

LOST *in the* Victory

Reflections of American War Orphans of World War II

Collected by
Susan Johnson Hadler
and Ann Bennett Mix

Edited by
Calvin L. Christman

What an absorbing book. I'm struck by the thought that the cost of victory is never fully paid, that the gods of war keep demanding further tribute. All the participants in the Second World War, whether as winners or losers, will continue to pay well into the 21st century. I think this is especially true of those who were born during the war in which their fathers lost their lives. [The authors] have done a good and lasting thing bringing together some of America's war orphans.
