Amazing grace how sweet the sound that saved a wretch like me!

**G** **C** **G** **D** **G**  
I once was lost, but now I'm found, was blind, but now I see.

2. 'Twas grace that taught my heart to fear, and grace my fears relieved;  
How precious did that grace appear the hour I first believed!
3. Through many dangers, toils, and snares, I have already come;  
'Tis grace has brought me safe thus far, and grace will lead me home.
4. The earth shall soon dissolve like snow, the sun forbear to shine;  
But God, who called me here below, will be forever mine.

Beethoven said, "The guitar is a miniature orchestra in itself." Beyond Chord Melody concentrates on the advanced concepts that distinguish the beginning guitarist from someone on the road to mastering this style of playing. Volume 1 prepares you to play the arrangements in Volume 2. It contains 490 examples and exercises along with note by note recordings of all the material that illustrate the concepts used in creating the arrangements. There is an emphasis on how to get a good sound while playing solo. A lot of attention is spent on fingerings. Sometimes unusual fingerings can achieve a musical goal that once seemed unattainable. You will also learn about the great solo guitar players, arrangers and singers as well as cover songs to listen to for inspiration. Volume Two of Beyond Chord Melody adds 36 songs to your repertoire. All these songs are performance ready. They are interesting, challenging and fun to play. They are drawn from Jazz and Swing, Americana, Country and Western, Folk, Blues, Gospel and Spirituals. With Volume Two you gain access to note by note recordings of the thirty six complete song arrangements. This will help you to follow along with the music and they are great to listen to on their own. There is excitement, satisfaction and the pure pleasure of becoming proficient in arranging for and playing solo guitar. Stick with it, it's a worthwhile endeavor.
