 Report* National Endowment for the Humanities,1987 Pop Goes the Decade Ralph G. Giordano,2017-06-05 Covering
 significant historical and cultural moments public figures and celebrities art and entertainment and technology that
 influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the
 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life
 in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the
 threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book
 examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By
 highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time
 The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension
 between established norms of conformity and those figures that used pop culture as a broad avenue for change either
 intentionally or by accident Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1896
