Love You More Than You Know Janie Reinart, Mary Anne Mayer, In these personal stories 45 Ohio mothers open their hearts and share what it feels like when your son or daughter leaves home to fight a war Some were stunned to learn one sunny afternoon that their baby had enlisted in the Marines Others had long been familiar with military life But all knew their life had just changed the day their child called and said Mom I m being deployed They discovered the strange mix of pride and fear The anxiety of not knowing exactly where in Iraq or Afghanistan your son is whether your daughter is facing mortar fire or enduring heat and boredom Elation at the arrival of the briefest postcard or email message The daily dread when returning home from work or a trip to the grocery store of seeing a government car in the driveway and two soldiers at the door Any parent who reads these stories will feel their power and will gain a greater understanding of the sacrifice made by parents as well as their children in our military service *What God Said* Neale Donald Walsch, 2013-10-01 God s number one message to the world You ve got me all wrong Inspired by his nine book Conversations with God series many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God s message to us in a more succinct way This concise text details and expands just what we need to know about life and how to live it Bringing his many conversations over the years into sharper focus than ever before Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings To experience life as fallible and human beings open minded open hearted and all embracing and to build on broaden and enrich our Ancient Story But to move forward on this ever expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his Conversations with God but also applying them in the most practical ways And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life Should humanity begin carrying these messages forward starting today we can change the world

Naga Prince's Mate Celia Kyle, 2025-01-01 Some marriages start with a loving I do Theirs starts with a lie When human Kleena is snatched off the streets of Jorvla and thrust into an auction she expects to find herself at the mercy of her buyer not rescued by a Naga prince even if he is a warrior haunted by the ghosts of his own devastating legacy To keep her safe they re forced to pose as newlyweds an impossible feat when they don t even like each other However as days stretch into weeks their forced proximity begins to feel a little less like punishment and a lot more like a blessing Especially when one night changes everything But convinced he s destined to destroy anyone he loves Naga Prince Erhan pushes Kleena away and straight toward the Naga noblewoman who is supposedly Erhan s real fianc e With their love on the line they re both forced to make a choice Will they let the past define them Or find a future together **I Saw Her Standing There** Marie Force, 2014-11-04 There s a budding romance on Butler Mountain but in the hornets nest known as the Abbott family keeping a secret is no easy feat Colton Abbott and Lucy Mulvaney have a secret Colton s nosy siblings have begun to put the pieces together but it s not like Lucy to keep things from those closest to her especially her best friend Cameron who recently

Smith,2022-10-17 The letters of Sgt Percy Smith a World War II soldier and his memories as an aging veteran reveal how military training wartime and occupation brought out strengths vulnerabilities and changing judgments about fellow soldiers military leadership the enemy population and home Capturing the story of a common enlisted man from embarkation to discharge the letters and stories in Mother of the Company Sgt Percy M Smith's World War II Reflections also provide an intimate window conveying his feelings for his wife though tempered in expression as well as subject to censorship The letters add depth to the story of this soldier and they expand the narrative to capture more of the experience of all veterans who felt at risk and needed comfort during and after the war But these letters provide readers with another less expected view into the heart and mind of this member of the World War II generation In contrast with military training masculine expectations and the prejudices of white America at that time the longer later memories of wartime and occupation contain strong instances of comforting and caring that sometimes turn the gender experience of war and male camaraderie on its head In the end if we ask what constitutes a good soldier a good survival and a worthy life the answer for Sgt Percy Smith as suggested by his letters might encompass the greater value of life giving and life fostering instincts as a part of healing the damage left behind by the life taking experience of war Halcyon Cara Arlene Bolton,2021-12-06 In the Belnine System life is peaceful idyllic Life is the same as it was for the past Age Princess Yuelene the oldest child of the King and Queen marries a Military commander Raric Mizel Shortly after a prisoner from the only hard labor camp in the System escapes with disastrous results It is a race against time to stop him With the help of the Hatayan Military they wage an assault on Thozen Orekan and his followers Running out of options Commander General Raric Mizel and Princess Yuelene Verumlen travel to Earth to get help In 2030 the world is voting to create a single government At Pearl Harbor Alessandra Bailey and Marcus Hunter Lieutenants in the United States Coast Guard are recruited to help Yuelene and Raric With the help of a Marine Private an Army Private a Technical Sergeant and a Chief Petty Officer can they stop him in time Songs of the Heart Jon St. John,2018-10-01 I am not a painter or a sculptor but my words share my heart and my soul and my eyes If you think me a love I can write you a song Songs of the Heart is a collection of the results of the mysterious direction my mind can often take and the love that is felt when falling in **Spirit of Love** Sue Langford,2014-02-14 Faith Andrews is trying to make a major life decision Things never had been easy for her First she ends up in a relationship built in hell then she ends up falling for her best friend She never did make the right decision with men Years before Faith had walked away hand in hand with a man she thought was her soul mate This time life

Narcissist in a Man and How I Handled Mental Health Amelia Danieri,2022-06-10 The summary for me writing this book is to learn that brutal name calling and not having the fear put in my head That is what this individual has been trying to do with mind games and head games The hard part for anyone to try and write a book on abuse is fully knowing you have the strength and courage to accept what was done and know none of this was the woman's fault The only thing I can be very open about is never hide who you are as person Never let that type of man make you feel that you can't ever accomplish the dreams you are set out to do The person I am won't ever be the same again And I do know this after the abuse with all the mind games the lies and the holding everything over my head The way it was and the truth to all of this is yes I do know the past ex relationship it did happen to me Everything he put me through and done His job social life and friends I can honestly say I really guess I never knew a true brutal mean He has every one of his friends wrapped his finger a narcissist man My whole purpose for writing this book is not only for me but to open people's eyes and realize any kind of abuse is never ok It doesn't matter what kind it is Don't let drugs become your power and abuse to a woman He never cared
