*Life Interrupted* Priscilla Shirer, 2011-03-01 From telemarketers to traffic jams to twenty item shoppers in the ten item line our lives are full of interruptions They re often aggravating sometimes infuriating and can make us want to tell people what we really think about them But they also tell us something quite important about ourselves The prophet Jonah s life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction Yet it wasn t really an interruption It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen national revival in a Gentile country What if Jonah had seen God s interruption for what it truly was a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time What could have felt any better than being directly in the center of God s will Yet we play it that same way always running from major pains and minor problems that just don t seem to suit us at the time Who knows what we re missing by being so interruption avoidant In this very personal account of opportunities lost and lessons learned popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God even when He s going against your grain

*Life Interrupted* Priscilla Shirer, 2011 Popular author Shirer uses the biblical book of Jonah to address daily obedience to God and how to respond when His plans don t match our own

Heyer, 2023-11-28 This story of Scattered Smothered and Yet Covered by the Grace of God tells the unknown the unbelievable and the hurt and heartache that scattered my life in 2010 with my son's dive into addiction His addictions from pot to pills would scatter and smother me for the next eight plus years This isn't only a raw look into addiction and the destruction it causes but more importantly it is a look into a story of God's love hope mercy and grace that covered me and my son during these years in addition to being covered by friendships and prayers when we couldn't cover ourselves I learned in 2019 2020 while writing this story that there is an obvious thread woven within this story that is God was there in every detail along the way I was scattered into pieces broken beyond what I could have imagined smothered to the point of true breathlessness and yet covered by the grace of God each and every day But we have this treasure in jars of clay to show that this all surpassing power is from God and not from us We are hard pressed on every side but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed We always carry around in our body the death of Jesus so that the life of Jesus may also be revealed in our body For we who are alive are always being given over to death for Jesus sake so that his life may also be revealed in our mortal body So then death is at work in us but life is at work in you I am thankful Lord for the refining and redemption lived within this story I have been covered by the grace of God      *Unexpected* Christine Caine, 2018-05-08

Disappointed Heart: Navigating Life's Unexpected Twists and Turns Crystal Stains, 2023-03-03 David Guffey woke up to the sound of his alarm ringing loudly He reached over to turn it off but was suddenly hit by a sharp pain in his stomach He

groaned and curled up into a ball clutching his stomach tightly The pain was so intense that he felt like he was being tortured He tried to take deep breaths to calm himself down but it only made things worse Sweat began to pour down his face and his entire body was trembling with pain He closed his eyes tightly and tried to ride it out but the pain only grew worse After what felt like hours David finally lost consciousness He couldn't remember anything that happened after that but when he woke up he felt weak and disoriented He struggled to sit up feeling as if his entire body had been drained of all energy He noticed the tea table in front of him with a spilled cup of water and a few empty pill bottles He couldn't remember taking any medication but he knew that he needed something to ease the pain He tried to reach for the pills but his hands were shaking so badly that he couldn't even hold them He managed to grab a glass of water and slowly sipped it feeling slightly better with each gulp He knew that he needed to rest and regain his strength but he also knew that he couldn't ignore this pain any longer He needed to seek medical attention as soon as possible David slowly got up using the table to steady himself He knew that he had a long road ahead of him but he also knew that he had to fight He took a deep breath and slowly made his way out of the room determined to get the help he needed to overcome this pain

**Meeting at the Fires** Marian Olivia Heath Griffin, 2021-04-08 Our lives will be pulled from the ashes many times and those times will bring good purposes in our lives Individualism and independence are at the heart of being American There will always be many ambition driven challenges many events you will not foresee You will handle some well and some badly For there is no adequate preparation for all of life's situations and relationships There is no such thing as perfection when it comes to relationships that exist between people especially the relationships between a man and woman It is possible to have a good relationship with persons in your life once you first have that relationship with yourself But with the Creator's help you will prevail you will not fail We must open doors wide to let others in to learn and to mature Our Creator will fix our hearts to become involved in reaching and bringing a lost world to Him
