

Activity

Using a shoebox or another small box, make a diorama of one of Gulliver's boxes that he lived or traveled in. Try to make everything to the scale mentioned in this adventure. Don't forget to add Gulliver to the box!

Journal

1. Recall an accident you've had that was not too serious and simply made others laugh. (145)
2. Would you rather be big (as Gulliver was in Part I) or small (as Gulliver was in Part II)? Why?
3. If you were to create a new world, what would it look like? (145) Describe this world and draw a picture!

Class Discussion

Review and be prepared to discuss the following in class.

1. Last week Gulliver was taller than everyone else, and this week he's much smaller! How do you think he felt going from taller to smaller? How would you feel?
2. What different challenges did Gulliver face in this week's reading compared to last?
3. On page 49 Gulliver says, "The more money my master made, the more he wanted." Why is it that often the more a person has of something, the more that person wants? What does God's word say about the desire for money?
4. Gulliver only saved furniture from his box. What souvenirs might have you brought with you when leaving this country?
5. How does the author show clearly Gulliver's small size compared to the others he meets? Did he do the same when Gulliver was larger?
