Love Sex And Your Heart:

Love, Sex, and Your Heart Alexander Lowen, 2013-01-16 Love Sex and Your Heart elucidates how emotional life and physical being are one mutually reflective as two sides of a coin Emotional life is tied to physical being and physical health is dependent on emotional well being Alexander Lowen's insight into these powerful connections offers an innovative approach to cardiovascular health and the treatment of heart disease Lowen examines the feeling of love as a physiological process in the body When this process is frustrated as in the case of heartbreak or isolation especially during childhood people suppress their pain by unconsciously rigidifying their chest muscles This results in a chronic restriction of breathing movement and feeling It is this tension that limits pleasure and predisposes so many to heart disease This book features the principles and therapeutic techniques to help people understand their fear of love release chronic muscular tension and become more loving It is essential reading for health professionals and anyone interested in the health of the heart *Her Healthy Heart*

Linda Ojeda, Ph.D., 1998-08-14 More women between the ages of 44 and 65 die of heart disease than from all types of cancer combined *Her Healthy Heart* provides detailed information on how women can reduce their risk of heart disease by making changes in diet increasing physical activity and managing stress *Only Love Can Break Your Heart* David

Samuels, 2012-03-12 Writing for Harper's Magazine and The New Yorker over the last decade David Samuels has penned a disillusioned love song to the often amusing and sometimes fatal American habit of self delusion reporting from a landscape peopled by salesmen dreamers radical environmentalists suburban hip hop stars demolition experts aging baseball legends billionaire crackpots and dog track bettors whose heartbreaking failures and occasional successes are illuminated by flashes of anger and humor Including profiles of disillusioned Pacific Northwest radicals and Nevada nuclear test site workers alongside coverage of Pentagon press conferences and the Super Bowl in Detroit *Only Love Can Break Your Heart* proves Samuels to be a wonderful inheritor of the great journalistic tradition established by Gay Talese Tom Wolfe and Joan Didion in the 1960s This first collection of his painstakingly reported and wildly inventive writing reveals the full spectrum of his talents as well as an unusual sensitivity to both the tragic and comic dissonances bubbling up from the gap between the American promise of endless nirvana and the lives of ordinary citizens who struggle to live out their dreams **Love Magic:**

Love, Sex, and Romance Sergio Garcia, 2003-02 We spend so much time worrying about the little things in life money objects bills insignificant things really We give these things much more importance than they deserve because these things are so truly trivial when compared to the significant things in life like love health family and friends We allow these trivial things to constantly overwhelm us and worry us sick We always wish for the future as opposed to rejoicing in the present and appreciating life for what it truly is a gift an opportunity to love and to be loved and by doing so opening our eyes to a truly beautiful reality a reality we fail to see without love We fail to see the true beauty of life the beauty of a brand new morning the beauty of a butterfly resting in a rose or the sweet melodies the

bird sing Instead we focus on the petty things and by so doing we keep ourselves from achieving the true happiness we seek Time and time again I have encountered unhappiness in life and particularly in relationships People do not understand why their relationships are not going in the right direction People wonder why they are not as happy as they wish they could be and usually the reason for this is not an insurmountable one This unhappiness is mostly caused by a lack of communication lack of trust lack of honesty lack of attention or understanding Sometimes a combination of these prevents us from achieving true happiness but they can be overcome and with my help and your willingness to change you will achieve just that These problems unfortunately are very common but there is a solution a simple solution I want to share with you I want to change the status quo by providing you with the tools you will need to overcome these problems I want to provide you with the tools you need to more successfully approach your love interest to better deal with your significant other and to even improve your marriage and everyday life I will show you how to communicate appreciate and better understand your partner above all I will help you love again The reason behind this book being written is the beautiful feeling one feels as soon as one falls in love a feeling that should never disappear It should evolve and become more objective but no less beautiful the flame of love should never vanish The honeymoon period whether you are married or have just entered into your first relationship should not fade and pass it should just transform and it can It will require a little effort and awareness of each other's preferences but remember all worthwhile endeavors do The origin of this book then rests in the predominant lack of understanding between the sexes in the predominant complaint My boyfriend pays more attention to his car than to me as well as My wife is always nagging no matter what I do she's never happy The origin of this book is due to the strong belief that I can change that that I can provide you the reader with a happy medium I strongly believe that I can show you how to meet halfway and become a happier person and a happier couple in the process I believe that I can help change those statements to something more positive I believe I can change those statements to something like my boyfriend enjoys spending time working on his car but he loves me I'm the most important thing in his life or my wife is the greatest she knows how much I love her and she knows any opportunity I get I want to be with her because I'm the most important person in her life Maybe you noticed the use of thing and person and that is a purposeful mistake as you will soon learn

practices and material realities which mold particular formations of teenage masculinities and femininities This book will be of interest to academics undergraduates postgraduates and researchers in sociology HIV health and gender studies development and postcolonial studies and African studies **The Mirror of Relationship , Love , Sex , and Chastity** J Krishnamurti,2012-08-08 Krishnamurti stressed that relationship is the mirror in which we see ourselves as we are Topics discussed include the nature of image making pleasure and desire sex chastity marriage and love When sexual feeling is born out of pleasure it is lust If it is born out of love it is not lust even though great delight may then be present 25 Questions You're Afraid to Ask About Love, Sex, and Intimacy Juli Slattery,2015-09-22 Is _____ ok in the bedroom If I m single how far is too far How do I get past my shame Whether you are married or single having great sex or no sex your sexuality is inseparable from your spirituality Sadly most churches are silent on the subject Dr Juli Slattery is breaking the silence In 25 Questions You re Afraid to Ask about Love Sex and Intimacy she tackles the most common and critical questions women ask her about sexuality like What if I don t like sex Can I be single and sexual Is masturbation a sin How do I make time to make love What if I want sex more than my husband does Candid wise and practically minded Dr Slattery addresses matters like sexual abuse pornography betrayal in marriage intimacy in the bedroom singleness and more calling women to think biblically about all areas of their sexuality Find answers to your questions liberation from your fears and freedom to explore God s good gifts of love sex and intimacy *Love, Sex, and Lasting Relationships* Chip Ingram,2014-12-30 God wants his children to have a lasting relationship and great sex the results of a deep meaningful love that is rooted in commitment Now updated and with a fresh new cover Love Sex and Lasting Relationships helps readers walk a path to true love that is more fulfilling than they ever imagined There s a better way to find love stay in love and grow in intimacy for a lifetime says Chip Ingram It s God s way Whether single or married happy or searching for hope readers will discover that by following God s prescription they can create a love that lasts **LoveSex** Cabby Laffy,2018-05-08 This book looks at how our brains minds bodies and emotions interact to create our experience of sexuality and how we can create a sense of sexual self esteem and a nutritious sexual diet for ourselves As the author notes in her Introduction we think and talk about sex as something we do rather than sexuality being something that we have and being sexual as something that we are We talk little about feeling sexual or the emotional and relational reasons for sexual desire about the fact that it is usually an other that we want to be sexual with Our focus seems to be on how much sex we can have rather than how we want to express ourselves sexually This book challenges the cultural commodification of sex and sexuality and encourages the reader to experience being sexual rather than doing sex or looking sexy This is crucial to our development of sexual self esteem particularly in an era of ubiquitous online pornography Love, Sex, and Relationships Ronald A Hagen,2001 Renowned Sex make you feel good more motivated more alive and have more self esteem
