

The background of the entire image is a dark, textured surface. Overlaid on this are numerous thin, swirling lines in shades of blue and green, creating a sense of movement and depth. In the center, there is a faint, ethereal outline of a human face, looking slightly upwards and to the right. The lines seem to flow around and through the face, giving it a ghostly or 'invisible' appearance.

**Homelessness Among Older Adults in Prague** Marie Vágnerová, Jakub Marek, Ladislav Csémy, 2020-07-01 Following their engaging study Homelessness among Young People in Prague the authors of this book turn their attention to an older population facing the same issue a very different situation since these older adults grew up under a communist regime where an obligation to work was enshrined in law and living on the street could result in a prison sentence Based on three years of research this book

provides a slew of data based statistical insights analyzing the efficacy of relief provided by both the state and nonprofit organizations detailing how the clients of such organizations rate their services to what extent they accept assistance and whether they believe it has helped them More importantly it features extensive interviews with real people making it the first Czech book on this issue to present homelessness from the perspective of those who live with it every day **The Ethics of Homelessness: Philosophical Perspectives**, 2020-01-20 This new and expanded edition of G John M Abbarno s anthology *The Ethics of Homelessness* underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society s materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy *The Routledge Handbook of Homelessness* Joanne Bretherton, Nicholas Pleace, 2023-05-22 The Routledge Handbook of Homelessness brings together many of the world s leading scholars in the field to provide a cutting edge overview of classic and current research and future trends in the subject Comprising 41 chapters and divided into four sections the handbook includes A comprehensive introduction to homelessness referring to history culture causation and definitions Contemporary and historical debates around homelessness in different academic disciplines Homelessness relating to gender sexuality youth families migration rurality veterans and health A range of country specific studies to illustrate the ways in which homelessness is researched and understood around the world Methods of engagement and modes of analysis With contributors from around the world and editors from the Centre of Housing Policy at the University of York this handbook provides a groundbreaking and authoritative guide to theory method and the primary interdisciplinary debates of today on homelessness It will be essential reading for students academics and professionals across the disciplines of sociology human geography public policy housing policy social policy social work economics and criminology *The SAGE Encyclopedia of Criminal Psychology* Robert D. Morgan, 2019-04-25 The SAGE Encyclopedia of Criminal Psychology will be a modern interdisciplinary resource aimed at students and professionals interested in the intersection of psychology e g social forensic clinical criminal justice sociology and criminology The interdisciplinary study of human behavior in legal contexts includes numerous topics on criminal behavior criminal justice policies and legal process crime detection and prevention eyewitness identification prison life offender assessment and rehabilitation risk assessment and management offender mental health community reintegration and juvenile offending The study of these topics has been increasing continually since the late 1800s with people trained in many legal professions such as policing social work law academia mental health and corrections This will be a comprehensive work that will provide the most current empirical information on

those topics of greatest concern to students who desire to work in these fields This encyclopedia is a unique reference work that looks at criminal behavior primarily through a scientific lens With over 500 entries the book brings together top empirically driven researchers and clinicians across multiple fields psychology criminology social work and sociology to explore the field

**Demystifying Power, Crime and Social Harm** David Gordon Scott, Joe Sim, 2023-12-29 This collection revisits Steven Box's book *Power Crime and Mystification* published in 1983 and considers its relevance forty years on It introduces the critical analysis developed by Box which examined corporate crime police crime rape and sexual assault and female crime and analyses the continuities and discontinuities since 1983 in relation to crime the state and the exercise mystification of power The book explores the ways in which we can see his influence nationally and internationally on critical criminological zemiological and abolitionist writings today It asks how can these perspectives be applied to a critical analysis of contemporary state authoritarianism and the criminal injustice that this authoritarianism generates Additionally how can Box's concepts shine a critical light on contemporary social harms that were not covered in the original book The collection provides a toolkit for students and academics to critically analyse the issues around crime social harm power powerlessness truth mystification criminal injustice social justice as well as historical and contemporary sites of resistance confronting the exercise of state power

*Helter-Shelter* Prashan Ranasinghe, 2017-01-01 *Helter Shelter* is an ethnographic account of the manner in which an emergency shelter is governed on a daily basis from the perspective of the personnel who are employed and tasked with providing care Prashan Ranasinghe focuses on how the founding ethos of the shelter an ethic of care is conceptualized and practiced by examining its successes and failures Ranasinghe reveals how this logic is diluted and adulterated because of two other important logics security and legality which working alongside take precedence and trump the import of care The care that is deployed is heavily legalized and securitized and it is also administered inconsistently and idiosyncratically As a result disorder and confusion pervade the shelter *Helter Shelter* offers a unique perspective on the delivery of care and how this laudable intention faces such daunting challenges

*A Complex Exile* Erin Dej, 2020-11-15 Over 235 000 people couch surf stay in emergency shelters or live on the street in Canada every year But lack of housing security is just one barrier faced by people who are homeless As *A Complex Exile* shows the homelessness sector inadvertently reinforces social exclusion as well The very policies practices and funding models that exist to house the homeless promote social inclusion and provide mental health care form a homelessness industrial complex These practices emphasize personal responsibility and individualized responses that ultimately serve to exclude people in subtle and not so subtle ways Erin Dej demonstrates that the causes of and responses to homelessness have become largely medicalized limiting discussion on structural and systemic drivers such as income inequality discrimination and housing affordability *A Complex Exile* goes beyond bio medical and psychological perspectives on homelessness mental illness and addiction to call for a transformation in how we respond to homelessness in Canada

**Becoming Strong** Laura Huey, Ryan

Broll,2018-05-04 Drawing on more than 150 in depth interviews *Becoming Strong Impoverished Women and the Struggle to Overcome Violence* explores the diverse effects of trauma in the lives of homeless female victims of violence Laura Huey and Ryan Broll closely examine the negative patterns common to cases of homeless female victims of violence and develop informed solutions for responding to issues that perpetuate cycles of female homelessness *Becoming Strong* offers not only a comprehensive examination of trauma and the role it can play in shaping homeless women s lives but it also explores how women may recover and develop strategies for coping with traumatic experiences *Coming Out to the Streets* Brandon Andrew Robinson,2020-11-17 Lesbian gay bisexual transgender and queer LGBTQ youth are disproportionately represented in the U S youth homelessness population In *Coming Out to the Streets* Brandon Andrew Robinson examines their lives Based on interviews and ethnographic fieldwork in central Texas *Coming Out to the Streets* looks into the LGBTQ youth s lives before they experience homelessness within their families schools and other institutions and later when they navigate the streets deal with police and access shelters and other services Through this documentation Brandon Andrew Robinson shows how poverty and racial inequality shape the ways that the LGBTQ youth negotiate their gender and sexuality before and while they are experiencing homelessness To address LGBTQ youth homelessness Robinson contends that solutions must move beyond blaming families for rejecting their child In highlighting the voices of the LGBTQ youth Robinson calls for queer and trans liberation through systemic change Issues and Controversies in Policing Today Johnny Nhan,2025-03-18 *Issues and Controversies in Policing Today* by Johnny Nhan is a thought provoking exploration of today s policing challenges It delves into contemporary topics ranging from police misconduct and racial profiling to LGBTQ officers and policing technologies These topics are grounded in theory research and practice This second edition features two new chapters covering 1 the critical shortage of police officers and 2 the conflict and tensions between street cops and management cops Since the first edition the author has undergone the police academy and became a reserve police officer This new and unique perspective going from academic to practitioner adds depth bringing firsthand experience to the discussion and throughout this text Whether you are a student practitioner or curious reader the second edition of *Issues and Controversies in Policing Today* offers valuable insights into the evolving landscape of law enforcement **The Wicked Problems of Police Reform in Canada** Laura Huey,Lorna Ferguson,Jennifer L. Schulenberg,2022-08-12 This book looks at police reform in Canada arguing that no significant and sustainable reform can occur until steps are taken to answer the question of What exactly do we want police to do Adding challenge to this is that setting boundaries on what we expect the police to do requires grappling with the complex social problems we ask them to resolve In public policy language these are wicked problems social or cultural issues frequently seen as intractable Authors Huey Ferguson and Schulenberg all policing scholars draw on a unique collection of data to explore these issues over 20 years of research 2000 2021 ranging from in depth interviews surveys and field observations to document analysis and systematic social observation Pooling this data generates a national

level picture of changes in the policing operational environment over these decades This book focuses on four particular wicked problems mental health substance misuse homelessness missing persons with causes and potential preventative treatments that lie primarily outside the criminal justice system and yet continue to be treated as policing problems Bringing about changes in public policing requires changes in public policy and these are precisely the types of wicked problems that need innovative policy solutions This book is suitable for a wide range of audiences within and outside Canada including law enforcement and community leaders scholars and policy experts who specialize in policing students of criminal justice organizations and management and citizen consumers of information about policing

*Trayvon Martin, Race, and American Justice* Kenneth J. Fasching-Varner, Rema E. Reynolds, Katrice A. Albert, Lori L. Martin, 2014-11-04 Trayvon Martin Race and American Justice Writing Wrong is the first comprehensive text to analyze not only the killing of Trayvon Martin but the implications of this event for the state of race in the United States Bringing together contributions from a variety of disciplines and approaches this text pushes readers to answer the question In the wake of the killing of Trayvon Martin and the acquittal of his killer how post racial can we claim to be This collection of short and powerful chapters is at times angering and at times hopeful but always thought provoking critical and poignant This interdisciplinary volume is well suited for undergraduate and graduate students as well as faculty in sociology social work law communication and education This book can also be read by anyone interested in social justice and equity through the lens of race in the 21st century This text is an invitation to a rebellion the inevitable insurgency of Black youth brewing right now across the land as the descendants of enslaved workers step up to exercise their agency and at that moment become agents of liberty and actors in history William Ayers Distinguished Professor from the University of Illinois Chicago the authors offer incisive and vivid examinations of the contours of white supremacy today inviting readers into a much needed discussion of moral questions surrounding the very foundation life in the U S Christine Sleeter Professor Emerita California State University Monterey Trayvon Martin Race and American Justice Writing Wrong is a powerful assemblage of voices that speak to the salience of race gender and their intersection Collectively the authors provide us with poignant reminders of the multiple forces that rail against Black males in our society Each

chapter grabs our attention ignites our activism and encourages us to remain steadfast in the struggle toward a true democracy for all Americans a society where Black males lives are valued and they no longer face daily threats to their humanity Yolanda Sealey Ruiz Assistant Professor Teachers College Columbia University While motivated by Trayvon Martin's unfortunate and tragic death this impressive collection serves as a one of a kind tribute to Martin and will help to keep his legacy alive The contributions are evocative and accessible and while the focus is on Martin the contributions also call attention to mundane severe and systemic racial wrongdoings biases in existing research colorblindness and white privilege and erasures of history and failures of memory Tony E Adams Professor at Northeastern Illinois University and NCA book award winner The editors and contributors have taken a tragic topic and presented it in a way that is engaging effective and surprisingly optimistic There is a style for everyone here making it a great text for multiple audiences and classrooms A truly superb addition to any classroom and a great read for those interested in social justice in today's world U Melissa Anyiwo Professor and Coordinator of African American Studies Curry College Trayvon Martin Race and American Justice Writing Wrong is true to its title it focuses attention through critical writing on the pernicious pervasive and persistent violence waged against black men especially black male youth in American society Using the still unpunished premeditated murder of Trayvon Martin as a highly emblematic example of this violence the editors and authors use carefully crafted and sequenced poetry and prose to write truth to power about the economic political social and cultural factors that produce and reproduce systemic aggression toward especially men and boys of African descent but also toward members of other societally minoritized groups The breadth and depth of the contributions included in Trayvon Martin Race and American Justice Writing Wrong makes it a particularly valuable resource for faculty and students engaged in teaching learning research service and activism related to issues of race racism blackness whiteness class caste classism language dialect literacy linguisticism geographic and national origin immigration status sex gender gender identity and expression masculinity sexual orientation size appearance and more broadly equity equality and social justice Chapters reflect the thoughtful insight and advanced expertise of their authors who bring increased levels of complexity to historical and contemporary dialogue discussion and debate about especially race and racism in the United States The editors selection of contributors and organization of contributions balances pain truth telling with hope and possibility for a more just future In sum Trayvon Martin Race and American Justice Writing Wrong reciprocally links theory and practice relating to issues of power privilege oppression discrimination and liberation Christine Clark Professor Senior Scholar in Multicultural Education and Founding Vice President for Diversity and Inclusion University of Nevada Las Vegas Chapters in this timely and probing book stare straight at a difficult incident refuse to ignore injustice but call on a higher purpose of great academic criticism in writing the wrong Here the wrong is the corrosive and sometimes lethal bias by many in power toward black males who are too often seen as dangerous and disposable in American society The killing of Trayvon Martin and the subsequent acquittal of his killer

George Zimmerman are examined by minds informed by reflection on theory and history We hear of conversations that black parents particularly mothers who often felt on trial themselves had with their teenage sons Some of these endangered sons were outraged by the act and verdict while some others were indifferent Chapters are devoted to the incident the trial and aftermath and to the future of the struggle against racial injustice Through what T J Yosso calls resistant capital we are urged to continue to interrogate a judicial system that prosecutes not only black males but their parents and families There is much to learn here about the current state of social justice and the way we live with and among each other In both prose and poetry these impassioned authors strive to write the wrong of Trayvon Martin and many others like him I recommend this volume highly and will use it in my graduate classes AG Rud Distinguished Professor College of Education Washington State University Kenneth J Fasching Varner PhD is Shirley B Barton Endowed Assistant Professor of Foundations and Elementary Education and holds a Ph D in Language Literacy and Culture from The Ohio State University Rema E Reynolds PhD is Assistant Professor of Education Policy Organization and Leadership and holds a doctorate in Education from the University of California Los Angeles Katrice A Albert PhD is Vice President for Equity and Diversity and holds a doctorate in Counseling from Auburn University Lori L Martin PhD is Associate Professor of Sociology and African American Studies and holds a doctorate in Sociology from University of Albany State University of New York

**The Relativity of Deviance** John Curra, 2016-01-25 This engaging and informative book by award winning sociologist and criminologist John Curra offers a valuable perspective on attitudes and behaviors labeled as deviant The Relativity of Deviance Fourth Edition explores the meanings and constructions of social deviance and social reactions to it he answers such questions as What is deviance What comprises deviant behavior How are deviants treated How is deviance socially constructed and socially sustained Why is the same attitude behavior or condition praised in one situation and condemned in another Through insightful and thought provoking examples and informed accounts the author illustrates that deviance cannot be explained or understood in terms of absolutes or essential characteristics nor can it be explained or understood apart from its social setting This book approaches sex violence theft drugs suicide rape and mental disorders in a way that shows the critical role of sociocultural factors and social reactions in constructions of deviance and crime

*The Oxford Handbook of Police and Policing* Michael Dean Reisig, Robert J. Kane, 2014 The police are perhaps the most visible representation of government They are charged with what has been characterized as an impossible mandate control and prevent crime keep the peace provide public services and do so within the constraints of democratic principles The police are trusted to use deadly force when it is called for and are allowed access to our homes in cases of emergency In fact police departments are one of the few government agencies that can be mobilized by a simple phone call 24 hours a day 7 days a week They are ubiquitous within our society but their actions are often not well understood
