Tobgyal, 2017-07-25 An biography of one of the most outstanding Tibetan Buddhist masters of the twentieth century The foremost torchbearer of the ecumenical Rime movement Jamyang Khyentse Chökyi Lodrö 1893-1959 dedicated his life to the study practice and propagation of all the schools and lineages that are collectively known as Tibetan Buddhism The staggeringly long list of teachings he received and transmitted in turn testifies to the depth of his appreciation of all aspects of the Dharma and the roster of his eminent students reveals how his extraordinary influence transcended sectarian boundaries The first half of this volume presents informal stories by many of Chökyi Lodrö's teachers students friends and

relatives collected by Orgyen Tobgyal Rinpoche and translated here into English for the first time Intimate funny and utterly down to earth these stories supplemented by sixty one photographs paint a tender picture of the man behind the great master introducing readers to the characters and events in his life and especially the challenges he faced living under the Chinese occupation of Tibet The second half comprises an English translation of the spiritual biography or namtar by Dilgo Khyentse one of Ch kyi Lodr s closest and most brilliant students In the process of recounting the life and liberation of his beloved guru Dilgo Khyentse reveals how he saw Ch kyi Lodr as the Buddha in the flesh and provides essentially a blueprint of the entire path to enlightenment *His Holiness The 17th Karmapa Ogyen Trinley Dorje* Tsering Namgyal

Khortsas, 2013-06-01 A fascinating and riveting life sketch of one of the most respected spiritual leaders of our times which also delves deep into the various facets of Buddhism The seventeenth Karmapa Ogyen Trinley Dorje is the leader of the Karma Kagyu School one of the four main schools of Tibetan Buddhism Born in 1985 in eastern Tibet to nomadic parents he was recognized as the reincarnation of the sixteenth Karmapa who passed away in the US in 1981 He became the first Tibetan reincarnation to be recognized by both the Dalai Lama and the Chinese Government The 15 year old monk made headlines when he escaped to India in 2000 Currently living near Dharamshala in Himachal Pradesh India the Karmapa is widely seen as an important spiritual leader of the twenty first century Over the past decade and a half he has grown up into a formidable leader and an impressive orator Behind the facade of scandals and controversies surrounding the Karmapa is an extraordinary young man full of charisma and intelligence Yet few know who the Karmapa is and what he believes in What are his teachings and what is his vision for the world How is he restoring his 900 year old Tibetan Buddhist institution of which he is the head In a unique mixture of biography travelogue and reportage the author brings alive the life of the Karmapa who is grappling with immense challenges to modernize spirituality while keeping its essence alive Here is a timely volume that is highly relevant today given the worldwide attention on the developments in Tibet and its impact on Beijing

**The Life and Visions of Yeshé Tsogyal** The Tertön Drime Kunga, Yeshe Tsogyal, 2017-08-22 This stunning biography reveals the heroic life of Yesh Tsogyal the mother of Buddhism in Tibet and a powerful female role model for spiritual accomplishment and perfection This secret life story of Yesh Tsogyal presents a valuable and unique perspective that is quite a departure from any other account of this remarkable woman Described as a secret life story its many layers include an outer account detailing her birth family and societal constraints an inner account that begins as she meets and escapes captivity with Guru Rinpoche and a secret account as she enters twelve years of retreat at Chimpu only to miraculously journey to Oddiyana The role of women and womanhood is notable throughout her life story Her desire for independence is at odds with her desirability as a woman leading to numerous tragic incidents early in life Finally meeting Guru Rinpoche she decries her status as a woman This sort of gendered humility a recurring theme is juxtaposed with her assertion that despite being a woman and low born skyé ba dman she has a high regard for herself anyway It is a magical woman who guides her to

Oddiyana and her travels there are filled with primarily female companions In the end she remains Guru Rinpoche's primary disciple and doctrinal custodian Her experiences while perhaps intense and fantastical include the same elements of challenge learning and progress that all practitioners must experience During her adventures in Oddiyana Yesh Tsogyal receives the same core teachings on faith impermanence and fortitude that are essential for anyone following this spiritual path This accomplished translation is enriched by the refreshing insights of six contemporary scholars and teachers of Tibetan Buddhism making this invaluable guide to the life of Yesh Tsogyal a treasure for practitioners scholars and anyone intent on the possibility of awakening
