A Better Man Louise Penny, 2019-08-27 A Better Man with its mix of meteorological suspense psychological insight and criminal pursuit is arguably the best book yet in an outstanding original oeuvre Tom Nolan The Wall Street Journal Enchanting one of his most ennobling missions Marilyn Stasio New York Times Book Review Catastrophic spring flooding blistering attacks in the media and a mysterious disappearance greet Chief Inspector Armand Gamache as he returns to the S ret du Qu bec in the latest novel by 1 New York Times bestselling author Louise Penny It's Gamache's first day back as head of the homicide department a job he temporarily shares with his previous second in command Jean Guy Beauvoir Flood waters are rising across the province In the middle of the turmoil a father approaches Gamache pleading for help in finding his daughter As crisis piles upon crisis Gamache tries to hold off the encroaching chaos and realizes the search for Vivienne Godin should be abandoned But with a daughter of his own he finds himself developing a profound and perhaps unwise empathy for her distraught father Increasingly hounded by the question how would you feel he resumes the search As the rivers rise and the social media onslaught against Gamache becomes crueler a body is discovered And in the tumult mistakes are made In the next novel in this constantly surprising series that deepens and darkens as it evolves New York Times Book Review Gamache must face a horrific possibility and a burning question What would you do if your child's killer walked free

been delusional But what if Gamache begins to ask himself she was perfectly sane When a body is found the terms of the bizarre will suddenly seem less peculiar and far more menacing But it isn't the only menace Gamache is facing The investigation into what happened six months ago the events that led to his suspension has dragged on into the dead of winter And while most of the opioids he allowed to slip through his hands in order to bring down the cartels have been retrieved there is one devastating exception Enough narcotic to kill thousands has disappeared into inner city Montreal With the deadly drug about to hit the streets Gamache races for answers As he uses increasingly audacious even desperate measures to retrieve the drug Armand Gamache begins to see his own blind spots And the terrible things hiding there **Louise**
