Gurbani Live From Golden Temple:

Broadcast Journalism Shrivastava, K M, **Regional Language Television in India** Mira K. Desai, 2021-11-21 This book examines the evolution and journey of regional language television channels in India. The first of its kind, it looks at the coverage, uniqueness, ownership, and audiences of regional channels in 14 different languages across India, covering Hindi, Bengali, Marathi, Telugu, Tamil, Urdu, Assamese, Bhojpuri, Gujarati, Kannada, Kashmiri, Odia, Punjabi, and Malayalam. It brings together researchers, scholars, media professionals, and communication teachers to document and reflect on language as the site of culture, politics, market, and social representation. The volume discusses multiple media histories and their interlinkages from a subcontinental perspective by exploring the trajectories of regional language television through geographical boundaries, state language identities, and culture. It offers comparative analyses across regional language television channels and presents interpretive insights on television culture and commerce, contemporary challenges, mass media technology, and future relevance. Rich in empirical data, this book will be an essential read for scholars and researchers of media studies, television studies, communication studies, sociology, political studies, language studies, regional studies, and South Asian studies. It will also be useful to professionals and industry bodies in television media and is broadcasting, journalists, and television channels.

Golden Temple SS Bhatti, 2013 *Golden Temple: Marvel of Sikh Architecture* by Dr SS Bhatti is based on the author's doctoral thesis for his third PhD from Panjab University, Chandigarh. This work on the Golden Temple is the first one of its kind in that it has been done by a professional whose research and creative contribution in the three fields of Architecture, Engineering, and Aesthetics is quite well known. The author has developed a new method of studying historical monuments and of establishing their distinct styles on the basis of illustrated analysis of the three fundamental elements of building design: space, structure, and form. Dr Bhatti has convincingly shown how Sikh Architecture is an independent style of building design which has produced the Golden Temple, Amritsar, a marvel of Sikh Architecture with its characteristic ebullience and aesthetic charm. This book is a definitive work on the theory and practice of building design with a befitting research methodology which should benefit students, teachers, practitioners, and scholars alike worldwide.
