

**I**nvest in Apartment Buildings Profit Without The Pitfalls is a no-holds-barred guide to successfully investing in multifamily buildings. This Bradley-Banta compendium includes everything you need to know—the good deals and the “don’t go there” ones, exit strategies—and the fact that you must have more than one repurchasing a property (it’s a lot more than fixing it up, negotiating the best deal (let go of being liked), understanding the real numbers and using them to your advantage, and the often ignored value of building a first-class team.

Theresa Bradley-Banta's Invest In Apartment Buildings features tales from the real estate front line that only Bradley-Banta shares. It fills you in on the so-called “guru mafia”—the pitfalls that occur because investors follow the advice of the “guru” of the moment—and lets you in on every aspect of the deal from start to finish.

**THERESA BRADLEY-BANTA**, a highly successful investor in apartment buildings and multifamily properties across the U.S., shares all that she knows so that readers, like her consulting clients, professionals and beginners alike, become ever more successful investors and increase their cash flow and net worth. The Theresa Bradley-Banta approach to successful investing involves honesty. First, no hype. Second, no-holds-barred when it comes to sharing information that leads to success.
