Building Your Life on the principles of God: The Solid foundation Anthony Bright Atwam, 2014 Lord please continue to have mercy on humanity You have made provisions for everything we need in this world and the world to come Yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin In this book the author's main argument is that God in his unfailing love for humanity has already provided what people are frantically seeking in life What people need to do is to turn to the Holy Scriptures for guidance This book can be of such help You see when life is calm our foundations don't seem to matter But when crisis comes our foundations are tested In this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation Jesus describes God's principles as a solid foundation for people to build their lives on We are strangers in this world therefore we need someone who knows the journey of life to guide us God is the creator of this world and He alone knows the in and out of this

world His principles provide guidance for a perfect life The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways although they could not succeed For example these people could not provide the society with any viable alternative guiding principles on how people should live their lives This has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure Because of this suppression of God's word there seems to be famine in our society famine of truth famine of the word of God There is also darkness in our society many people are confused and some do not know what to do with their lives But the word of God is light it gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems Sometimes life is easier and beautiful if you know what to do in any situation you find yourself Many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest As you read this book know that I am praying for you for all these blessings in Jesus name amen Anthony Bright Atwam

According to scripture the church is the salt and the light of this world But the church seems to have locked the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam [Hugs Daily Inspirations for Grandmas](#) Howard Books,2013-01-15

Dead Or Alive? Daniel Clark, 2007 Christians claim that Jesus of Nazareth rose bodily from the grave three days after being brutally executed If that claim isn't true Jesus was nothing more than a good man and the whole of the Christian faith collapses in a pile of dust But what if it is true Daniel Clark shows how Jesus' resurrection is the key which unlocks answers to some of life's biggest questions Is there anybody out there Why is there so much suffering in the world Does life have a meaning or purpose Using real life stories of those who have come to believe in Jesus' resurrection he explores the evidence so that we can make our own informed conclusion If Jesus is alive rather than dead then another altogether more startling question emerges **Walking with God through Pain and Suffering** Timothy Keller, 2013-10-01 New York Times bestselling author of *The Prodigal Prophet* Timothy Keller whose books have sold millions of copies to both religious and secular readers explores one of the most difficult questions we must answer in our lives Why is there pain and suffering *Walking with God through Pain and Suffering* is the definitive Christian book on why bad things happen and how we should respond to them The question of why there is pain and suffering in the world has confounded every generation yet there has not been a major book from a Christian perspective exploring why they exist for many years The two classics in this area are *When Bad Things Happen to Good People* by Rabbi Harold S. Kushner which was published more than thirty years ago and C. S. Lewis's *The Problem of Pain* published more than seventy years ago The great secular book on the subject Elisabeth Kubler-Ross's *On Death and Dying* was first published in 1969 It's time for a new understanding and perspective and who better to tackle this complex subject than Timothy Keller As the pastor of Redeemer Presbyterian Church in Manhattan Timothy Keller is known for the unique insights he shares and his series of books has guided countless readers in their spiritual journeys *Walking with God through Pain and Suffering* will bring a much needed fresh viewpoint on this important issue
