Fixing Truancy Now Jonathan Shute, Bruce S. Cooper, 2014-09-24 Truancy is a complex issue that continues to plague schools and many blame truancy problems on students parents and socioeconomic factors However truancy is more than juvenile delinquents skipping school to have fun or be with friends In Fixing Truancy Now Inviting Students Back to Class

author Bruce S Cooper posits that truancy is an indication that school curricula and pedagogy are not serving students' needs as well as they should, especially when it comes to ethnic minority students and English language learners. This book explores different types of truancy, major research in the field, and how teachers, school leaders, and students can work together in solving this problem. Ultimately, this book offers hope that teachers, parents, and school leaders can find solutions to this multifaceted problem through collaborative problem solving. The Writers Directory, 2013

Connections: A Lectionary Commentary for Preaching and Worship, 2018-09-11 Designed to empower preachers as they lead their congregations to connect their lives to Scripture, Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. For each worship day within the three-year lectionary cycle, the commentaries in Connections link the individual lection reading with Scripture as a whole, as well as to the larger world. In addition, Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season. Finally, sidebars offer additional connections to Scripture for each Sunday or worship day. This nine-volume series is a practical, constructive, and valuable resource for preachers who seek to help congregations connect more closely with Scripture.
