The Invisible Man starts with a stranger arriving at the town of Iping He's a private guy which is a problem when you live in a town where the major export is gossip The stranger doesn't get along with the villagers especially the people who own the inn where he's staying He spends most of his time trying to do something scientific in his room But eventually after the villagers rightfully accuse him of robbery the stranger snaps He takes off all his clothes and reveals that he's waiting for it invisible The Invisible Man fights the village and flees leaving his important scientific notes behind To get them back he forces a homeless dude named Marvel to help him They go back to Iping and get the Invisible Man's stuff but the villagers attack and craziness ensues The Invisible Man beats them to a pulp and wreaks some major havoc At another town Port Stowe the Invisible Man steals money and drops it into Marvel's pockets Like the lousy sidekick he is Marvel runs away to Burdock money in hand or in pocket we guess The IM tries to kill Marvel but a bunch of people at a bar fight him off

one person even shoots him but it's just a scratch The Invisible Man takes shelter in a house that happens to be owned by an old college friend named Kemp and this is where we learn that our not so hero's name is Griffin While staying in his digs Griffin tells Kemp his back story story which is several chapters long and it is long Here's the gist he was poor and he wanted to study invisibility as most young people do so he stole money from his father who then committed suicide we're not entirely sure why Finally Griffin figured out the invisibility thing and proceeded to do a few things 1 burn down his landlord's building 2 wander around London 3 steal from a department store and 4 put on a ridiculous outfit from a theatrical costume shop and go to Iping to work Turns out Kemp had alerted the police to Griffin's whereabouts when he arrived but when they come to arrest him he escapes Remember he's invisible so it's not too tough Kemp works with the police to catch Griffin who in turn tries to catch Kemp In the end a bunch of people in Burdock gang up on the Invisible Man and kill him As he dies Griffin loses his invisibility and we get our first glimpse of the Visible Man Finally in the epilogue we learn that Marvel still has Griffin's scientific notes which probably have all sorts of cool inventions in them
