The Trouble With Jesus Constance Hastings,2024-07-23 For 2000 years Jesus has been both decried and leveraged His story set in a context so contrary yet strangely similar to today serves as both a troubling and affirming testament to the quest for a meaningful life purpose Many know of Jesus but perhaps not his complete story Regardless of belief Jesus signifies trouble in the context of his time and for those grappling with his teachings today Using elements of drama The Trouble with Jesus demonstrates why both believers and skeptics are unsettled and provoked by the one who claimed to be the Son of God Jesus championed the marginalized challenged wealth and power dynamics and upended conventional wisdom through his parables He defied the status quo and faced betrayal by corrupt religious and political authorities His greatest trouble was being crucified and his subsequent resurrection defeating death ushering in a new era and inspiring a new way of being In an edgy voice recognized by those wrestling with such existential questions whether one has never been to church or has been estranged from it or once thought they knew him The Trouble with Jesus confronts concepts of one of the most controversial figures whoever existed and the revolution he began

All That I Am, I Think! Peter Britt,2007-07-26 I attempted in my book to relay who I am through my writing and expressing my innermost feelings in regards to many different aspects of life Not life as some might try to reveal its secrets but life as what it is As merely a man who thinks and loves A man who hurts and laughs and

sings to the world to give of who he is in the hopes that some may understand what his words mean what he truly is inside To be known for who I truly am Yes it is that important No different from my music It was necessary to say it and for all to hear What I see every day what I feel To love and to be loved love is everything These things and more I poured of myself into my book to reveal myself fully to you To allow you to see what I feel in regards to many things and to possibly agree or to at least think about what you've read To do this to me is true success To make even a small difference **Harmonizing Prosperity**

Beyond Mars and Venus John Gray, 2017-01-24 The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, *Men Are from Mars, Women Are from Venus* revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do too. It's time to move beyond Mars and Venus toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought role-mate relationships based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a soul-mate relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In *Beyond Mars and Venus*, Gray teaches you how to strengthen your bond and grow in love together so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership. **The Social Life of**
