Life and Leisure in Ancient Rome John Percy Vyvian Dacre Balsdon, 2002

Daily Life through World History in Primary Documents Rebecca Bennette, David M. Borgmeyer, David Matz, Lawrence Morris, 2008-12-30 Who did the ancient Greeks describe as the world's best athlete? What does the Koran say about women's rights? How has the digital revolution changed life in the modern age? From the law courts of ancient Iraq to bloody Civil War battlefields, explore the daily lives of people from major world cultures throughout history as presented in their own words. Bringing useful and engaging material into world history classrooms, this rich collection of historical documents and illustrations provides insight into major cultures from all continents. Hundreds of thematically organized annotated primary documents and over 100 images introduce aspects of daily life throughout the world, including domestic life, economics, intellectual life, material life, politics, religion, and recreation from antiquity to the present. Document selections are guided by the National Standards for World History, providing a direct tie to the curriculum. Analytical introductions explain the key features and background of each document and create links between documents to illustrate the interrelationship of thoughts and customs across time and cultures.

Volume 1: The Ancient World covers the major civilizations from ancient Sumeria (3000 BCE) through the fall of Imperial Rome (476 CE), including Egypt, Greece, and Israel, and also covers China and India during the births of Hinduism, Buddhism, and Confucianism.

Volume 2: The Middle Ages and Renaissance covers the development of European culture from the Germanic migrations of the fifth century CE through the university movement of the late middle ages and the sixteenth-century growth of global empires and the collapse of the kingship in seventeenth-century England. Also covered are the Native empires of the Americas and the rise of Islamic culture throughout the Middle East and Africa.

Volume 3: The Modern World spans the period from the Enlightenment through the modern Internet era and global economy, including the founding of the United States, colonial and post-colonial life in Latin America and Africa, and the growth of international cultures and new economies in Asia.

Document sources include: The Code of Hammurabi, The Manu Smṛiti, Seneca's *On Mercy*, Josephus's *Jewish Antiquities*, The Koran, Dante's *Divine Comedy*, Bernal Díaz del Castillo's *The True History of the Conquest of Mexico*, The Travels of Marco Polo, Brahmagupta's principles of mathematics and astronomy, The Mayan Popul Vuh, the diary of a Southern plantation wife during the Civil War, and letters from an American soldier in Vietnam. Thematically organized sections are supplemented with a glossary of terms, a glossary of names, a timeline of key events, and an annotated bibliography. Document selections are guided by the National Standards for World History, providing a direct tie to the curriculum. This collection is an invaluable source for students of material history, social history, and world history.

Artifacts from Ancient Rome James B. Tschen-Emmons, 2014-09-30 When Roman objects and artifacts are properly analyzed, they serve as valuable primary sources for learning about ancient history. This book provides the guidance and relevant historical context students need to see relics as evidence of long past events and society. *Artifacts from Ancient Rome* is a unique social history that explores major aspects

of daily life in a long ago era via images of physical objects and historical information about these items This book also affords hands on training on how to approach primary sources The author a historian also trained as an archaeologist begins by explaining the concept of using artifacts to understand and see the past and providing a primer for effectively analyzing artifacts Entries on the artifacts follow with each containing an introduction a description of the artifact an explanation of its significance and a list of further sources of information Readers of the book will not only gain a composite impression of daily life in ancient Rome through the study of artifacts from domestic life religion war transportation entertainment and more but will also learn how to best understand and analyze primary sources for learning **Lives of the Caesars** Suetonius,2004

The Lives of the Caesars quite often resembles a modern sensationalized tabloid stuffed with insinuations scandal and royal shenanigans but it is really much more Written by a palace insider and published at the height of the Roman Empire it gives a unique intense and individual portrait of each emperor Despite its antiquity The Lives of the Caesars is neither remote nor obscure it remains the most readable and most significant biography of the ruling families of the early Roman Empire ever written Suetonius animated and assured account of the emperors of Rome brings the mundane tragic humorous and scandalous activities of Rome s elite the emperors their families friends enemies successes failures loves and ambitions to vivid life Women of Ancient Rome Lynda Telford,2023-04-15 The women of Ancient Rome were obliged to maintain the

Mos maiorum the established order of things Romulus himself was believed to have devised the almost indissoluble marriage rite the Confarreatio which put a wife under the absolute power of her husband She could not divorce him but he could divorce her **How They Lived** James Ciment,2015-12-14 Ideal for history majors nonhistory majors taking history courses as well as general readers this book provides not only the primary documents and artifacts of ordinary people in history but also annotations that help the reader put them into context and grasp their deeper meaning This two volume work explores daily life across human history through primary sources making use of this primary source material as well as detailed analysis to help readers understand and use these sources as evidence of how life used to be The diverse selection of sources includes artifacts inscriptions histories letters and first hand accounts ranging from ancient times to the emergence of modern Europe to the present day This set makes use of an innovative layout facing pages contain a primary source selection on the left side with the introduction and analysis on the right side This facing pages layout allows readers to access the text information and the primary source itself without any distracting page turning Unlike most other books on history that relay key momentous events in history and tales regarding kings and generals aristocrats and the highly educated How They Lived An Annotated Tour of Daily Life through History in Primary Sources includes significant coverage of ordinary people and interesting information about everyday life at all levels of society As a result this collection helps close the gap in what students of history are typically exposed to through its presentation of both written documents and images of artifacts

Ancient Times Walter Hazen,2005-10 People of the ancient world come to life in a vivid anecdotal narrative that

highlights the daily lives and achievements of Egyptians Greeks Romans and Mesopotamians people living between the Tigris and Euphrates rivers in ancient times Easy to read and understand this story shows kids how ancient people thought how they traveled how they looked at marriage and family what they ate what they built what they wore and what their houses were like From education and law to art and architecture appreciation grows for the accomplishments upon which our own civilization is based *Cleopatra and Antony* Diana Preston,2009-07-01 On a stiflingly hot day in August 30 B C the thirty nine year old Queen of Egypt Cleopatra took her own life rather than be paraded in chains through Rome by her conqueror Octavian the future emperor Augustus A few days earlier her lover of eleven years Mark Antony had died in her arms following his own botched suicide attempt Oceans of mythology have grown up around them all of which Diana Preston puts to rest in her stirring history of the lives and times of a couple whose names more than two millennia later still invoke passion curiosity and intrigue This book sets the romance and tragedy of Antony and Cleopatra s personal lives within the context of their political times There are many contemporary resonances the relationship between East and West and the nature of empire the concealment of personal ambition beneath the watchword of liberty documents forged edited or disposed of special relationships established constitutional forms and legal niceties invoked when it suited Indeed their lives and deaths had deep political ramifications and they offer a revealing perspective on a tipping point in Roman politics and on the consolidation of the Roman Empire Three hundred years would pass before the east would with the rise of Constantinople and the Byzantine Empire once again take a share of political power in the Mediterranean In an intriguing postscript Preston speculates on what might have happened had Antony and Cleopatra defeated Octavian at the Battle of Actium in 31 B C

Catullus Aubrey Burl,2010-02-15 Catullus tells the story of the poet Gaius Valerius Catullus and his awe inspiring poetry set against the background of years of unrest violence and death in ancient Rome **Sulla** Lynda Telford,2014-02-11 Lucius Cornelius Sulla is one of the central figures of the late Roman Republic Indeed he is often considered a major catalyst in the death of the republican system the ambitious general whose feud with a rival Marius led to his marching on Rome with an army at his back leading to civil war and the terrible internecine bloodletting of the proscriptions In these things and in his appropriation of the title of dictator with absolute power he set a dangerous precedent to be followed by Julius Caesar a generation later Lynda Telford believes Sulla s portrayal as a monstrous brutal tyrant is unjustified While accepting that he was responsible for much bloodshed she contends that he was no more brutal than many of his contemporaries who have received a kinder press Moreover even his harshest measures were motivated not by selfish ambition but by genuine desire to do what he believed best for Rome The author believes the bias of the surviving sources and modern biographers has exaggerated the ill feeling towards Sulla in his lifetime After all he voluntarily laid aside dictatorial power and enjoyed a peaceful retirement without fear of assassination The contrast to Caesar is obvious Lynda Telford gives a long overdue reappraisal of this significant personality considering such factors as the effect of his disfiguring illness The portrait that

emerges is a subtle and nuanced one her Sulla is very much a human not a monster *Ephesians* Benjamin L Merkle,2016-08-01 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text The series makes interpreting any given New Testament book easier especially for those who are hard pressed for time but want to preach or teach with accuracy and authority Each volume begins with a brief introduction to the particular New Testament book a basic outline and a list of recommended commentaries The body is devoted to paragraph by paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study A comprehensive exegetical outline of the New Testament book completes each EGGNT volume **North American Cambridge Latin Course Unit 3 Teacher's Manual** Cambridge University Press,2015-11-26 The world's bestselling introductory Latin course Developed by the University of Cambridge School Classics Project this bestselling Latin program provides an enjoyable and carefully paced introduction to the Latin language complemented by background information on Roman culture and civilization Starting in Roman Britain and moving on to imperial Rome itself Unit 3 focuses on the murderous schemes and machinations of Gaius Salvius Liberalis as he plots his ruthless and apparently unstoppable rise to power **Leisure and Ancient Rome** J. P. Toner,2013-05-28 In this book Toner offers a new way of looking at Roman society at all levels not just among the elite by examining the imperial games and the baths as well as gambling the taverns theatre and carnivals *Why Should I Care about the Ancient Romans?* Don Nardo,2020 We celebrate the Ancient Romans for contributions they made to modern engineering and architecture but their impact is felt in even the smallest details of everyday life Discover how inventions like socks fast food restaurants and movie theaters got their start in Ancient Rome and evolved into things we enjoy today [Encyclopedia of New Year's Holidays Worldwide](#) William D. Crump,2016-03-30 Among the world's myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican **Roman Artefacts and Society** Ellen Swift,2017 In this book Ellen Swift uses design theory previously neglected in Roman archaeology to investigate Roman artifacts in a new way making a significant contribution to both Roman social history and our understanding of the relationships that exist between artefacts and people Based on extensive data collection

and the close study of artefacts from museum collections and archives the book examines the relationship between artefacts everyday behavior and experience The concept of affordances features of an artefact that make possible and incline users towards particular uses for functional artifacts is an important one for the approach taken This concept is carefully evaluated by considering affordances in relation to other sources of evidence such as use wear archaeological context the end products resulting from artifact use and experimental reconstruction Artifact types explored in the case studies include locks and keys pens shears glass vessels dice boxes and finger rings using material mainly drawn from the north western Roman provinces with some material also from Roman Egypt The book then considers how we can use artefacts to understand particular aspects of Roman behavior and experience including discrepant experiences according to factors such as age social position and left or right handedness which are fostered through artifact design The relationship between production and users of artifacts is also explored investigating what particular production methods make possible in terms of user experience and also examining production constraints that have unintended consequences for users The book examines topics such as the perceived agency of objects differences in social practice across the provinces cultural change and development in daily practice and the persistence of tradition and social convention It shows that design intentions everyday habits of use and the constraints of production processes each contribute to the reproduction and transformation of material culture

The World of the Gladiator Susanna Shadrake, 2005 World of the Gladiator explores all aspects of gladiatorial life including organisation of the spectacle day to day life of a gladiator equipment the symbolic role of the gladiator in society and the fascination of the gladiatorial spectacle within a 21st century context

Roman Christianity and Roman Stoicism Runar Thorsteinsson, 2010-05-27 Runar M Thorsteinsson presents a challenge to the view that Christianity introduced an entirely new better and decidedly universal morality into the ancient world Presenting evidence from Stoic and Christian texts from first century Rome he emphasizes the similarities between the two belief systems
