Walk through the Bible with Me: A Practical Devotion

Michael Slaughter,2016-11-04 I have heard many people say I read my Bible but I just don t get anything out of it So I decided to share my Bible journal with my church in the hope that they would read through the Bible with me In the process I shared a lot of life and admittedly plenty of funny stories about my life and experiences I had to include them because I didn t want this to be purely an academic exercise I wanted it to be a practical devotion that touches real life While they were reading through with me many of them told me that I needed to get it published That s why it s sitting on the shelves today There are plenty of ways to read through the Bible I started out reading cover to cover for years From there I moved to a Chronological Bible plan Then one day a pastor friend of mine gave me a Life Journal It takes you through the Old Testament once and the New Testament twice throughout the year I like this plan because every day you get some of the New Testament Even if you don t decide to read this plan or my book please choose to read through the Bible some way God s Word in your life is what I pray for you Christian Advocate ,1919 **Parents Raising Children** United States.
