Loud Larry Goes Fishing:

Destinies Terminated Orlando Fernandez, 2008-11 These short stories surfaced within my head each time I had the occasion to read published reports of a parent or parents who happened to slaughter his her or their offspring It seemed as if every time one turned on the television picked up a newspaper or magazine the one story to catch one s attention was about the death of an innocent child at the hand of a parent Each time I wondered as to who that child would have been or what he or she could have accomplished It saddened me to think that a human life had just been extinguished without having been given a chance to excel in life The more I read or heard the more I pondered the idea of giving each child his or her chance to show what he or she would have been I purposely chose to portray the positive possibilities and decided not to dwell on the things that could be construed as negative Each child s short lived beginning was already too short and too negative I hope that these short stories bring to light and instill in all who read them what a great loss a child s passing is for all of us The world may never know what each child s contribution to humanity would have been or what ailments and human ills they would have eradicated It is with hope that this book may even though fictional somehow bestow credence to their brief lives

Revenge of the Trout Zombies Bruce Cochran, 2014-07-12 All day you drift through some of the most beautiful scenery in the world yet you see it not writes Bruce Cochran The majestic bluffs the soaring bald eagle the snow capped mountains all go unnoticed because your world consists only of your strike indicator You stare at it hypnotized as it floats in the current carrying with it all your hopes your dreams and yes your humanity You have ceased to function as a living person Yes you have become a TROUT ZOMBIE In this his seventh book Cochran uses hilarious words and cartoons to expose the follies and foibles of fly fishing All elements of this hugely popular sport are lampooned including the equipment the characters the flies even the clothing Rule 1 No more pink shirts And yes they re PINK Not coral or salmon If you want to betaken seriously stop buying your clothes at Victoria s Secret
