Carl Jung personality and spirituality are interrelated spirituality flowing out of individuality Noting that people differ in fundamental ways even though they possess the same instincts to drive them from within Jung discovered that preference rather than instinct upbringing environment or genetic conditioning is central to personality The task of spirituality then is not to help us achieve correct doctrine or attain saintly status but rather to help us best understand our humanity This endeavor drives *Deeper Splendor* a study of spirituality and personality in modern literature We focus on modern literature rather than on theology philosophy psychology or sociology because as this volume makes clear one of the best resources for studying transformative spirituality is great literature The great power of literature is that it speaks of human action and thought not in the dry matter of fact terms of history ethics psychology or some other science but in ways that are lively uplifting and productive Engaging with great literature is like beginning a love affair Such encounters may appear daunting at first but when you fall in love you want to know everything about the object of your love and every encounter leaves you wanting more When literature enhances spirituality as is true in the dozen or more selections examined in *Deeper Splendor* each literary moment renders us more fully alive Like its companion texts *Wading in Water* and *Deep Splendor* this volume is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

*The New Republic* Herbert David Croly, 1998 **Lord Jim and Nostromo** Joseph Conrad, 2000-11-01 Selected by the Modern Library as two of the 100 best novels of all time Nostromo Originally published in 1904 Nostromo is considered by

many to be Conrad's supreme achievement. Set in the imaginary South American republic of Costaguana, the novel reveals the effects of unbridled greed and imperialist interests on many different lives. Although each character's potential for good is ultimately corrupted, *Nostromo* underscores Conrad's belief in fidelity, moral discipline, and the need for human communion. The author himself described the book as an intense creative effort on what I suppose will remain my largest canvas. Conrad endeavored to create a great massive multiphase symbol that would render his total vision of the world, his sense of individual destiny, his sense of man's place in nature, his sense of history and society. Observed Robert Penn Warren, *Nostromo* is the most strikingly modern of Conrad's novels, said V. S. Pritchett. It is pervaded by a profound even morbid sense of insecurity which is the very spirit of our age. This volume is the companion to the acclaimed multipart series aired on Masterpiece Theatre, *Lord Jim*. *Lord Jim* is a classic story of one man's tragic failure and eventual redemption, told under the circumstances of high adventure at the margins of the known world, which made Conrad's work so immediately popular. But it is also the book in which its author, through a brilliant adaptation of his stylistic apparatus to his obsessive moral, psychological, and political concerns, laid the groundwork for the modern novel as we know it.
