Original God- Part I - I have met, 14-18 yr Journey Dr. Mukesh Chauhan, 2022-05-15
This book is a biography of my life. The difficulties and obstacles experienced in my 14-18 yr Journey from the pinnacle of my clinical career and status in London in UK, USA, and Europe with multiple degrees and striving for the fourth degree in the field of implant surgery and bone grafting. I was reduced to zero and begging conditions in three countries. I was deliberately destroyed. My fault was to help make a Temple in Mauritius for a Priestess. After 14 difficult years, I met God and Creator. The book explains about life and death, secrets about what happens to human beings after death, what happens to many souls after physical premature and untimely deaths, how sinister techniques are employed to destroy people and kill people without leaving any trace of evidence. The invisible enemies form the secret world of spirits and black magic. The real-life road traffic accidents were too many. Yoga and meditation was my forte. Mystery of God revealed conspiracy. I was subjected to Pyramids at the back of USA Dollar bill and Paradise explained soul power versus kundalini energies and 3rd eye. The epic Journey has more twists and turns than you will find in Hollywood or Bollywood films. The end result is author discovering or meeting both Creator and God, and his fight continued to reveal the truth to masses, which is completely covered up. Do remember there are many new things which can be added to what I have learned after 2009 yr when this book was written. Any interested reader can write to me or contact me for further information.
