The Last Train from Elkland Doug McGuinn, 2007-01-01 Not only is THE LAST TRAIN FROM ELKLAND a brief history of four northwestern North Carolina mountain communities it is also about two railroads that operated in and around these communities the Virginia Carolina also known as the Virginia Creeper in 1916 the Virginia Carolina Railway was bought by the Norfolk Western Railway and renamed the Abingdon Branch and the Deep Gap Tie and Lumber Company's railroad whose former Hassinger Lumber Company's Shay logging locomotive operated alongside Gap Creek from Deep Gap in Watauga County North Carolina to the South Fork of the New River near Fleetwood in Ashe County North Carolina a distance of only about five miles Although these communities were located in North Carolina they all had a common tie in with the neighboring state of Virginia the trains of the two railroads hauled logs that had been felled in the area surrounding the four communities timber destined to be cut at the Hassinger Lumber Company's sawmill in Konnarock Virginia By the time the blades went silent on Christmas Eve 1928 almost 400 million board feet of the area's best hardwood had passed through the Hassinger Lumber Company's sawmill How much did this unchecked logging contribute to the immense damage done to the area by the disastrous floods of 1916 and 1940 This question is also explored in this book **Disraeli,**

Break in the Chain—Intelligence Ignored W. R. Baker, 2021-07-31 A riveting combination of war memoir and analysis providing valuable insights into the role of military intelligence in Vietnam International Journal of Intelligence and Counterintelligence For the first two weeks of the Easter Offensive of 1972 the 571st Military Intelligence Detachment provided the only pertinent collateral intelligence available to American forces Twice daily the Detachment provided intelligence to the USS Buchanan DDG 14 US Navy SEALs and Special Forces units including tactical and strategic forecasts of enemy movements information that was otherwise unavailable to U S units and advisors in country Bob Baker was an intelligence analyst who was there In the weeks before the offensive vital agent reports and verbal warnings by the 571st MI Detachment had been ignored by all the major commands they were only heeded and then only very reluctantly once the offensive began This refusal to listen to the intelligence explains why no Army or USMC organizations were on call to recover prisoners discovered or U S personnel downed behind enemy lines as in the BAT 21 incident as the last two Combat Recon Platoons in Vietnam had been disbanded six weeks before the offensive began The lessons and experiences of Operation Lam Son 719 in the previous year were ignored especially with regard to the NVA's tactical use of tanks and artillery In his memoir Baker the only trained military intelligence analyst with the 571st MI Detachment in 1972 reveals these and other heroics and blunders during a key moment in the Vietnam War

Men and World Service, 1916 **The Story of France** Thomas Edward Watson, 1902 **A Short History of Parthia** George Rawlinson, 2018-03-04 The Parthians do not appear in history until a comparatively recent period Their name occurs nowhere in the Old Testament Scriptures They obtain no mention in the Zendavesta The Assyrian Inscriptions are wholly silent concerning them It is not until the time of Darius Hystaspis that we have trustworthy evidence of their existence as a distinct people In the inscriptions of this king we find their country included under the name of Parthva or Parthwa among the provinces of the Persian Empire joined in two

places with Sarangia Aria Chorasmia Bactria and Sogdiana and in a third with these same countries and Sagartia We find moreover an account of a rebellion in which the Parthians took part In the troubles which broke out upon the death of the Pseudo Smerdis B C 521 Parthia revolted in conjunction as it would seem with Hyrcania espousing the cause of that Median pretender who declaring himself a descendant of the old Median monarchs set himself up as a rival to Darius Hytaspes the father of Darius held at this time the Parthian satrapy In two battles within the limits of his province he defeated the rebels who must have brought into the field a considerable force since in one of the two engagements they lost in killed and prisoners between 10 000 and 11 000 men After their second defeat the Parthians made their submission and once more acknowledged Darius for their sovereign

German Literature in the Age of Globalisation Stuart Taberner,2004-11-01 Literary fiction in Germany has long been a medium for contemplation of the nation and questions of national identity From the mid 1990s in the wake of heated debates on the future direction of culture politics and society in a more normal united country German literature has become increasingly diverse and seemingly disparate at the one extreme it represents the attempt to reinvent German traditions at the other the unmistakable influence of Anglo American forms and pop literature A shared concern of almost all of recent German fiction however is the contemporary debate on globalisation its nature impact and consequences for local culture In its engagement with globalisation the literature of the Berlin Republic continues the long established practice of reflection on what it is to be German This book investigates literary responses to the phenomenon of globalisation The subject is approached from a wide range of thematic and theoretical perspectives in twelve chapters which taken together also provide an overview of German fiction from the mid 1990s to the present The book serves both as an introduction to contemporary German literature for university students of German and as a resource for scholars interested in culture and society in the Berlin Republic
