## **Gun Culture Or Gun Control Firearms And Violence Safety And Society:**

Gun Culture Or Gun Control? Peter Squires, 2000 Annotation Gun Culture or Gun Control presents the first substantial analysis of the social and political reactions to major events relating to gun control Rigorously comparative throughout Peter Squires provides a nonpartisan exploration of the differences between attitudes to firearms and their control in Britain and in the United States

**Gun Culture or Gun Control?** Peter Squires, 2012-12-06 n 1996 the shooting and killing of 16 young children in a Dunblane primary school provoked wide reaching parliamentary reform to British gun laws Within months virtually all privately owned handguns had been outlawed Gun Culture or Gun Control presents the first substantial analysis of the social and political reactions to events in Dunblane and also examines many of the wider issues relating to gun control in the United Kingdom Rigorously comparative throughout Peter Squires provides a non partisan exploration of the differences between attitudes to firearms and their control in Britain and in the United States Amongst the topics the author considers are the social history of firearms on both sides of the atlantic the differing policy directions adopted in Britain and the USA media coverage of the gun question firearms and policing the future of the gun in society

*The Second Amendment and Gun Control* Kevin Yuill, Joe Street, 2017-09-14 The Second Amendment by far the most controversial amendment to the US Constitution will soon celebrate its 225th anniversary Yet despite the amount of ink spilled over this controversy the debate continues on into the 21st century Initially written with a view towards protecting the nascent nation from more powerful enemies and preventing the tyranny experienced during the final years of British rule the Second Amendment has since become central to discussions about the balance between security and freedom It features in election contests and informs cultural discussions about race and gender This book seeks to broaden the discussion It situates discussion about gun controls within contemporary debates about citizenship culture philosophy and foreign policy as well as in the more familiar terrain of politics and history It features experts on the Constitution as well as chapters discussing the symbolic importance of Annie Oakley the role of firearms in race and filmic representations of armed Hispanic girl gangs It asks about the morality of gun controls and of not imposing them The collection presents a balanced view between those who favour more gun controls and those who would prefer fewer of them It is infused with the belief that through honest and open debate the often bitter cultural divide on the Second Amendment can be overcome and real progress made It contains a diverse range of perspectives including uniquely a European perspective on this most American of issues

**Guns in American Society** Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark Guns in American Society provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States Guns in American Society An Encyclopedia of History Politics Culture and the Law is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast

array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective **A Right to Bear Arms?** Jennifer Tucker, Barton C. Hacker, Margaret Vining, 2019-08-20 This collection of essays explores the way history itself has become a contested element within the national legal debate about firearms The debate over the Second Amendment has unveiled new and useful information about the history of guns and their possession and meaning in the United States of America History itself has become contested ground in the debate about firearms and in the interpretation of the Second Amendment to the Constitution of the United States Specifically this collection of essays gives special attention to the important and often overlooked dimension of the applications of history in the law These essays illustrate the complexity of the firearms debate the relation between law and behavior and the role that historical knowledge plays in contemporary debates over law and policy Wide ranging and stimulating The Right to Bear Arms is bound to captivate both historians and casual readers alike

**Gender and Firearms** Peter Squires, 2024-04-01 Private gun ownership for self defense remains a major personal and public issue in the United States driven by concerns about crime vulnerability and a range of ideological factors including race and gender As media attention centres upon the extent to which women are taking up firearms with the gun lobby and firearms manufacturers celebrating the new armed woman and guns being promoted as Rape Prevention Kits this book explores the changing gendered aspects of gun ownership Can ownership of firearms by women be considered as some have claimed the embodiment of what might be termed pioneer feminism as women resist male violence in a dangerous world or are different stories told by the prominence of women in firearms control campaigns or the fact that women remain frequent victims of male gun ownership Analysing representations of the armed woman in firearm and gun lobby marketing and advertising campaigns together with television and popular music forms Gender and Firearms My Body My Choice My Gun examines the directions taken in the public debate on weaponisation in the United States considering the role of women in the politics of gun safety and gun control The book draws on statistical evidence in order to shed light on trends in gun ownership whilst engaging with feminist scholarship on the relationship between gender violence risk and vulnerabilities thus opening up critical new debates surrounding identity performance gender and risk in contemporary societies As such the book will be of likely interest to sociologists and scholars of sociology criminology and cultural and media studies with interests in gender embodiment risk crime and violence **Mass Shootings and Civilian Armament** Alexei

Anisin, 2021-11-18 Mass Shootings and Civilian Armament provides the first comprehensive multi methodological analysis of

the relationship between mass shootings and firearm purchases as proxied by background checks in the US on national level data from 1999 2020 Since 1994 the number of civilian owned firearms in the US has doubled to around 398 million while the population only grew by 70 million On average mass shootings have occurred once every two weeks over the last decade which is a major factor behind why social scientists have started to ask whether mass shootings play a causative role in civilian decisions to purchase guns Utilizing a multi methodological approach featuring quantitative comparative configurational and qualitative methods this book puts forward a theoretical framework and argues that mass shootings do increase civilian armament but that this repetitious effect is historically contingent asymmetric and non linear Particular types of mass shootings are hypothesized to have driven and continue to bring about increased levels of civilian firearm purchases through different pathways and combinations of variables those that feature high fatality counts arise in areas of cultural importance are ideologically motivated First inquiry into background check data 1999 2020 and data on 213 mass shootings and attempted mass shootings is carried out to find out which shootings as well as controls are significantly correlated with background check increases Second the findings are utilized in a theoretically driven comparative configurational assessment to test if the noted theoretical pathways are associated with the outcome of increased post shooting armament Third the empirical analyses are complimented by three case studies the 2011 Gabrielle Giffords shooting illustrative of the high fatality pathway the 2012 Colorado movie theater shooting illustrative of the cultural pathway and the 2015 Charleston Church shooting illustrative of the ideologically driven pathway Interdisciplinary in nature Mass Shootings and Civilian Armament will not only be of great interest to scholars of Criminology but will also speak to sociologists economists public policy scholars political scientists historians as well as cultural studies and American studies scholars

Guns in American Society Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

**Guns and Values** Dylan S. McLean, Anthony K. Fleming, 2023-07-24

The American gun control debate is best understood as a battle in a war over the influence of individualism on American culture politics and policy This book demonstrates that the gun debate is fundamentally about values Specifically it is about what we value most private rights or the public good This helps explain why the technical empirical or legalistic arguments we hear aren't persuasive A review of scholarly literature on both the politics of gun control and American political culture finds an American bias toward an individualism that embraces personal rights We argue that this bias stacks the deck against gun control Interviews we conducted with activists show that support for or opposition to gun control is linked to concern for the public or private good Finally we trace the federal gun control debate in Washington from the 1960s to 2010s to show the ebbs and flows of individualism's influence

*Guns and Contemporary Society* Glenn H. Utter, 2015-12-01 This three volume set examines various approaches to firearms including constitutional and legal issues public health and criminal justice concerns and perspectives on personal safety and self defense Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control In this hard hitting compilation experts delve into various aspects of firearms in America from gun control and gun rights to militia movements to school related shootings and to the recent trends in gun ownership by women Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following a constitutional right a key instrument of self defense a guarantee of political freedoms and as a major factor in crime and personal injury The reference is divided into three volumes The first volume covers firearm history legislation and policy the second volume explores public opinion gun ownership trends international laws and self defense and the third considers popular debates about firearm policy including concealed carry of firearms terrorism and the ownership of firearms background checks for purchasing guns and stand your ground laws The work concludes with an informed debate on gun policy between Richard Feldman president of the Independent Firearm Owners and Paul Helmke former president of the Brady Campaign to Prevent Gun Violence

**Weapons Law in Western Europe, 1550-2020** Gunner Lind, 2024-12-09 This book is a transnational history of European weapons law that utilizes the law and primary sources to trace the development from early portable firearms to modern day weapons Challenging many conventional assumptions this book establishes that weapons control in the current sense is a new phenomenon Control with possession only became dominant between 1918 and 1939 thereby establishing a high degree of uniformity for the first time Weapons law is old in Western Europe but only as a palette of possible solutions Possession control triumphed as a tool against Communist and Fascist attacks on democracy and remained as an instrument against crime and accidents It is argued that previously the laws on possession furthered rather than hindered ownership For centuries governments sought security by encouraging trusted men to arm themselves rather than disarming the suspect Legislators used a range of carrying restrictions sometimes many but mostly few as a tool against armed crime The author examines attitudes and policies towards power law violence social hierarchy national defence and civic freedom This volume

offers historians and social scientists a new perspective on the long term development of Western European states and societies and it will be of value to undergraduate and postgraduate students of history sociology and politics

*Understanding America's Gun Culture* Lisa Fisher, Craig Hovey, 2021-08-20 *Understanding America's Gun Culture* focuses on building understanding of some of the issues associated with U S gun culture and the contemporary debate about the availability and use of guns This edited volume is unique in that it draws on a wide variety of disciplines and presents perspectives on both sides of the debate Contributors hail from the academic disciplines of history social work criminal justice sociology religion and theological ethics as well as policy agencies Some chapters examine the issues social psychologically to help readers better understand dynamics within the debate Others pose important ethical and philosophical questions about gun culture Still others address practical policy solutions for enhancing gun safety and minimizing gun violence even bringing in international perspectives This second edition includes literature published in the last two years and two new chapters one focusing on gender within gun culture and another that features a conversation between the editors and an ethnographic researcher with broad expertise in gun culture and research and policy trends Together the chapters create a thought provoking compilation that offers insightful findings considers theoretical and practical implications and invites further exploration of the topic

*The Right to Bear Arms: History, Controversies, and Its Impact on Society* Pasquale De Marco, 2025-04-25 The Second Amendment to the United States Constitution is a complex and controversial topic This book provides a comprehensive overview of the Second Amendment its history its interpretation by the courts and its impact on American society The book begins by examining the origins of the Second Amendment and the Framers intent in drafting it It then discusses the various ways in which the Supreme Court has interpreted the Second Amendment over the years The book also explores the arguments for and against gun control the role of the Second Amendment in self defense and the relationship between gun ownership and public safety In addition to these legal and policy issues the book also examines the cultural significance of guns in America the role of the media in shaping public opinion on gun control and the impact of technology on gun violence The book concludes with a discussion of the future of gun control in America and the need for a comprehensive approach to addressing gun violence This book is written in a clear and accessible style and is intended for an American audience It is hoped that this book will contribute to a better understanding of the Second Amendment and its role in American society This book is a valuable resource for anyone interested in the Second Amendment gun control or public safety It is also an essential read for anyone who wants to understand the complex and often contentious debate over gun rights in America If you like this book write a review on google books

**Shooters** Abigail A. Kohn, 2004-06-10 Frequenting gun shops and shooting ranges and devoting particular attention to those whose interest in weaponry extends beyond the casual Abigail A Kohn captures in finegrained and often entertaining yet always humane detail how gun owners actually think and feel about their guns Through her conversations

with cowboy action shooters at a regional match sport shooters hunters with shooters of all ages and races we hear of the savage beauty of a beautifully crafted long gun of the powerful historical import owners attach to their guns of the sense of empowerment that comes with shooting skill and the visceral thrill of discharging a dangerous weapon Cutting through the cliches that link gun ownership with violent criminal subcultures and portray shooters as gun nuts or potential terrorists

Kohn provides us with a lively and untainted portrait of American gun enthusiasts **Gun Control in the United States**

Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of Gun Control in the United States A Reference Handbook enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court s ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate **Tales from the Sausage**

**Factory** Daniel L. Feldman, Gerald Benjamin, 2010-09-01 Laws are like sausages Otto von Bismarck is said to have remarked It is better not to see them being made Even among sausage factories New York State s legislature is notoriously dysfunctional but as Tales from the Sausage Factory reminds us this was not always the case Indeed in the early 1980s New York s legislature was a model of professionalism Cowritten by former state legislator Daniel Feldman and political scientist Gerald Benjamin Tales from the Sausage Factory offers an up close look at how law and public policy are made in New York State Drawing on Feldman s experiences as a member of the New York State Assembly from 1981 to 1998 the book focuses on four major battles over public safety policy in the 1980s and 1990s organized crime control the Rockefeller drug laws sex offender notification and gun control Not afraid to name names along the way Feldman and Benjamin show how politics

works in New York State and how major public policy questions are decided both in the legislature and the courts as well as how New York's legislature might rise above its present dysfunction to recover the professionalism it once had. At a time when frustration with state government is at an all time high, *Tales from the Sausage Factory* is a much needed reminder of what we can and should expect from our state legislators. *Contemporary American Politics and Society* Robert Singh, 2003-02-24

For those who still believe that politics is normally naturally about economics, Rob Singh has gathered the evidence and dialed the wake up call. Seven major instances of an ongoing culture war meet a common analytic framework here in a lively and informative fashion. Byron E. Shafer, University of Wisconsin. **Politics of Gun Control** Robert J. Spitzer, 2015-11-17

The new edition of this classic text covers the latest developments in American gun policy including shooting incidents plaguing the American landscape especially Sandy Hook, the Colorado theatre shootings and the tragic death of Trayvon Martin, placing them in context with similar recent events. The incidents described in the book sparked a wave of gun control legislation at local, state and national levels, some of which was successful, some doomed and all controversial. At the national level, President Obama put his political capital on the line to push for new gun control measures, only to see them shot down by Congress. Robert J. Spitzer has long been a recognised authority on gun control and gun policy. His even handed treatment of the issue as both a member of the NRA and the Brady Center continues to compel national and international interest, including interviews by the likes of Terry Gross, Tom Ashbrook and Diane Rehm. This sixth edition of *The Politics of Gun Control* provides the reader with up to date data and coverage of gun ownership, gun deaths, school shootings, border patrols and new topics including social media, stand your ground laws, magazine regulation and shooting related mental health initiatives. **The Politics of Gun Control** Robert J. Spitzer, 2023-08-10

Since its initial publication, this book has become the classic work on every important element of the tumultuous national gun debate in America. This new edition brings together the latest developments and research in gun politics, policy, law, history and criminology to provide a comprehensive and accessible source widely used by scholars, journalists and in classrooms. In this era of polarized politics, this book provides a unique window into how and why that polarization drives our politics. Among the new topics covered in this edition are the Bipartisan Safer Communities Act, new Supreme Court protections for concealed carry permits and the impacts of the COVID-19 pandemic on gun violence and policy. New to the Ninth Edition: Examines current gun control legislation at both state and federal levels, particularly the circumstances that lead to the passage of the Bipartisan Safer Communities Act in 2022. Introduces the new constitutional standards for gun control legislation set by the controversial pro Second Amendment Supreme Court ruling in *New York State Rifle Pistol Association v. Bruen* (2022). Provides expanded and updated consideration on related issues including the rise of gun carry movements on college campuses, attempts to regulate ghost guns, bump stocks and guns with high capacity magazines, 50 caliber sniper rifles and the impacts of the COVID-19 pandemic, the January 6 Capitol Attack and the Black Lives Matter movement on contemporary gun control.

debates Tracks the financial political and legal crises that threaten the dominance of the National Rifle Association and examines the rise of new gun rights groups such as the National Association for Gun Rights Presents new and updated statistical research on gun ownership in America gun related fatalities public opinion support of red flag laws and other gun control measures Incorporates new pedagogical features of chapter summaries and discussion questions into each chapter

**Firearms control** Great Britain: Parliament: House of Commons: Home Affairs Committee,2010-12-20 The Home Affairs Committee reports that well designed legislation which regulates and restricts the legal supply of firearms can help to reduce gun crime The committee recognises that thousands of people use firearms responsibly for recreation and in their work It has no intention of restricting such activity However the committee today concludes that interpreting and applying the current 34 pieces of legislation governing the control of firearms places an onerous burden on the police and on members of the public who wish to abide by the law because it is so complex and confused In particular the committee recommends introducing one licensing system to cover all firearms which require a licence and identifies age restrictions on firearms use as a particular area of uncertainty Although the majority of firearms related crimes are not committed with licensed firearms the committee is also concerned about the use of legally owned weapons in domestic shootings including those related to domestic abuse The Committee has several recommendations including a review of the minimum age limits on the use of firearms and eligibility for firearms certificates recommends tighter restrictions and clearer guidance to the police on the granting of firearms and shotgun licences to individuals who have engaged in criminal activity considering requiring the police to consult the domestic partners of licence applicants in making the decision as to whether to grant a licence suggests that the Government considers requiring advocates raising the fees charged to applicants so that it covers the costs of licensing to ensure that police spending cuts do not jeopardise the rigour of the licensing process Finally the committee was concerned at evidence of the significant criminal threat posed by reactivated and converted firearms in response to tighter regulations on genuine lethal weapons

This is likewise one of the factors by obtaining the soft documents of this **Gun Culture Or Gun Control Firearms And Violence Safety And Society** by online. You might not require more get older to spend to go to the book foundation as well as search for them. In some cases, you likewise get not discover the broadcast Gun Culture Or Gun Control Firearms And Violence Safety And Society that you are looking for. It will completely squander the time.

However below, similar to you visit this web page, it will be for that reason no question simple to acquire as well as download guide Gun Culture Or Gun Control Firearms And Violence Safety And Society

It will not consent many mature as we accustom before. You can attain it while discharge duty something else at home and even in your workplace. hence easy! So, are you question? ## **Gun Culture Or Gun Control Firearms And Violence Safety And Society Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gun Culture Or Gun Control Firearms And Violence Safety And Society free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gun Culture Or Gun Control Firearms And Violence Safety And Society free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface

and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gun Culture Or Gun Control Firearms And Violence Safety And Society free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Gun Culture Or Gun Control Firearms And Violence Safety And Society. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gun Culture Or Gun Control Firearms And Violence Safety And Society any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Gun Culture Or Gun Control Firearms And Violence Safety And Society Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gun Culture Or Gun Control Firearms And Violence Safety And Society is one of the best books in our library for free trial. We provide a copy of Gun Culture Or Gun Control Firearms And Violence Safety And Society in digital format, so the resources that you find are reliable. There are also many eBooks related to Gun Culture Or Gun Control Firearms And Violence Safety And Society. Where to download Gun Culture Or Gun Control Firearms And Violence Safety And Society online for free? Are you looking for Gun Culture Or Gun Control Firearms And Violence Safety And Society PDF? This is definitely going to save you time and cash in
