**James L. Gitter**

## **Lifegivers Framing The Birthparent Experience In Open Adoption:**

Lifegivers James L. Gritter, 2000 In this book open adoption practitioner Jim Gritter examines all the ways in which birthparents are marginalized He provides a glimpse of birthparents emotional roller coaster ride as they struggle with grief ambivalence and regret Most importantly he makes the case that if adoption exists to benefit children then adopted children are best served when birthparents and adoptive parents work together

**The Open-Hearted Way to Open Adoption** Lori Holden, 2013-03-28 Prior to 1990 fewer than five percent of domestic infant adoptions were open In 2012 ninety percent or more of adoption agencies are recommending open adoption Yet these agencies do not often or adequately prepare either adopting parents or birth parents for the road ahead of them The adult parties in open adoptions are left floundering There are many resources on why to do open adoption but what about how Open adoption isn't just something parents do when they exchange photos send emails share a visit It's a lifestyle that may feel intrusive at times be difficult or inconvenient at other times Tensions can arise even in the best of circumstances But knowing how to handle these situations and how to continue to make arrangements work for the child involved is paramount This book offers readers the tools and the insight to do just that It covers common open adoption situations and how real families have navigated typical issues successfully Like all useful parenting books it provides parents with the tools to come to answers on their own and answers questions that might not yet have come up Through their own stories and those of other families of open adoption Lori and Crystal review the secrets to success the pitfalls and challenges the joys and triumphs By putting the adopted child at the center families can come to enjoy the benefits of open adoption and mitigate the challenges that may arise More than a how to this book shares a mindset a heartset that can be learned and internalized so parents can choose to act out of love and honesty throughout their child's growing up years helping that child to grow up whole

Open Adoption and Diverse Families Abbie E. Goldberg, 2019 This book explores the reality of what it's like to live adoption and open adoption specifically Most people know very little about how contemporary US adoptions work and this book draws back the curtain to reveal the vulnerabilities strengths challenges and daily struggles and triumphs of adoptive families today It does not shy away from tough subjects like birth parents mental illness and racial differences between adoptive parents and their children It aims to trace the challenging decisions and dynamics that adoptive parents sign up for when they pursue open adoption It also aims to illuminate the unique benefits and joys of open adoption

**Making Room in Our Hearts** Micky Duxbury, 2007-05-07 Adopted persons face challenges their entire lives as they struggle to answer the most basic question Who am I The hope of open adoption is that adopted children will develop stronger identities if they have the opportunity to develop healthy ongoing relationships with their families of origin Making Room in Our Hearts offers an intimate look at how these relationships evolve over time with real life stories from families who have experienced open adoption first hand This book helps both adoptive and birth parents address their fears and concerns while offering them the support to put the child's

psychological and spiritual needs at the center of adoption Based on interviews with more than one hundred adopted children birth and adoptive parents extended families professionals and experts the book is an effective and invaluable resource for those considering open adoption those experiencing it and professionals in the field Openness has altered the landscape of adoption and Making Room in Our Hearts will help us catch up to the reality that is open adoption today

*Hospitious Adoption* James L. Gritter, 2009 Jim Gritter's third book for CWLA examines the next step after open adoption Building on his previous books which promote the inclusion of birthparents Gritter takes the approach that practicing goodwill respect and courage within the realm of adoption makes the process move smoother and enriches children's lives

Seven Core Issues in Adoption and Permanency Sharon Roszia, Allison Davis Maxon, 2019-07-18 Based on a hugely successful US model the Seven Core Issues in Adoption is the first conceptual framework of its kind to offer a unifying lens that was inclusive of all individuals touched by the adoption experience The Seven Core Issues are Loss Rejection Shame Guilt Grief Identity Intimacy and Mastery Control The book expands the model to be inclusive of adoption and all forms of permanency adoption foster care kinship care donor insemination and surrogacy Attachment and trauma are integrated with the Seven Core Issues model to address and normalize the additional tasks individuals and families will encounter The book views the Seven Core Issues from a range of perspectives including multi racial LGBTQ Hispanic Asian Native American African American International openness search and reunion and others This essential guide introduces each Core Issue its impact on individuals offering techniques for growth and healing

*Adoption* Barbara A. Moe, 2007-03-29 This compilation of the best thinking about adoption by both historical and current authorities reveals a vital ever changing practice affecting the lives of millions of people around the globe The ancient practice of adoption has changed significantly through history In colonial America parents adopted out their unwanted children those who were rude stubborn and unruly to other families Today Americans go abroad looking for children to adopt and have adopted more than a quarter million internationally

*Adoption A Reference Handbook Second Edition* not only traces the development of expert thinking about adoption it also looks at both sides of the latest controversial issues Should adoptions be open or closed Should the government regulate adoptions more closely or less This updated second edition offers an international perspective with a new chapter on how countries outside the United States provide adoption services This work is an indispensable resource for those thinking about adoption or researching its history

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2005-09-14 This up to date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act ASFA of 1997 The text serves as a single source reference for a wide array of professionals who work in children youth and family services in the United States policymakers social workers psychologists educators attorneys guardians ad litem and family court judges and as a text for students of child welfare practice and policy Features include Organized around ASFA's guiding principles of well being safety and permanency Focus on evidence based

best practices Case examples integrated throughout First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services risk and resilience in child development engaging families connecting families with public and community resources health and mental health care needs of children and adolescents domestic violence substance abuse in the family family preservation services family support services and the integration of family centered practices in child welfare gay and lesbian adolescents and their families children with disabilities and runaway and homeless youth The contributors also explore issues pertaining to foster care and adoption including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients A review of salient systemic issues in the field of children youth and family services completes this collection

**A Sealed and Secret Kinship** Judith S. Modell, Judith Schachter, 2002 Adoption is a controversial subject in the United States particularly in the last 30 years Why that is and how public attention affects the decisions made by those who arrange legalise and experience adoption forms the subject of this book

*Secrets to Your Successful Domestic Adoption* Jennifer Joyce Pedley, 2010-11 Offers strategies people may use to simplify the process of open domestic adoption explains why it can be preferable to deal directly with an expectant mother and discusses legal considerations

**Living Through Loss** Nancy R. Hooyman, Betty J. Kramer, Sara Sanders, 2021-08-31 Living Through Loss provides a foundational identification of the many ways in which people experience loss over the life course from childhood to old age It examines the interventions most effective at each phase of life combining theory sound clinical practice and empirical research with insights emerging from powerful accounts of personal experience The authors emphasize that loss and grief are universal yet highly individualized Loss comes in many forms and can include not only a loved one's death but also divorce adoption living with chronic illness caregiving retirement and relocation or being abused assaulted or otherwise traumatized They approach the topic from the perspective of the resilience model which acknowledges people's capacity to find meaning in their losses and integrate grief into their lives The book explores the varying roles of age race culture sexual orientation gender and spirituality in responses to loss Presenting a variety of models approaches and resources Living Through Loss offers invaluable lessons that can be applied in any practice setting by a wide range of human service and health care professionals This second edition features new and expanded content on diversity and trauma including discussions of gun violence police brutality suicide and an added focus on systemic racism

*Bad Mothers: Regulations, Represetatives and Resistance* Hughes Michelle Miller, 2017-03-01 While the image or construct of the good mother has been the focus of many research projects the bad mother as a discursive construct and also mothers who do bad things as complicated agentic social actors have been quite neglected despite the prevalence of the image of the bad mother across late modern societies The few researchers who address this powerful social image point out that bad mothers are culturally identified by what they do yet they are also socially recognized by who they are Mothers

become potentially bad when they behave or express opinions that diverge from or challenge social or gender norms or when they deviate from mainstream white middle class heterosexual nondisabled normativity When suspected of being bad mothers women are surveilled and may be disciplined punished or otherwise excluded by various official agents i e legal medical and welfare institutions as well as by their relatives friends and communities Too often women are judged and punished without clear evidence that they are neglecting or abusing their children Frequently they are blamed for the marginal sociocultural context in which they are mothering This anthology presents empirical theoretical and creative works that address the construct of the bad mother and the lived realities of mothers labeled as bad Throughout the volume the editors consider voices and acts of resistance to bad mother constructions demonstrating that mothers across time and across domains have individually and collectively taken a stand against this destructive label

**The Cruellest Con** Kelly Kiser-Mostrom, 2005-04 The Cruellest Con is a unique book in many ways it is deeply personal emotionally powerful and contains important lessons for everyone in the adoption community We all should read it and learn from it so that adoption can truly be the rewarding ethical process that it should be Adam Pertman author of Adoption Nation and executive director of the Evan B Donaldson Adoption Institute For nearly three years author Kelly Kiser Mostrom endured the nightmare of an adoption scam Through her heart wrenching personal journey in The Cruellest Con Kiser Mostrom focuses on the changing and often frightening world of adoption She exposes the treachery behind adoption facilitator Sonya Furlow who exploited and defrauded forty four adoptive parents of over 215 000 shattering their most basic dream in life to have a family Kiser Mostrom points out the chilling truth about adoption laws in the United States Facilitators are unregulated and laws vary from state to state leaving the adoption world wide open for many kinds of criminal activities and baby buying Through Kiser Mostrom s personal testament you ll be able to form a foundation for a positive adoption journey Kiser Mostrom focuses on these key points Detect red flags when dealing with an intermediary Learn how to cope with grief as a victim of adoption fraud Learn how and when to report suspected fraud Follow guidelines to obtain an adoption professional Find adoption resources Gain a new perspective on the positives and negatives of adoption Don t let fraud and deception destroy your adoption dreams Let The Cruellest Con guide you through the adoption process

**Wells Conference on Adoption Law**, 2007

**Adoption** Roman Espejo, 2002 Debates issues concerning the adoption of children presenting arguments both in favor of and against adopting

**Journeys After Adoption** Jayne E. Schooler, Betsie L. Norris, 2002-07-30 What can we learn about the experience of adoption from those who have taken that journey How can those touched by adoption navigate successfully through the issues of search reunion and aftermath Will those answers have a positive impact on adoption today Drawing upon the experiences of dozens of triad members adopted persons birth parents and adoptive parents the authors offer insight into the concerns issues joys and pain experienced by those whose lives are framed by adoption The book explores such questions as How do I make the decision to search for my parents How do I prepare emotionally What are my adoptive

parents feeling and thinking What if I am rejected encounter death or reach a dead end How do I develop a relationship with siblings I ve never known The authors deal sensitively with these and many other issues Attention is also given to the needs and concerns of adoptive parents as their children grow into adults Practical advice helps prepare triad members to deal emotionally and psychologically with the process of search and reunion *CWLA Standards of Excellence for Services to Strengthen and Preserve Families with Children* Child Welfare League of America,2003 **Making Room in Our Hearts** Micky Duxbury,2007-05-07 Adopted persons face challenges their entire lives as they struggle to answer the most basic question Who am I The hope of open adoption is that adopted children will develop stronger identities if they have the opportunity to develop healthy ongoing relationships with their families of origin Making Room in Our Hearts offers an intimate look at how these relationships evolve over time with real life stories from families who have experienced open adoption first hand This book helps both adoptive and birth parents address their fears and concerns while offering them the support to put the child s psychological and spiritual needs at the center of adoption Based on interviews with more than one hundred adopted children birth and adoptive parents extended families professionals and experts the book is an effective and invaluable resource for those considering open adoption those experiencing it and professionals in the field Openness has altered the landscape of adoption and Making Room in Our Hearts will help us catch up to the reality that is open adoption today *American Book Publishing Record* R.R. Bowker Company,1978 **Subject Guide to Books in Print** ,1971

## Decoding **Lifegivers Framing The Birthparent Experience In Open Adoption**: Revealing the Captivating Potential of Verbal Expression
