Lost Millions Sins Past:

Are You Going to Heaven? George Lappe,2010-06-29 In simple easy to understand everyday language this book contains a collection of letters articles and testimonies that the author has written over the past twenty five years to relatives friends and acquaintances It has told them in various ways what God says in His Holy Word the Bible about what a person must do in order to know beyond the shadow of a doubt that whenever they leave this world they will definitely go to heaven It answers the last question Where will you spend eternity You can know for sure *Of Sin and Blot* Dorothy Lee,2005-03 Louise is the central character in *Of Sin and Blot* A small town girl from a poor family Louise makes good again and again mostly through marriage For one reason or another her husbands don't last long Lou is a good husband who may not be what he appears to be Her second husband Jonathon is a fun guy who is less holy than his reputation Bill is a decent man who receives one more punch than he can roll with Over the years Louise retains a group of friends and relatives who support her help her and hurt her Together they seem doomed to destroy one another Of the cast three end up dead one a result of murder No one in this book is very good but Louise may be the best of the bunch The eternal optimist she's always sure she'll land on her feet Most of the time she does The author who has only written gentle books about good people kicks over the traces this time This is a shades of gray book which will keep the reader wondering who is good and who is bad or who is bad and who is worse

None Without Sin Michael Bradley,2022-08-02 Everyone has secrets Some of them may kill you When a Delaware real estate mogul is murdered newspaper journalist Brian Wilder wants the scoop on the killing including the meaning behind the mysterious loaf of bread left with the corpse Reverend Candice Miller called to minister to the grieving family quickly realizes that the killer has adopted the symbolism of sin eating a Victorian era religious ritual as a calling card Is it the work of a religious fanatic set to punish people for their missteps or something even more sinister As more victims fall Brian and Candice follow a trail of deceit and blackmail hoping to discover the identity of the killer and praying that their own sins won't catch the killer's attention

and leaders who are charged with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God s Word still has the power to transform ordinary believers into disciples who can turn the world upside down **Good Words for 1863** ,1863 **Gospel Outlines** Witness Lee,1980 **Human Frailties** Ronald J. Burke,Suzy Fox,2016-05-13 Every day we hear stories about the consequences of human frailties for individuals their families and friends and their organizations Some of these stories are about alcohol and drug addiction and other harmful lifestyle choices but human frailty also leads to all kinds of unethical and illegal behaviour Individuals are convicted of bribery and corruption price fixing theft and fraud sexual harassment and abuse of authority Politicians fiddle their expenses sports people cheat and fix matches and school and university students and teachers cheat to enhance exam results Studies have shown that business students cheat more than others and efforts to teach ethical behaviour in business schools make little difference The media who bring us stories of others frailties themselves engage in unethical and illegal conduct in pursuit of an edge over their rivals The contributions to this latest addition to Gower s Psychological and Behavioural Aspects of Risk Series place the spotlight on individuals their behavioural choices and the consequences that follow for theirs and others lives and careers The conclusion is that people do have choices and options and that whilst there are no easy or quick fixes in addressing self limiting behaviours successful avoidance of the worst outcomes can be achieved This book provides guidance on the practical steps that need to be taken in order to gain a sense of proportion of what is important and of how we are doing if we are to address our frailties and stop making unethical choices [The Flaming Sword](#) ,1901 *Practical Theology* Peter Kreeft,2014-10-17 Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing In this book Kreeft brings together 358 useful everyday insights from Aquinas masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God
