Love Or Die Christs Wake Up Call To The Church:

Love Or Die Alexander Strauch,2008 *Revelation Realist* Eric V. Cline,2023-02-03 Like the rest of the Bible Revelation is profitable for doctrine reproof correction and instruction for righteousness God s revelation of Jesus is not coded or a maze of literature with secrets for only theologians to decipher The Holy Spirit makes the central message of the Bible available to everyone Revelation uses literary devices within the context of a message to communicate an absolute truth Open this book enter this symbolic but authentic world and be transported by all the visions of Revelation Warning you may be shocked out of spiritual slumber *95 Theses for a New Reformation* Aaron Hebbard,2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White

1-3 John Robert L. Plummer,E. Roderick Elledge,2024-05-01 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text The series makes interpreting any given New Testament book easier especially for those who are hard pressed for time but want to preach or teach with accuracy and authority Each volume begins with a brief introduction to the particular New Testament book a basic outline and a list of recommended commentaries The body is devoted to paragraph by paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study A comprehensive exegetical outline of the New Testament book completes each EGGNT volume **Real Christian** Todd A. Wilson,2014-09-30 The evangelical church is home to many who claim to follow Christ but who show little evidence of a truly transformed life Todd Wilson s Real Christian Bearing the Marks of Authentic Faith biblically defines what it means to be a true Christian calling readers to look at their own lives and diagnose where they aren t living authentically for God With a prophetic voice Wilson looks at how we deceive ourselves into thinking we are really living for God through believing the right things or doing lots of spiritual activities In contrast real Christians are marked by five key qualities broken hearted

joy a humble disposition a readiness to acknowledge sin an ability to live balanced and avoid legalism and a deep spiritual hunger that drives growth All of these qualities culminate in the single defining mark of a real Christian love To help in distinguishing genuine faith from counterfeit spirituality Wilson draws upon the gospels the writings of Paul and the insights of theologian Jonathan Edwards to help readers understand the necessary marks of an authentic transformed life marks that show evidence of a new heart and bear spiritual fruit through the work of the Holy Spirit **A Commentary on**

Luchin,2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I ve been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it s OWN rapture Further Christians are making the same error of judgment pertaining to Christ s Rapture of the Church seeing only one rapture that Israel made concerning Christ s First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one

rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in a four times over repeating order perfectly This co Love: A New Teaching on Love Matthew James Nygren,2008-05-01 All you need is love the Beatles sang but do we really believe that or do we think it is just a nice idea Join me as we learn how the work of love can be a reality every day For every book sold 1 will be donated to One org They work to end poverty Please check out their website and please buy a book About the author Matthew James Nygren is a husband father and constant thinker He graduated with a B S in Religion from Greenville College The Stone-Campbell Movement Leroy Garrett,2002 A Pastor's Story Pastor Dave,2016-01-23 What makes an ordinary man husband coach or restaurant owner suddenly wake up one morning and wonder about God David Stevens was just a regular guy making a living and providing for his wife and family and who loved to spend his weekends with friends having drinks dancing and sleeping in on Sunday morning Dave figured he had plenty of time left to get things right until the night he had the dream that made him realize that his life could end at any moment before he got things right with God Daves search brought him to the realization that his life was not about Dave but it was about God Dave discovered that God had not just a plan for him but a calling on Daves life to go and tell people about the saving grace of Jesus Christ Dave went from just an ordinary man to an extraordinary man of God who preaches and teaches about the salvation we can all receive through Jesus Christ Through the incredible teachings of Christ in the Bible and the testimonies of other godly men Daves life was transformed from a man centered on what the world said was acceptable to a man who desired on what God said was acceptable He met men and women whose lives had been changed because of their interaction with Christ through dreams through life experiences or through the revelation of Christ Pastor Dave as he is now known shares his journey of coming to Christ through his own experience of meeting the Savior As he was mentored by other men of God Pastor Dave began to see the urgent need to share the love mercy and grace of surrendering ones life to Christ and sharing that message with his friends and family and finally to others Minister Bonetta J Hutson **Behold, the Revelation of Jesus Christ** James E. Smith, Ph.D.,2016-12-08 An introduction to the Book of Revelation in the New Testament is followed by a verse by verse

commentary on the biblical text **The Evangelizing Church** Richard H. Bliese, Craig Van Gelder, The Evangelizing Church moves from theory to practice as it relates the theology of evangelism to the life of congregations that are seeking to proclaim the gospel in the emerging postmodern context It provides congregations with perspectives on how to utilize this theology in shaping the practice of evangelism within their church life **A PROPHECY for the UNITED STATES** James Tarter, 2010-04-09 Many Christians have wondered why there is no prophecy about the United States in the Bible because it prophesies much about the world today In this book we can see clearly that God prophesies about the U S in Obadiah as the nation approaches choosing decisively for or against Jesus Obadiah reveals two alternative futures one will be chosen which will also reject the other One future is gross sin and a resulting just judgment of being destroyed forever from being a people The other future is a wonderful transformation of the U S by joining itself to Christ Jesus as one of His national disciples As the Bible shows believers in Jesus within a land prepare or fail to prepare the U S or any nation to make the good choice This book duplicates God s Word to the United States don t buy both God s Just Judgment of a Nation is a less specific picture that comes from a bigger Scripture all 12 Minor Prophets **The Expositor's Bible Commentary - Abridged Edition: Two-Volume Set** Kenneth L. Henry A. Idonije, 2013-11 How much are you worth The answer John 3 16 His thoughts toward you God thinks you are worth the death of his son Uncomfortable Brett McCracken, 2017-09-15 Does your church make you uncomfortable It s easy to dream about the perfect church a church that sings just the right songs set to just the right music before the pastor preaches just the right sermon to a room filled with just the right mix of people who happen to agree with you on just about everything Chances are your church doesn t quite look like that But what if instead of searching for a church that makes us comfortable we learned to love our church even when it s challenging What if some of the discomfort that we often experience is actually good for us This book is a call to embrace the uncomfortable aspects of Christian community whether that means believing difficult truths pursuing difficult holiness or loving difficult people all for
