The Life of John Caldwell Calhoun (Classic Reprint) John S. Jenkins, 2015-07-08 Excerpt from The Life of John Caldwell Calhoun One after another of the remarkable men of our country has gone to the tomb until the number of the distinguished dead far exceeds that of the living who have become illustrious The history and fame of the country and the promise of the latter is its hope and admiration To portray the character of the one is to excite the emulation of the other and to depict the virtues of a single individual may be to scatter the seeds that will germinate and bud and blossom and bring forth similar fruit in due season For more than fifty five years Mr Calhoun has been one of the most prominent statesmen in the American Union and during that long period their history is woven together About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Life of John Caldwell Calhoun, Vol. 1 of 2 (Classic Reprint)* William M. Meigs, 2017-09-18 Excerpt from The Life of John Caldwell Calhoun Vol 1 of 2 The following Life of Calhoun was undertaken a number of years ago and has by the labor it has entailed shown most convincingly to the writer the vast field that Calhoun covered During nearly forty years of our earlier existence there were few subjects of public importance on which he did not take a leading part Many of these concerned the system of slavery and the protection of the then civilization of our South but the world of his countrymen would make a great mistake to suppose as many do that his work was confined to this one point In his later years that subject was of controlling importance to him as to all Americans but the case was far otherwise during much of his public life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Life of John Caldwell Calhoun, Vol. 2 of 2 (Classic Reprint)* William M. Meigs, 2018-01-17 Excerpt from The Life of John Caldwell Calhoun Vol 2 of 2 The Campaign of 1844 Growing Popularity of Calhoun as a Candidate Withdrawal from Contest Appointment by Tyler as Secretary of State in Place of Upshur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original

An Oration on the Life, Character and Services of John Caldwell Calhoun J. H. Hammond, 2015-07-12 Excerpt from An Oration on the Life Character and Services of John Caldwell Calhoun Delivered on the 21st Nov 1850 in Charleston S C At the Request of the City Council Faith is an instinct of the human heart Its strongest its purest and its noblest instinct the parent of love and of hope In all ages and every where mankind have acknowledged adored and put their trust in the great Creator and Ruler of the Universe And sending from the invisible and infinite to the visible and finite they have entertained the same sentiments differing only in degree for those of their own species who have received from heaven an extraordinary endowment of intellect and virtue The Ancient Heathen deified them By the early Christians they were enrolled among the Saints It is a shallow and a base philosophy which can see superstition only in such customs and fails to recognize the workings of a profound veneration for the attributes of God as manifested through his favorite Creations A better knowledge of the bounds which separate the natural from the supernatural has taught us in our day to limit our homage but still it is a deep and pure wisdom which counsels us to submit ourselves in no grudging spirit to the guidance of those great lights that have been appointed to shed light and truth upon the world To the honor and praise of South Carolina it may be said that she has always recognized her prophets and believed their inspiration About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Cultivating Democracy Mukulika Banerjee, 2021-09-17 Mukulika Banerjee focuses on both India's institutional form and its democratic culture arguing that the project of democracy is incomplete unless it is accompanied by a continual cultivation of active republican citizenship Covering the period from 1998 2013 Cultivating Democracy provides an anthropological analysis of the relationship of formal political democracy and the cultivation of active citizenship in a rural setting in India Banerjee's analysis shows how India's agrarian village society produces the social imaginaries required for democratic and republican values More broadly she shows that democracy is not simply a product of institutional design but also requires continual civic cultivation by both parties and the citizens themselves

Senators of the United States Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their

autobiographies and other published works **Senators of the United States** ,1995 **The Library Magazine** ,1886

The ^ARoad to Disunion William W. Freehling,1991-12-05 In the first volume of his long awaited monumental study of the South s road to disunion eminent historian William Freehling offers a sweeping political and social history of the antebellum South from 1776 to 1854 All the dramatic events leading to secession are here and Freehling vividly recounts each crisis illuminating the many complex issues and sketching colorful portraits of the major figures involved But for all Freehling s brilliant insight into American antebellum politics Secessionists at Bay is at bottom the saga of the rich social tapestry of the prewar South Freehling brings the Old South back to life in all its color cruelty and diversity It is a memorable portrait certain to be a key analysis of this crucial era in American history **Books in Print Supplement** ,2002

Catalogue of the New York Free Circulating Library New York (N.Y.). Free Circulating Library. George Bruce Branch,1890 *John C. Calhoun's Theory of Republicanism* John G. Grove,2016-12-16 John C Calhoun 1782 1850 the South Carolinian who served as a congressman a senator and the seventh vice president of the United States is best known for his role in southern resistance to abolition and his doctrine of state nullification But he was also an accomplished political thinker articulating the theory of the concurrent majority This theory John G Grove contends is a rare example of American political thought resting on classical assumptions about human nature and political life By tracing Calhoun s ideas over the course of his political career Grove unravels the relationship between the theory of the concurrent majority and civic harmony constitutional reform and American slavery In doing so Grove distinguishes Calhoun s political philosophy from his practical political commitment to states rights and slavery and identifies his ideas as a genuinely classical form of republicanism that focuses on the political nature of mankind public virtue and civic harmony Man was a social creature Calhoun argued and the role of government was to maximize society s ability to thrive The requirements of social harmony not abstract individual rights were therefore the foundation of political order Hence the concurrent majority permitted the unique elements in any given society to pursue their interests as long as these did not damage the whole society it forced rulers to act in the interest of the whole John C Calhoun s Theory of Republicanism offers a close analysis of the historical development of this idea from a basic inherited republican ideology into a well defined political theory In the process this book demonstrates that Calhoun s infamous defense of American slavery while unwavering was intellectually shallow and in some ways contradicted his highly developed political theory **Books in Series** ,1985 Vols for 1980 issued in three parts
Series Authors and Titles The Classical World ,1922 The Life of John C. Calhoun Gustavus M. Pinckney,2015-07-05
Excerpt from The Life of John C Calhoun Being a View of the Principal Events of His Career and an Account The past is past and cannot be recalled and a reference to it is only profitable as furnishing lessons of experience Calhoun I desire to die in the discharge of my duty I have an unshaken reliance upon the providence of God Calhoun It is a serious misfortune to run half a century ahead of the knowledge of the day and if a man is bent on doing this he should make up his mind to meet the

consequences and count the cost Men of moderate intellect disapprove the timid are alarmed foes are excited and friends stand aloof A man so determined to abide by Truth through evil report and good report must be content to brave the pity of some the sneers of others and the rancorous hatred of all who live and prosper by existing error Thomas Cooper About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Address on the Life and Character of John Caldwell Calhoun William L. Yancey, 2015-07-14 Excerpt from An Address on the Life and Character of John Caldwell Calhoun Delivered Before the Citizens of Montgomery Alabama on the Fourth July 1850 In the midst of those grave and reverend Senators was one of tall and attenuated bit of most commanding form Upon whose broad brow Dignity Truth and sage Experience had set their impress while genius shined from the depth of those brilliant eyes and Eloquence and Logic recognized their own in the tones of his voice Though conscious that even then death was snapping asunder the cords of his life and that eternity with its vastness was about opening to his View he still lingered in the scene of his renown and once again essayed an effort in behalf of the rights of the South That last effort was fit to crown the noble column which for long years the great Senator had been erecting to his renown as a statesman An orator and a patriot The simplicity and clearness of its statements its calm and dispassionate reasoning the conclusiveness of its deductions its splendid analysis of the causes of the present evil and the undeniable justness of the remedy proposed its chaste and fervid patriotism and passionless style so becoming one who but paused on the verge of eternity to counsel with his countrymen combined to make this one of the mightiest and most effective speeches ever delivered in her behalf by the great champion of the South It made the cause of the South the cause of the Union It placed that cause high upon the altar of the constitution only to be reached and displaced by a destruction of the temple of which that constitution was the palladium About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Missouri Compromise and Its Aftermath Robert Pierce Forbes, 2007 Robert Pierce Forbes goes behind the scenes of the crucial Missouri Compromise the most important sectional crisis before the Civil War to reveal the high level deal making diplomacy and deception that defused the

crisis including the central unexpe

The Classical Weekly ,1924 **The Golden Age of the Classics in America** Carl J Richard,2009-07-23 In a masterful study Carl Richard explores how the Greek and Roman classics became enshrined in American antebellum culture For the first time knowledge of the classics extended beyond aristocratic males to the middle class women African Americans and frontier settlers The Civil War led to a radical alteration of the educational system in a way that steadily eroded the preeminence of the classics

The Legacy of St. George Tucker Chad Vanderford,2024-01-12 In *The Legacy of St George Tucker* Chad Vanderford provides a cogent longitudinal explication of how Virginia intellectuals constructed and defined proslavery ideology and state rights He reminds twenty first century readers that in order to judge late eighteenth and early nineteenth century thinkers fairly they must position basic political ideas within the context of their day not ours Vanderford s book will prove valuable not only for students and researchers of political theory but also of southern intellectual life and the political worlds of the Colonial Early National and Old South John David Smith Charles H Stone Distinguished Professor of American History University of North Carolina at Charlotte

Historians born during and after the Civil Rights movement have struggled to take the proslavery and pro secession arguments of the eighteenth and nineteenth century South seriously They generally tend to lump the two theories together as components of one ideology and then attempt to write it out of the political norms of American life In this groundbreaking study Vanderford isolates the different ideological strands in southern political thought of this era and works to understand these ideas in the context of their time St George Tucker 1752 1827 Founding Father professor and political theorist saw clearly that slavery runs against the grain of the values articulated in the Declaration of Independence Under certain narrowly construed circumstances however he thought it necessary to tolerate slavery He viewed secession as an extreme step but one that the Declaration of Independence left open as a possibility for all free states St George Tucker s arguments hinged on a modern view of natural right that builds on the premise that political power can only be legitimate if it rests on the consent of the governed He believed that equally free and independent individuals constructed a voluntary union of equally free and independent states His son Henry Tucker 1780 1848 and grandson John Randolph Tucker 1823 1897 sought to defend this ideology of modern natural right against fellow professors North and South who tended to replace it with the ancient ideology of natural right the view that wisdom gives one the title to command Many southern intellectuals came to believe that individuals are not equally free and independent by nature many northerners came to argue that the states had never been equally free and independent These disagreements contributed to the outbreak of the Civil War At once a work of intellectual history that shows the key role played by professors in helping to formulate southern ideology as well as a recovery of rarely explored arguments this work wrestles with one of the greatest challenges of intellectual history the effort to understand the most controversial ideas of the past on their own terms while searching for the genealogy that connects the past to the present CHAD VANDERFORD is an associate professor of history at the University of Texas of the Permian

Basin His articles and reviews have appears in publications including Civil War History the Journal of Southern History and the Virginia Magazine of History and Biography

The Enigmatic Realm of **Life Caldwell Calhoun Classic Reprint**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
