

Chapter 1

Overview and Guidelines

Introduction

The Health Care Services Policy Manual contains information regarding health services provided to treat an injury or illness causally related to employment for Michigan workers. The billing and payment information contained in this manual is based upon information found in the Health Care Services Rules

The manual is organized as follows:

General Information (Chapters 1-5) outlines the general policies and procedures applicable to all providers and payers.

Coding and Fee Information (Chapters 6-13) contains a chapter for each category of medical service. The policies, procedures and the maximum allowable payment (MAP) are listed in each category of service.

Ancillary Services (Chapter 14) contains coding and payment information for services described with coding from Medicare's National Level II Code book.

Hospital Services (Chapter 15) contains information regarding payment for facility services and the maximum payment ratios for hospitals.

Agency Information (Chapter 16) contains examples of forms and agency contact numbers.

The Health Care Services Manual was designed to be as user friendly as possible. Suggestions for further improvements or to report any possible errors please contact:
