Gustav Mahler Richard Specht:

Gustav Mahler Von Richard Specht. - Primary Source Edition Richard Specht, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification

Gustav Mahler Richard Specht Schuster Genres Classical Music Genres Styles Classical *Gustav Mahler* Richard Specht, 1913

Gustav Mahler Alfred Mathis-Rosenzweig, 2018-05-08 Alfred Mathis Rosenzweig 1897 1948 was a Viennese musicologist and critic who studied at the universities of Budapest and Vienna From 1933 he embarked on producing a large scale study of Mahler but at the time of his death the manuscript was left unfinished Although it was presumed lost until 1997 the unfinished typescript written in German had been deposited in the library of the Guildhall School of Music Drama In 2003 the School's Research Centre commissioned Jeremy Barham to prepare the first published edition of this important work and his annotations and commentary add invaluable material to his translation of this historic document Biographical material is used as a loose framework and platform for Mathis Rosenzweig's profound examination of the environment within which Mahler's earlier music was embedded This is an environment in which Wagner Bruckner and Wolf feature prominently and in which Mahler's music is viewed from the wider perspective of nineteenth century German cultural domination and the subsequent rise of political extremism in the form of Hitlerite fascism

Gustav Mahler: Volume 3. Vienna: Triumph and Disillusion (1904-1907) Henry-Louis de La Grange, 1995 There he also met Alma Schindler the most beautiful woman in Vienna and La Grange tells the story of their engagement and marriage in 1902 and the early years of their tempestuous relationship As his fame spread throughout Europe Mahler travelled with his music to Germany Russia Holland Poland and Belgium meeting many other leading musicians of his day including Pfitzner Mengelberg Diepenbrock Oskar Fried and many others

Gustav Mahler's Symphonic Landscapes Thomas Peattie, 2015-04-06 In this study Thomas Peattie offers a new account of Mahler's symphonies by considering the composer's reinvention of the genre in light of his career as a conductor and more broadly in terms of his sustained engagement with the musical theatrical and aesthetic traditions of the Austrian fin de siècle Drawing on the ideas of landscape mobility and theatricality Peattie creates a richly interdisciplinary framework that reveals the uniqueness of Mahler's symphonic idiom and its radical attitude toward the presentation and ordering of musical events The book goes on to identify a fundamental tension between the music's episodic nature and its often noted narrative impulse and suggests that Mahler's symphonic dramaturgy can be understood as a form of abstract theatre

Song of the Earth Stephen E. Hefling, 2000-05-11 The opening chapter Background Mahler's symphonic worlds before 1908 sets the stage for a study of the work's genesis a summary of the most important critiques of the premiere and a careful reading of this six movement symphony for voices and orchestra An appendix provides an interlinear translation that makes Mahler's superb treatment of texts accessible to readers with little or no knowledge of German Jacket **Gustav Mahler, von Richard Specht** Richard Specht, 1905 The Life of Mahler Peter Franklin, 1997-04-24 In this 1997 biography Peter Franklin re confronts the myth of Mahler and attempts to find the person behind the legends Perspectives on Gustav Mahler Jeremy Barham, 2017-07-05 Gustav Mahler's music continues to enjoy global prominence both in live or recorded performance and within broader ranges of critical perception and cultural sensibility In recognition of such a profile this volume brings together a unique collection of essays exploring the diverse methods and topics characteristic of recent advances in Mahler scholarship The book's international group of contributors is actively involved not only in bringing fresh approaches to Mahler research in areas such as analysis sketch studies and reception history but also in examining hitherto neglected issues of cultural and biographical interpretation performance practice and compositional aesthetic thereby illustrating the developing vitality and scope of this field Engaging with its subject from reconstructive documentary theoretical analytical discursive and interpretative viewpoints this volume provides a wide spectrum of contexts in which continuing debate about Mahler's life and works can flourish Its varied themes and strategies nevertheless collectively recognize and negotiate the shifting space both between the composer's life and his artistic creativity and between the musical results of that creativity and the critical analytical process The essays in this book accordingly fill certain gaps in the scholarly understanding of the composer and re orientate Mahler studies towards some of the central concerns of contemporary musicological thinking **Mahler Remembered** Norman Lebrecht, 2010-08-19 Gustav Mahler is the most influential symphonist of the twentieth century In this pioneering study Norman Lebrecht reveals the man and musician through the words of his contemporaries Using many previously unpublished documents he constructs a profile of Mahler even more complex and compelling than that familiar from his letters and the often unreliable memoirs of his widow Alma Compassionate or callous idealistic or pragmatic Mahler aroused violently contrasting impressions and emotions in those who lived and worked with him Accounts of the composer include the artist Alfred Roller's description of Mahler's naked body a Nazi era reappraisal by one of his closest relatives Natalie Bauer Lechner's unpublished jottings of Mahler's childhood and Stefan Zweig's report of his final voyage Together they form a remarkable and deeply illuminating image of a formidable personality The effect is cumulative sometimes contradictory and vivid like a written version of a radio or film portrait Classical Music Norman Lebrecht's *Mahler Remembered* is quite breathtakingly interesting Birmingham Post *Gustav Mahler* Constantin Floros, 2003-03-01 Amadeus Mahler's 10 symphonies and *Das Lied von der Erde* are intensely personal statements that have touched wide audiences This survey examines each of the works revealing their programmatic and

personal aspects as well as Mahler's musical techniques

Mahler and His World Karen Painter, 2020-09-01 From the composer's lifetime to the present day Gustav Mahler's music has provoked extreme responses from the public and from experts Poised between the Romantic tradition he radically renewed and the austere modernism whose exponents he inspired Mahler was a consummate public persona and yet an impassioned artist who withdrew to his lakeside hut where he composed his vast symphonies and intimate song cycles His advocates have produced countless studies of the composer's life and work But they have focused on analysis internal to the compositions along with their programmatic contexts In this volume musicologists and historians turn outward to examine the broader political social and literary changes reflected in Mahler's music Peter Franklin takes up questions of gender Talia Pecker Berio examines the composer's Jewish identity and Thomas Peattie Charles S Maier and Karen Painter consider respectively contemporary theories of memory the theatricality of Mahler's art and fin de siècle politics and the impinging confrontation with mass society The private world of Gustav Mahler in his songs and late works is explored by leading Austrian musicologist Peter Revers and a German counterpart Camilla Bork and by the American Mahler expert Stephen Hefling Mahler's symphonies challenged Europeans and Americans to experience music in new ways Before his decision to move to the United States the composer knew of the enthusiastic response from America's urban musical audiences Mahler and His World reproduces reviews of these early performances for the first time edited by Zo Lang The Mahler controversy that polarized Austrians and Germans also unfolds through a series of documents heretofore unavailable in English edited by Painter and Bettina Varwig and the terms of the debate are examined by Leon Botstein in the context of the late twentieth century Mahler revival

Gustav Mahler Jens Malte Fischer, 2011-08-09 A best seller when first published in Germany in 2003 Jens Malte Fischer's Gustav Mahler has been lauded by scholars as a landmark work He draws on important primary resources some unavailable to previous biographers and sets in narrative context the extensive correspondence between Mahler and his wife Alma Alma Mahler's diaries and the memoirs of Natalie Bauer Lechner a viola player and close friend of Mahler whose private journals provide insight into the composer's personal and professional lives and his creative process Fischer explores Mahler's early life his relationship to literature his achievements as a conductor in Vienna and New York his unhappy marriage and his work with the Metropolitan Opera and the New York Philharmonic in his later years He also illustrates why Mahler is a prime example of artistic idealism worn down by Austrian anti-Semitism and American commercialism Gustav Mahler is the best sourced and most balanced biography available about the composer a nuanced and intriguing portrait of his dramatic life set against the backdrop of early 20th century America and fin de siècle Europe

Gustav Mahler Richard Specht, 1906 Gustav Mahler von Richard Specht Erste bis vierte auflage Mit 90 bildern

Gustav Mahler: Indices Simon Michael Namenwirth, 1987

The Cambridge Companion to Mahler Jeremy Barham, 2007-12-13 In the years approaching the centenary of Mahler's death this book provides both summation of and starting point for an assessment and reassessment of

the composer's output and creative activity Authored by a collection of leading specialists in Mahler scholarship its opening chapters place the composer in socio political and cultural contexts and discuss his work in light of developments in the aesthetics of musical meaning Part II examines from a variety of analytical interpretative and critical standpoints the complete range of his output from early student works and unfinished fragments to the sketches and performing versions of the Tenth Symphony Part III evaluates Mahler's role as interpreter of his own and other composers works during his lifelong career as operatic and orchestral conductor Part IV addresses Mahler's fluctuating reception history from scholarly journalistic creative public and commercial perspectives with special attention being paid to his compositional legacy

Mahler's Voices Julian Johnson, 2009-04-17 Mahler's Voices brings together a close reading of the renowned composer's music with wide ranging cultural and historical interpretation unique in being a study not of Mahler's works as such but of Mahler's musical style

Mahler and Strauss Charles Youmans, 2016-09-05 A rare case among history's great music contemporaries Gustav Mahler 1860 1911 and Richard Strauss 1864 1949 enjoyed a close friendship until Mahler's death in 1911 Unlike similar musical pairs Bach and Handel Haydn and Mozart Schoenberg and Stravinsky these two composers may have disagreed on the matters of musical taste and social comportment but deeply respected one another's artistic talents freely exchanging advice from the earliest days of professional apprenticeship through the security and aggravations of artistic fame Using a wealth of documentary material this book reconstructs the 24 year relationship between Mahler and Strauss through collage a meaning that arises from fragments to borrow Adorno's characterization of Mahler's Sixth Symphony Fourteen different topics all of central importance to the life and work of the two composers provide distinct vantage points from which to view both the professional and personal relationships Some address musical concerns Wagnerism program music intertextuality and the craft of conducting Others treat the connection of music to related disciplines philosophy literature or to matters relevant to artists in general autobiography irony And the most intimate dimensions of life childhood marriage personal character are the most extensively and colorfully documented offering an abundance of comparative material This integrated look at Mahler and Strauss discloses provocative revelations about the two greatest western composers at the turn of the 20th century

Symphonic Aspirations Karen Painter, 2008-01-15 Can music be political Germans have long claimed the symphony as a pillar of their modern national culture By 1900 the critical discourse on music particularly symphonies rose to such prominence as to command front page news With the embrace of the Great War the humiliation of defeat and the ensuing economic turmoil music evolved from the most abstract to the most political of the arts Even Goebbels saw the symphony as a tool of propaganda More than composers or musicians critics were responsible for this politicization of music aspiring to change how music was heard and understood Once hailed as a source of individual heroism the symphony came to serve a communal vision Karen Painter examines the politicization of musical listening in Germany and Austria showing how nationalism anti-Semitism liberalism and socialism profoundly affected the

experience of serious music Her analysis draws on a vast collection of writings on the symphony particularly those of Mahler and Bruckner to offer compelling evidence that music can and did serve ideological ends She traces changes in critical discourse that reflected but also contributed to the historical conditions of the fin de siècle World War I and the Nazi regime

The Eighth Stephen Johnson, 2020-10-20 This thrilling study of Gustav Mahler's Symphony No 8 makes a strong case for its quality we shall never listen to it in the same way again Guardian UK On September 12 1910 Gustav Mahler's Eighth Symphony had its world premiere at Munich's new Musik Festhalle It was the artistic breakthrough for which the composer had yearned all his life An array of royals and stars from the musical and literary world were in attendance including Thomas Mann and the young Arnold Schoenberg Also present were Alma Mahler the composer's wife and Alma's longtime lover the architect Walter Gropius In *The Eighth* Stephen Johnson provides a masterful account of the symphony's far reaching consequences and its effect on composers conductors and writers of the time *The Eighth* looks behind the scenes at the demanding one week rehearsal period leading up to the premiere something unheard of at the time and provides fascinating insight into Mahler's compositional habits his busy life as a conductor his philosophical and literary interests and his personal and professional relationships Johnson expertly contextualizes Mahler's work among the prevailing attitudes and political climate of his age considering the art science technology and mass entertainment that informed the world in 1910 *The Eighth* is an absorbing history of a musical masterpiece and the troubled man who created it
