W. Tilman, 2004 *Snow on the Equator The Ascent of Nanda Devi When Men Mt Everest Two Mountains China to Chitral and Nepal Himalaya* **Hatshepsut, Queen of Sheba** Emmet Scott, 2012 Over the centuries the figure of the Queen of Sheba has loomed large in poetry and romance The mysterious Queen who is said to have visited Solomon in Jerusalem has cast her spell over poets painters and storytellers of many lands The people of Ethiopia have always claimed her as her own and to this day boast that her son Menelik fruit of the union between the Queen and Solomon stole the Ark of the Covenant from the Temple in Jerusalem after Solomon's death For all that historians have been more sanguine and increasingly over the past century the academic community has veered towards consigning both royal characters to the fairyland of myth and romance In 1952 however Immanuel Velikovsky made an astonishing claim He announced that not only did the Queen of Sheba exist but that she left numerous portraits of herself as well as an account of her famous journey to Israel The Queen of Sheba Velikovsky announced was none other than Hatshepsut the female pharaoh of Egypt who built a beautiful temple outside Thebes on the walls of which she immortalized the most important event of her life an expedition to the Land of Punt Punt said Velikovsky was one and the same as Israel In this volume historian Emmet Scott brings forward dramatic new evidence in support of Velikovsky He finds among other things that Ancient Israel just like Punt was a renowned source of frankincense Egyptian documents generally ignored in academic circles unequivocally place Punt in the region of Syria Palestine The goddess Hathor was known as the Lady of Punt but she was also known as the lady of Byblos The Egyptians claimed to be of Puntite origin but Jewish and Phoenician legends claimed that the Egyptians came from their part of the world and the Phoenicians named Misor almost certainly the same as Osiris as the Phoenician hero who founded the Nile Kingdom This and a wealth of additional evidence has Scott argues shifted the burden of proof onto Velikovsky's critics and the identification of Hatshepsut with the Queen of Sheba will eventually compel the rewriting of all the history books Joyce Tyldesley's *Hatchepsut* deals with the same character but from an entirely conventional viewpoint She never even raises the possibility that the accepted chronology of Hatshepsut's life may be wrong In his *Ages in Chaos* however Immanuel Velikovsky did raise this possibility and was the first to suggest that Hatshepsut be identified with the Queen of Sheba Velikovsky's work remains extremely popular and the present book aims to take his ideas forward exploring new evidence that has come to light since his death This new evidence Scott argues puts the equation of Hatshepsut with the Queen of Sheba virtually beyond doubt *When Men & Mountains Meet* H.W. Tilman, 2016-03-28 We had climbed a mountain and crossed a pass been wet cold hungry frightened and withal happy One more Himalayan season was over It was time to begin thinking of the next Strenuousness is the immortal path sloth is the

way of death First published in 1946 the scope of H W Bill Tilman's When Men and Mountains Meet is broad covering his disastrous expedition to the Assam Himalaya a small exploratory trip into Sikkim and then his wartime heroics In the thirties Assam was largely unknown and unexplored It proved a challenging environment for Tilman's party the jungle leaving the men mosquito bitten and suffering with tropical diseases and thwarting their mountaineering success Sikkim proved altogether more successful Tilman who is once again happy and healthy enjoys some exploratory ice climbing and discovers Abominable Snowman tracks particularly remarkable as the creature appeared to be wearing boots there is no reason why he should not have picked up a discarded pair at the German Base Camp and put them to their obvious use And then in 1939 war breaks out With good humour and characteristic understatement we hear about Tilman's remarkable Second World War After digging gun pits on the Belgian border and in Iraq he was dropped by parachute behind enemy lines to fight alongside Albanian and Italian partisans Tilman was awarded the Distinguished Service Order for his efforts and the keys to the city of Belluno which he helped save from occupation and destruction Tilman's comments on the German approach to Himalayan climbing could equally be applied to his guerrilla warfare ethos They spent a lot of time and money and lost a lot of climbers and porters through bad luck and more often through bad judgement While elsewhere the war machine rumbled on Tilman's war was fast exciting lightweight and foolhardy and makes for gripping reading
