How Healing Past Life Trauma
Can Liberate Your Present

"In a caring yet scientific way, Barbara Stone brings her acute powers of observation to the problem of unhealed trauma. She is unafraid to venture into realms—like past lives and possession—that are at the edges of therapy. Yet in painting the concepts, she presents us with tools to help understand some of the mysteries of why we don't heal, and how we can. This amazing book gives you answers that won't find any other way."
