## **Life Jesus Who Do You Say That I Am:**

**LIFE Jesus** Editors of Life, 2012-10-30 LIFE Books managing editor Robert Sullivan has twice been awarded the Wilbur Award for best religion feature in a national magazine and has authored LIFE's New York Times best selling biography of Pope John Paul II. He brings to this book his expertise on the subject of Christianity along with text informed by the world's great scholars, theologians, and religious figures. Jesus emerged from nowhere to become in his short life perhaps as few as 32 years a thinker, teacher, and preacher whose words and deeds would change the world and become the foundation for the world's largest religion. But the biography as outlined in the New Testament and apocryphal writings only tells us so much. LIFE's editors go in words and pictures in search of Jesus of Nazareth, the carpenter's son who would one day influence all. The great photographer Denis Waugh once made a thorough, colorful, and moving pictorial pilgrimage to the Holy Land exclusively for LIFE, and those images will anchor our quest. We will travel as well to the Vatican, to the missions of Africa, to the Glide Memorial Church in San Francisco, to all that has risen in Jesus' name. In the book's final section, we will look at Christianity today, its still vastly influential place in our tumultuous world.

**LIFE Jesus** The Editors of LIFE, 2018-12-21 The editors of LIFE Magazine present LIFE Jesus The Man Born to Be King Dorothy L. Sayers, 2011-07-20 In twelve plays for broadcasting at monthly intervals Dorothy L. Sayers drew on material from all four Gospels, keeping the theme of Jesus of Nazareth's divine kingship in focus throughout while locating him firmly in the social and political context of his time. The first half covers episodes that precede the final journey to Jerusalem, and the latter half primarily deals with Passion Week themes. It is the simplicity and profundity of Jesus' words in the Fourth Gospel, especially that Sayers drew on in her own writing for the voice of Jesus on air. The plays gave her an opportunity to explore the many gospel characters surrounding Jesus, not least that of Judas. And beyond the utter sorrow of Jesus' death, the King comes into his own in the garden of resurrection.

The Compelling Faces of Jesus Christ William Powell Tuck, 2008 In seeking to explore who Jesus is, the author has explored the meaning of the Incarnation, Christ as Teacher and healer, and the rejected, crucified, and risen one. Finally, he probes the meaning of the Christ as a present reality and how he can still be known. Tuck writes in a nontechnical way to draw the reader into the realization of the importance of personal commitment to Christ if one is to more fully grasp the meaning of Christ's person and presence. The ink drawings by Israel Galindo invite the reader to probe in a visual manner the rich interpretation of the compelling faces of Jesus.

Smith, 2009-09-15 John's gospel does not record Thomas's doubt as later generations of Christians have branded the story Rather John presents Thomas's faith In this work Robert H. Smith approaches Thomas as one who believes in the reality of incarnation God has a body Too often Smith argues Christians read John's gospel for its lyrical discourses The resulting portrait of Jesus is a cross less Christ a portrait that contributes powerfully to Christian triumphalism In contrast Smith finds that the evangelist always has the cross in view Smith reads John backwards through the eyes of Thomas In so doing he demonstrates the centrality of a wounded Lord in the theology of the gospel But this book does not end with hermeneutics Smith advances his discussion into the life of discipleship Anyone dwelling in Christ's body will be similarly marked What does it mean to live in the world as the marked body of Christ Everyone who poses the question will want to read this book Martha E.
