Haciendas De Mexico Great Houses Of Mexico 2015 Square 12x12 Spanish Spanish Edition:

Haciendas Linda Leigh Paul, 2008 *Haciendas* features traditional and modern hacienda architecture in Mexico and southwestern United States. Sumptuous photography portrays the increasing fascination with hacienda architecture today as evidenced by the movement to renovate classic adobe homes, the abundance of new hacienda designs, and the inspiration Spanish colonial architecture provides to homeowners, designers, and architects worldwide. The estate hacienda was traditionally the family home for Spanish nobles in the newly settled Mexican territories and included farmed land, orchards, stables, livestock, and servants. These extraordinary homes, many of which are owned by descendants of the original owners, are being meticulously preserved or carefully transformed into popular inns and tourist attractions. Today the style is influencing residences throughout North America. With more than 250 photographs, Linda Leigh Paul presents the best haciendas representing past and present designs. From large country estates to small adobe hideaways, the rugged beauty, rich color palette, and natural materials of the hacienda are brought to life in a book that is as delightful as a walk through the adobe arches and cool tiled rooms of a Spanish colonial casa.
