Life Is What You Make It:

Life Is What You Make It Carl Mathis, 2009-03-25 This book was written for anyone who needs some encouragement in his or her life or just needs some motivation someone who feels that life has dealt them a raw deal It was written to give an illustration and to challenge you to pursue your heart's desire After reading this book you just may be motivated to lead a more productive and fulfilling life Just remember nothing that is worthwhile comes easily There may be some challenges or some setbacks in life but don't let that stop you from reaching for your goal *Life Is What You Make It* Peter Buffett, 2011-05-03 From composer, musician and philanthropist Peter Buffett comes a warm, wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions, establish his own identity and reap his own successes In *Life Is What You Make It* Buffett expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father and the many life teachers he has met along the way Today's society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation, character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random, neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life, our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts, crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing, instructive and intuitive *Life Is What You Make It* is about transcending your circumstances, taking up the reins of your destiny and living your life to the fullest Life is what you make it Joyce M Hatley, 2015-05-20 Olivia Williams is happily married, rich and bored Her husband is always away on business and her children are at university She can't do anything right for her Mother in Law So she daringly decides to take a holiday abroad by herself Life changes completely as a result of the ensuing events **Life is What You Make It** Paul Sedlak, 2021-10-22 *Life Is What You Make It* is about the author's experience with God and the universe on how he accomplished his big dreams in life and the lessons he learned along the way He believes that even though his goals and problems may be different from yours, a solution is available for you just as it was for him He doesn't believe that our dreams truly come from us alone but from the creator of the universe If HE put it in us HE has definitely a plan on how to accomplish it His part just like us is to listen and follow without prejudice and to stop being the one who wants to be in control all the time If this book helps the readers see that God's way does work then the
