Hunters of the Gods, Volume 2 [hunters of the Gods 5 DIXIE LYNN. DWYER, 2018-04-05 Hunters of the Gods 5 The Countdown Siren Menage Everlasting Erotic Fantasy Menage a Quatre Paranormal Romance shape shifter vampires werewolves M F M M HEA Alusia was on a mission of revenge when fate stepped in revealing her mates as well as redirecting her destiny The powers of the gods are strong just as they have been revealed to her friends but finally she is seeing the purpose to her life and all she has to offer with the powers hidden within Finding her mates and securing the bond helps Alusia to find her way as a warrior as a witch as a wolf and as a woman destined for greatness Her battle is a dangerous one but ultimately it will prepare her for the war she will embark on alongside friends that have become her family Hunters of the Gods 6 Were Power United Siren Menage Everlasting Erotic Fantasy Menage a Quatre Paranormal Romance shape shifter vampires werewolves M F M M HEA Loki does not have any special powers but instead a heart so big and a personality so large she gains the love and respect of many That capability could mean the difference between living and dying when the battle against a demon comes to fruition When Kurtis Konan and Miller avoid making their mating to Loki official because of battles and responsibilities it takes nearly losing her for them to see how important she really is Loki second guesses the power of the mating bond and wonders if she is good enough to be the mate of Alphas The better choice would be for them to take the Alpha of the pack as their mate and not a regular wolf like Loki Loki is willing to sacrifice her love for such a strategic move to protect the packs When push comes to shove and an evil spell nearly has them cheating on her the choice to follow her heart the were laws and what the gods intend becomes questionable until her mates come to their senses and make it known she is theirs for eternity Of course it isn't that easy with a witch and a sorcerer casting their spells of black magic or a demon set on taking Loki as a trophy even if his plan fails A Siren Erotic Romance
