Eustace Chesser

Love Without Fear How To Achieve Sex Happiness In Marriage:

Love Without Fear Eustace Chesser, 1947 Teaching America about Sex M. E. Melody, Linda M. Peterson, 1999-05

This witty and provocative study of sex and marriage manuals reveals the patterns of permissiveness and prohibition and tellingly the mechanisms of suasion and enforcement from sermons and hellfire to mutilation and electroshock that have informed popular sex education over the past hundred and twenty years From the roaring 20s to the 1960s sexual revolution and after Teaching America about Sex reveals that even as sexual behavior changed during periods of upheaval the prescriptive literature on sex has remained traditional at its core promoting primarily sex within marriage for the purpose of reproduction Sexual Behavior in the Human Female Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H.

Gebhard, 1998-05-22 The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history The New York Times Originally published in 1953 the material presented in Sexual Behavior in the Human Female was derived from personal interviews with nearly 6 000 women from studies in sexual anatomy physiology psychology and endocrinology The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age decade of birth and religious adherence are reflected in patterns of sexual behavior The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews.com *Love in the Time of Algorithms* Dan Slater, 2013-01-24 If online dating can blunt the emotional pain of separation if adults can afford to be increasingly demanding about what they want from a relationship the effect of online dating seems positive But what if it is also the case that the prospect of finding an ever more compatible mate with the click of a mouse means a future of relationship instability a paradox of choice that keeps us chasing the illusive bunny around the dating track It is the mother of all search problems how to find a spouse a mate a date The escalating marriage age and declining marriage rate mean we are spending a greater portion of our lives unattached searching for love well into our thirties and forties It is no wonder that a third of America's 90 million singles are turning to dating Web sites Once considered the realm of the lonely and desperate sites like eHarmony Match OkCupid and Plenty of Fish have been embraced by pretty much every demographic Thanks to the increasingly efficient algorithms that power these sites dating has been transformed from a daunting transaction based on scarcity to one in which the possibilities are almost endless Now anyone young old straight gay and even married can search for exactly what they want connect with more people and get more information about those people than ever before As journalist Dan Slater shows online dating is changing society in more profound ways than we

imagine He explores how these new technologies by altering our perception of what's possible are reconditioning our feelings about commitment and challenging the traditional paradigm of adult life Like the sexual revolution of the 1960s and 70s the digital revolution is forcing us to ask new questions about what constitutes normal Why should we settle for someone who falls short of our expectations if there are thousands of other options just a click away Can commitment thrive in a world of unlimited choice Can chemistry really be quantified by math geeks As one of Slater's subjects wonders What's the etiquette here Blending history psychology and interviews with site creators and users Slater takes readers behind the scenes of a fascinating business Dating sites capitalize on our quest for love but how do their creators' ideas about profits morality and the nature of desire shape the virtual worlds they've created for us Should we trust an industry whose revenue model benefits from our avoiding monogamy Documenting the untold story of the online dating industry's rise from ignominy to ubiquity beginning with its early days as computer dating at Harvard in 1965 Slater offers a lively entertaining and thought provoking account of how we have for better and worse embraced technology in the most intimate aspect of our lives

Love in the Age of Autism Gayle DeLong, Jonathan Rose, Jennifer Rose, 2025-06-10 Gayle DeLong was a well known activist in the autism community the Warrior Mom of two autistic daughters She worked closely with Robert F Kennedy Jr on vaccine injury issues This book is a record based largely on her diaries of her happy marriage to Jonathan Rose Love in the Age of Autism does not sugarcoat the stresses and heartbreak of raising autistic children it is more honest about that than most other books on the subject But it is also an inspiring love story which can help autism parents find profound joys in spite of all the pains It offers practical advice and models for sharing the burdens and pleasures of life based on a strong sense of family values This book frankly and with an earthy sense of humour illustrates how autism parents can continue to enjoy passionate monogamous physical love and it explains how to provide sex education for autistic girls The tale that Gayle and Jonathan tell is intensely romantic and life affirming

Fallen Bodies Dyan Elliott, 1999 Medieval clerics believed that original sin had rendered their fallen bodies vulnerable to corrupting impulses particularly those of a sexual nature They feared that their corporeal frailty left them susceptible to demonic forces bent on penetrating and polluting their bodies and souls Drawing on a variety of canonical and other sources Fallen Bodies examines a wide ranging set of issues generated by fears of pollution sexuality and demonology To maintain their purity celibate clerics combated the stain of nocturnal emissions married clerics expelled their wives onto the streets and out of the historical record an exemplum depicting a married couple having sex in church was told and retold and the specter of the demonic lover further stigmatized women's sexuality Over time the clergy's conceptions of womanhood became radically polarized the Virgin Mary was accorded ever greater honor while real corporeal women were progressively denigrated When church doctrine definitively denied the physicality of demons the female body remained as the prime material presence of sin Dyan Elliott contends that the Western clergy's efforts to contain sexual instincts and often the very thought and image of woman precipitated uncanny returns of

the repressed She shows how this dynamic ultimately resulted in the progressive conflation of the female and the demonic setting the stage for the future persecution of witches Sex and Disability Robert McRuer, Anna Mollow, 2012-01-04 This collection brings together scholars and artists in disability studies sexuality queer theory and feminism to show how much sexuality studies and disability studies have to learn from each other **Impure thoughts** Michael G. Cronin, 2017-10-03 Impure thoughts is the first study of the twentieth century Irish Catholic Bildungsroman This comparative examination of six Irish novelists tracks the historical evolution of a literary genre and its significant role in Irish culture With chapters on James Joyce and Kate O'Brien along with studies of Maura Laverty Patrick Kavanagh Edna O'Brien and John McGahern this book offers a fresh new approach to the study of twentieth century Irish writing and of the twentieth century novel Combining the study of literature and of archival material Impure thoughts also develops a new interpretive framework for studying the history of sexuality in twentieth century Ireland Addressing itself to a wide set of interdisciplinary questions about Irish sexuality modernity and post colonial development as well as Irish literature it will be of interest to students and scholars in various disciplines including literary studies history sociology and gender studies **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 **Psychuous Sex Guaranteed for Life by Using the Advanced Concepts of Romantic Love** Frank R. Wallace, 1976 Professing Selves Afsaneh Najmabadi, 2014-03-14 The Islamic Republic of Iran permits and even partially subsidizes sex reassignment surgery Based on historical and ethnographic research Afsaneh Najmabadi examines what transsexuality means in postrevolutionary Iran **Romantic Longings** Steven Seidman, 1991 Intimate behaviour is today a principal cause of social conflict in the USA Drawing on a range of evidence this study charts the change from a Victorian spiritual ideal of love to efforts by modern reformers to sexualize love **Intimate Matters** John D'Emilio, Estelle B. Freedman, 2012-12-03 Fascinating chart s a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives New York Times Book Review The first full length study of the history of sexuality in America Intimate Matters offers trenchant insights into the sexual behavior of Americans from colonial times to today D'Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights The justice mentioned Intimate Matters specifically in the court s decision Chicago Tribune With comprehensiveness and care D'Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Nation Comprehensive meticulous and intelligent Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences **The Extra Woman** Joanna Scutts, 2017-11-14 From the flapper to The Feminine Mystique a cultural history of single women in the city through the reclaimed life of glamorous guru Marjorie Hillis You ve

met the extra woman she's sophisticated she lives comfortably alone she pursues her passions unabashedly and contrary to society's suspicions she really is happy Despite multiple waves of feminist revolution today's single woman is still mired in judgment or worse pity But for a brief exclamatory period in the late 1930s she was all the rage A delicious cocktail of cultural history and literary biography *The Extra Woman* transports us to the turbulent and transformative years between suffrage and the sixties when thanks to the glamorous grit of one Marjorie Hillis single women boldly claimed and enjoyed their independence Marjorie Hillis pragmatic daughter of a Brooklyn preacher was poised for reinvention when she moved to the big city to start a life of her own Gone were the days of the flirty flapper ladies of Depression era New York embraced a new icon the independent working woman Hillis was already a success at *Vogue* when she published a radical self help book in 1936 *Live Alone and Like It* A Guide for the Extra Woman With Dorothy Parker esque wit she urged spinsters divorcees and old maids to shed derogatory labels and take control of their lives and her philosophy became a phenomenon From the importance of a peignoir to the joy of breakfast in bed alone Hillis's tips made single life desirable and chic In a style as irresistible as Hillis's own Joanna Scutts a leading cultural critic explores the revolutionary years following the *Live Alone* movement when the status of these brazen ladies peaked and then collapsed Other innovative lifestyle gurus set similar trends that celebrated guiltless female independence and pleasure Dorothy Draper's interior design smash *Decorating Is Fun* transformed apartments Irma Rombauer's warm and welcoming recipe book *The Joy of Cooking* reassured the nervous home chef that she too was capable of decadent culinary feats By painting the wider picture Scutts reveals just how influential Hillis's career was spanning decades and numerous best sellers As she refashioned her message with every life experience Hillis proved that guts grace and perseverance would always be in vogue With this vibrant examination of a remarkable life and profound feminist philosophy Joanna Scutts at last reclaims Marjorie Hillis as the original queen of a maligned sisterhood Channeling Hillis's charm *The Extra Woman* is both a brilliant exposé of women who forged their independent paths before the domestic backlash of the 1950s trapped them behind picket fences and an illuminating excursion into the joys of fashion mixology decorating and other manifestations of shameless self love [Saturday Review of Literature](#), 1927 **Oracle at the Supermarket** Steven Starker, 2002-01-01 Oracle carefully explores the dangers and benefits of diet and exercise books sex manuals and self actualization schemes It is a timely and fascinating work and will be of great interest to health care providers and thoughtful consumers Joseph D Matarazzo American Psychological Association **Multiculturalism and the Mouse** Douglas Brode, 2009-01-27 In his latest iconoclastic work Douglas Brode the only academic author scholar who dares to defend Disney entertainment argues that Uncle Walt's output of films television shows theme parks and spin off items promoted diversity decades before such a concept gained popular currency in the 1990s Fully understood It's a Small World one of the most popular attractions at the Disney theme parks encapsulates Disney's prophetic vision of an appealingly varied world each race respecting the uniqueness of all the others while simultaneously celebrating a common human core In this

pioneering volume Brode makes a compelling case that Disney's consistently positive presentation of difference whether it be race gender sexual orientation ideology or spirituality provided the key paradigm for an eventual emergence of multiculturalism in our society Using examples from dozens of films and TV programs Brode demonstrates that Disney entertainment has consistently portrayed Native Americans African Americans women gays individual acceptance of one's sexual orientation and alternatives to Judeo Christian religious values in a highly positive light Assuming a contrarian stance Brode refutes the overwhelming body of serious criticism that dismisses Disney entertainment as racist and sexist Instead he reveals through close textual analysis how Disney introduced audiences to such politically correct principles as mainstream feminism In so doing Brode challenges the popular perception of Disney fare as a bland diet of programming that people around the world either uncritically deem acceptable for their children or angrily revile as reactionary pabulum for the masses Providing a long overdue and thoroughly detailed alternative Brode makes a highly convincing argument that with an unwavering commitment to racial diversity and sexual difference coupled with a vast global popularity Disney entertainment enabled those successive generations of impressionable youth who experienced it to create today's aura of multiculturalism and our politically correct value system

A Million First Dates Dan Slater, 2014-01-28 Previously published in hardcover as *Love in the Time of Algorithms* Once considered the realm of the lonely and desperate sites like eHarmony Match OkCupid and Plenty of Fish have been embraced by pretty much every demographic Dating has been transformed from a daunting transaction based on scarcity to one in which the possibilities are almost endless Now anyone can search for exactly what they want connect with more people and get more information about those people than ever before As journalist Dan Slater shows online dating is changing society in more profound ways than we imagine He explores how these new technologies by altering our perception of what's possible are reconditioning our feelings about commitment and challenging the traditional paradigm of adult life Slater takes readers behind the scenes of a fascinating business Dating sites capitalize on our quest for love but how do their creators' ideas about procreation's morality and the nature of desire shape the virtual worlds they've created for us

Marriages and Families in the 21st Century Tasha R. Howe, 2011-08-29 *Marriages and Families in the 21st Century* provides an in-depth exploration of a traditional field of study using a new and engaging approach The text covers all the important issues including parenting divorce aging families balancing work and family family violence and gender issues using a bioecological framework that takes into account our status as both biological and social beings Using this lens which emphasizes the individual's interactions with a series of larger systemic influences from family peers neighbors and teachers to schools media institutions and culture the book creates a cohesive overview of modern family life and helps students visualize the complex influences affecting all people in families It also examines the state of modern families using a strengths-based approach which allows students to evaluate the health and functioning of a family considering the biological and cultural milieu in which it exists rather than on its observable structure or appearance alone Individual chapters cover

historical and cultural trends and also explore the biological personal and social forces that shape individuals and families Each chapter investigates the wide diversity of human relationships and integrates discussions of ethnicity culture sexual orientation and gender seamlessly into the main narrative In addition the book explores recent research in neuroscience medicine and biopsychology to examine how family relationships are shaped by and also influence individuals biological functioning An accessible writing style coupled with numerous student friendly pedagogical features help readers come to a multi layered understanding of what makes families tick while also challenging them to reevaluate their own assumptions and experiences Key features Uses a bioecological model that takes into account our status as both biological and social beings Employs a strengths based approach that focuses on family processes rather than structure in evaluating families optimal health and happiness Incorporates discussion of neuroscience medicine and biopsychological research throughout Explores a wide diversity of family relationships integrating issues of ethnicity culture sexual orientation and gender Focus on my Family boxes profile real families who wrote essays in their own words about their diverse experiences How Would You Measure That sections emphasize students critical thinking and analysis of research design and conclusions Helps students analyze their own families strengths and attempt to build on those through psychometrically sound self assessments and Building Your Strengths exercises Engaging and accessible writing style incorporates contemporary real world examples with important theory and research Instructor s manual test bank PowerPoint lecture slides and useful web links as well as Student flash cards and self test questions available upon publication at www.wiley.com/go/howe **National Union Catalog, 1982 ,1983**
