

## Study Guide for Gulliver's Travels

*Author:* Jonathan Swift

*Time Period:* 18th Century, Augustan Period (First Edition: 1726)

- Augustan literature is a style of British literature produced during the reigns of Queen Anne, King George I, and George II in the first half of the 18th century and ending in the 1740s, with the deaths of Alexander Pope and Jonathan Swift, in 1744 and 1745, respectively

### *Part I: A Voyage to Lilliput*

#### *Chapter 1*

- Mr. Lemuel Gulliver is the narrator, adventurer and protagonist in the novel.
- The story begins with him recounting his life, beginning with family history.
  - He was born to a poor family in Nottinghamshire, the third of five sons. He is sent to London to be a surgeon's apprentice and learns math and navigation under a man named James Bates. Gulliver hopes to travel. When his apprenticeship ends, he studies physics at Leyden.
- He becomes a surgeon aboard a ship called the Swallow and then settles down in London, where he works as a doctor and marries a woman named Mary Burton.
- When his business begins to fail, he decides to go back to sea aboard a ship called the Antelope, claiming this will be his last voyage.
- In the East Indies, the Antelope encounters a violent storm, killing almost all of the crewmen. Those remaining, including Gulliver, board a small rowboat, but when it capsizes Gulliver loses track of everyone, safely swimming to shore by himself.
- Gulliver lies down on the newfound land and falls asleep. When he wakes, his arms, legs and hair have been tied to the ground with pieces of thread. He can only look up and the sun prevents him from seeing anything.
- When he looks onto his chest, he sees a 6-inch human carrying a bow and arrow. At least 40 other little people climb onto his chest, causing him to shout out of shock. This frightens them causing them to run off of him, but they soon return crying out, "Hekinah Degul."
- Gulliver breaks the thread in an attempt to get loose, but the tiny people (the Lilliputians) shoot their tiny bows and arrows at him. He decides that its safest for him to lie straight until nighttime.
- The little people build a stage next to Gulliver and give a speech in a language he cannot understand.
- When Gulliver indicates that he is hungry and thirsty, they bring him baskets of meat and barrels of wine. Although Gulliver is tempted to pick up the little people and throw them against the ground, he does not since he has promised them goodwill, is grateful for their hospitality and impressed by their bravery.
- An official climbs onto Gulliver and informs him that he will be carried to the capital city. He realizes that there was a sleeping drug put into his wine. Although Gulliver prefers to walk, they do not allow him to. Instead, they bring a frame of wood raised three
