playing harps Is the Christian faith just about securing a place in heaven when we die In *What on Earth is Heaven* James Paul explores the radical truth of what the Bible says about heaven and the afterlife and its relevance for your life here and now on earth Unpacking the biblical story of the separation and reunion of heaven and earth he shows that heaven isn't a place somewhere out there but a dimension of reality the dimension where God's will is done The Good News isn't that we get to escape to heaven but that God invites us to be a part of his plan to bring the kingdom of heaven to our square inch of the earth Insightful and accessible *What on Earth is Heaven* is a book for anyone wanting a deeper understanding of the Bible's teaching on heaven or anyone who has wondered about the true meaning of finding heaven on earth Life affirming and uplifting this book will fire your imagination as to how you can be a part of bringing heaven to the world around you The Postmodern Life Cycle Friedrich Schweitzer, 2012-11 A theology in tune with postcolonial theory has the potential to creatively inform and transform ecclesial practice Focusing on the relation of theology to postcolonial theory *Postcolonial Theologies* brings together a wide diversity of authors many of them fresh and exciting theological voices in essays that are stunningly creative and prophetically lucid All essays are theologically constructive not merely deconstructive or critical in their visions for Christianity Forming a sort of doctrinal landscape they emerge under the themes of theological anthropology shaped by ethnicity class and privilege a Christology that intersects the claims of Christ and empire and a Cosmology that imagines a postcolonial world *Third Voice* Michael P. Knowles, 2021-01-14 What makes for powerful preaching Careful exegesis logical structure interesting illustrations and clear speech can all help But truly transformative preaching depends on divine power not human skill alone Those who would reduce preaching to simple systems or sure fire strategies for success will find little of interest here Instead this book appeals to those pastors and academics alike who find themselves confounded by the occasional futility of their best preaching and the unexpected success of their worst It invites readers to enter more deeply into the uncontrollable mystery that attends all efforts to speak in the name of Christ above all on the topic of resurrection Although the gospel always turns

our attention to the crucified and risen Lord preaching about resurrection calls us to trust that the same God who raised Jesus from death will likewise grant life to us as preachers to our sermons and to our hearers alike Drawing on resources as diverse as Luther's understanding of the Christian gospel Speech Act theory and Bhabha's concept of Third Space Third Voice Preaching Resurrection argues that the true key to effective preaching is not rhetoric but spirituality **The Rock Cries Out** Steve Stockman, 2004 Steve Stockman author of the international hit Walk On The Spiritual Journey of U2 explores the music of twelve artists who haven't necessarily professed a Christian faith but whose work is undergirded with issues questions and insights that are very much biblical If you look closely their music is saturated with spiritual context and redemptive messages that can teach life changing truth to the believer and spiritual seeker alike Is God speaking through these unlikely prophets If so are you listening Book jacket **Jesus Nation** Joe Stowell, 2009 Dr Joe Stowell is a Chicago Cubs fan to the death For Joe there is nothing quite like showing up on a bright summer day at the friendly confines of Wrigley Field to cheer the Cubbies on Cubs fans are so fanatic that they are now called the Cubs Nation To belong to the Cubs Nation means that you belong to something bigger than yourself What group are you passionate about Do you have your own sports team you're devoted to Are you dedicated to a cause To a set of friends To a national identity What cause have you sacrificed your all to and aren't ashamed about it Is it to a career To some change in your community To the defense of an institution or your friends According to Joe Stowell there is a bigger revolution happening right under our noses There is a cause greater than nation creed or even a sports team In his trademark style Joe Stowell wakes up readers to a revolution of the heart occurring now and transforming our nation the Jesus Nation *Apocalypse Recalled* Harry O. Maier, In the end Apocalypse Recalled seeks to free the imprisoned John of Patmos and employ his massively influential and controversial text to awaken a sleeping sidelined and culturally assimilated church to new imperatives of discipleship BOOK JACKET 1-2 Peter and Jude (Redesign) David R. Helm, 2015-11-17 Everyone experiences trials at some points in their lives But the Bible is clear that Christians have nothing to fear in the long run in light of God's sovereignty and love for his people In this stirring exposition of 1 and 2 Peter and Jude pastor David Helm explores these three New Testament letters in depth reminding readers that suffering precedes future glories for anyone who claims Christ as Lord and Savior An ideal resource for pastors and teachers looking to connect the Bible's message to the everyday lives of Christians this commentary touches on a number of important themes such as finding encouragement in Christ avoiding false teaching what it means to contend for the faith and how to finish life well Part of the Preaching the Word commentary series God's Outrageous Claims Lee Strobel, 2009-05-26 Lose your life to save it The first will be last The meek will inherit the earth Many of Jesus' claims clashed with common sense and turned logic on its head But these are the very things that are so compelling about following him the very things that can change the entire trajectory of your life Lee Strobel author of the bestselling book The Case for Christ burrows deep into the wildest claims of the Bible about life with God how we can grow in virtue relate to

others with authenticity earn a living with integrity and make a difference even in the midst of a culture that's unraveling at the seams Starting with the incredible freedom found in forgiving your enemies you'll encounter thirteen counter cultural seemingly contradictory beliefs that even many Christians find difficult to wrap their minds around claims such as A dose of doubt may strengthen your faith God has a cure for your secret loneliness You can make a difference that will last for eternity Playing it safe is the most dangerous way to live God's Outrageous Claims will not only challenge your existing presuppositions this book offers a fresh enlightening perspective on a purposeful and fulfilling life journey guided by God's teachings A profound read for both believers and skeptics alike *Colossians Remixed* Brian J. Walsh, Sylvia C. Keesmaat, 2004-10-04 Drawing together biblical scholarship with a passion for authentic lives that embody the gospel this groundbreaking interpretation of Colossians from Brian J Walsh and Sylvia C Keesmaat provides us with tools to subvert the empire of our own context in a way that acknowledges the transforming power of Jesus Christ
