Gypsy Phoenix Kimberly Thompson, 2009      **Gypsy Phoenix: A Birthright of Hope** Kimberly Thompson , It was a tiny scrap of paper faded and yellow with answers to my past written all over it Why would she save this We thought you might want to find her one day She sent a message to you she said to tell you that she loves you very much and she didn't want to leave you Growing up with the broiling heat and frequently unpredictable tropical weather of Louisiana was the easy part not knowing who she was or where she came from was the hard part In *Gypsy Phoenix* author Kimberly Thompson recalls her life to date through pain tears and ultimate joy Relinquished at birth Kimberly lived life into her thirties always lacking what she truly wished for answers about her past But afraid of hurting her adoptive parents she waits thirty two years before the embers that have been smoldering within ignite threatening to devour her completely Watch Kimberly's story unfold as she discovers unconditional love and forgiveness which finally offer the freedom to take flight like a Gypsy Phoenix Having spent many years in ignorance of her heritage and without the gospel of truth to guide her life she has finally come full circle to the revelation of who she is and where she began Whether you have experienced adoption personally or just someone you know this powerful story will speak to the lost and encourage those who have questions to continue seeking answers      *Irish Horse* ,1949      **On Cassette** ,1991      **Arts & Humanities Citation Index** ,1980 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals
