Through These Eyes Clark Lord,2024-11-21 In June of 2010 Clark Lord was in a car accident which shifted the direction of all things most notably his brain and spine Many of his abilities were either drastically altered or rendered to ashes Writing however remained intact and through the wisdom of the cosmos even improved Upon that discovery and with the knowledge that many around him no longer had the ability to tell their story Clark set forth on the mission to tell the tale of progress from that fateful day up until the present This is a story of making the impossible routine This is also a story of making the routine impossible This is a story of the unexpected leading to a place of no expectations

This is the story of going from the forgotten to the unforgettable A story of having to lose it all in order to find it A story of beating the odds to betting on myself This is a story This could be your story This is my story **Life's Bye-ways, and what I Found in Them. Being Narratives from Real Life, Etc** A. Fergusson,1863 *Sonnets, triumphs, and other poems now first completely* Francesco Petrarca,1859 **The Sonnets, Triumphs, and Other Poems** Francesco Petrarca,1879

Stories of Life and Death Juan Ramón Jiménez,2000-07-24 Over one hundred vignettes in *Stories of Life and Death* create haunting images of the author's favorite subjects women in love children coping with tragedy eccentrics the emotions of compassion bitterness envy and longing Meet Mercedita Saro the shy perfectly groomed beggar child of the local drunk whom Jimenez loves protects and treats with sweets forbidden by her father And Max the blue child a West Indian boy traveling on the same ship as Jimenez to live with relatives in South America who covered his black face with white powder to look whiter to my brothers See a woman in love white tender bray submissive delicate and the tiny ray of sun awakening a baby which has opened in his eyes a magic and flowery garden that holds him bewitched Feel sadness at the death of a village girl empathy for the mother of a sailor lost at sea and compassion for an angry man who gets drunk for the first time The author creates an impressionistic landscape with subtle nuances of light and shadow leaving tantalizing ambiguities to be resolved only in the eye of the beholder As might be assumed from the title bestowed on this work Jimenez's prose and poetical observations of the world around him previously encountered in *Platero and I* take on a somewhat darker more transcendent hue in this further collection Gone is the unifying theme of itinerant man and donkey and the physical boundaries of time and space Here Jimenez allows his poetic vision to sweep far and wide distilling and concentrating his art into thumbnail sketches of such disparate characters among many are a beggar girl a grape harvester an elderly canary and even the moon itself Prefaced by a scholarly introduction from the translator this is a fine and sensitive translation which captures gloriously the sheer lyrical beauty of Jimenez's writing *British Bulletin of Publications* **The Curse of 1977** Shawn A. Jenkins,2019-05-10 It's five months later What evil awaits those who dared to survive The summer of 1977 is a tumultuous period for all of America but in the town of Cypress Ohio in the midst of a heatwave no less both tumult and evil will become the best bed mates The ungodly events that took place months earlier with Isaac and his case of lycanthropy still casts a dark shadow upon the town and those who remain Add to the fact that two unannounced visitors both of whom happened to share Isaac's curse have entered the town with a few days to kill This is far from over No one is safe Everyone is fresh prey Whoever imagined that a curse could ever hurt so bad *Makin' it* Cynthia Mercati,1988 We also meet Monica too innocent to know when a cruel practical joke is being played on her And Libby the girl who tries to keep her intellectual bent a secret afraid no one will like a smart girl And the rich kid who finds out his money will buy neither real friendship or loyalty Yet for all their travails these kids come to understand their own inner difficulties and how truly they are all the same searching both to understand and accept themselves as they strive to make it through four years of high school At the heart

of Makin It are a number of monologues in which characters step out of the action to address their thoughts to the audience
