Oxford Dictionary of National Biography 2005-2008 Lawrence Goldman, 2013-03-07 Who made modern Britain This book drawn from the award winning Oxford Dictionary of National Biography tells the story of our recent past through the lives of those who shaped national life Following on from the Oxford DNB's first supplement volume noteworthy people who died between 2001 and 2004 this new volume offers biographies of more than 850 men and women who left their mark on twentieth and twenty first century Britain and who died in the years 2005 to 2008 Here are the people responsible for major developments in national life from politics the arts business technology and law to military service sport education science and medicine Many are closely connected to specific periods in Britain's recent history From the 1950s the young Harold Pinter or the Yorkshire cricketer Fred Trueman for example From the Sixties the footballer George Best photographer Patrick Lichfield and the Pink Floyd musician Syd Barrett It's hard to look back to the 1970s without thinking of Edward Heath and James Callaghan who led the

country for seven years in that turbulent decade or similarly Freddie Laker pioneer of budget air travel and the comedians Ronnie Barker and Dave Allen who entertained with their sketch shows and sit coms A decade later you probably browsed in Anita Roddick's Body Shop or danced to the music of Factory Records established by the Manchester entrepreneur Tony Wilson In the 1990s you may have hoped that Things can only get better with a New Labour government which included Robin Cook and Mo Mowlam Many in this volume are remembered for lives dedicated to a profession or cause Bill Deedes or Conor Cruise O'Brien in journalism Ned Sherrin in broadcasting or indeed Ted Heath whose political career spanned more than 50 years Others were responsible for discoveries or innovations of lasting legacy and benefit among them the epidemiologist Richard Doll who made the link between smoking and lung cancer Cicely Saunders creator of the hospice movement and Chad Varah founder of the Samaritans With John Profumo who gave his name to a scandal policeman Malcolm Fewtrell who investigated the Great Train Robbery or the Russian dissident Aleksandr Litvinenko who was killed in London in 2006 we have individuals best known for specific moments in our recent past Others are synonymous with popular objects and experiences evocative of recent decades Mastermind with Magnus Magnusson the PG Tips chimpanzees trained by Molly Badham John DeLorean's gull wing car or the new British Library designed by Colin St John Wilson though as rounded and balanced accounts Oxford DNB biographies also set these events in the wider context of a person's life story Authoritative and accessible the biographies in this volume are written by specialist authors many of them leading figures in their field Here you will find Michael Billington on Harold Pinter Michael Crick on George Best Richard Davenport Hines on Anita Roddick Brenda Hale on Rose Heilbron Roy Hattersley on James Callaghan Simon Heffer on John Profumo Douglas Hurd on Edward Heath Alex Jennings on Paul Scofield Hermione Lee on Pat Kavanagh Geoffrey Wheatcroft on Conor Cruise O'Brien and Peregrine Worsthorne on Bill Deedes Many in this volume are naturally household names But a good number are also remembered for lives away from the headlines What in the 1980s became Thatcherism owed much to behind the scenes advice from Ralph Harris and Alfred Sherman children who learned to read with Ladybird Books must thank their creator Douglas Keen while without its first producer Verity Lambert there would have been no Doctor Who Others are ordinary people capable of remarkable acts Take for instance Arthur Bywater who over two days in 1944 cleared thousands of bombs from a Liverpool munitions factory following an explosion only to do the same months later in another factory Awarded the George Cross and the George Medal Bywater remains the only non-combatant to have received Britain's two highest awards for civilian bravery

Whose Book is it Anyway? Janis Jeffries, Sarah Kember, 2019-03-12 *Whose Book is it Anyway* is a provocative collection of essays that opens out the copyright debate to questions of open access ethics and creativity It includes views such as artist's perspectives writer's perspectives feminist and international perspectives that are too often marginalized or elided altogether The diverse range of contributors take various approaches from the scholarly and the essayistic to the graphic to explore the future of publishing based on their experiences as publishers artists writers and

academics Considering issues such as intellectual property copyright and comics digital publishing and remixing and what it means not to say one is an author these vibrant essays urge us to view central aspects of writing and publishing in a new light Whose Book is it Anyway is a timely and varied collection of essays It asks us to reconceive our understanding of publishing copyright and open access and it is essential reading for anyone invested in the future of publishing *Facing the Mob* Benjamin Browning,2022-02-25 Whether you are reading the story of Pilate's encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In *Facing the Mob* Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively **Invitation to Anthropology** Luke E. Lassiter,2014 In this concise introduction to cultural anthropology now in its 4th edition Lassiter takes a fresh and accessible approach to stimulating student interest in the human experience He uses timely and engaging examples to showcase the ongoing relevance of anthropology today He also explores how the anthropological perspective can be applied to real world problems on the local regional and global scale The 4th edition features updates and clarifications throughout the text including expanded discussion of evolution language fieldwork gender identities and belief systems *New Anthropology Here and Now* sidebars encourage readers to delve deeper into particular subjects and to connect with current and ongoing conversations among working anthropologists Taken as a whole the book serves as an ideal text for introductory undergraduate courses *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svelin,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an

eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective Invitation to Anthropology, 3rd Ed Luke Eric Lassiter, 2009

Law as Culture Lawrence Rosen, 2017-03-17 Law is integral to culture and culture to law Often considered a distinctive domain with strange rules and stranger language law is actually part of a culture's way of expressing its sense of the order of things In *Law as Culture* Lawrence Rosen invites readers to consider how the facts that are adduced in a legal forum connect to the ways in which facts are constructed in other areas of everyday life how the processes of legal decision making partake of the logic by which the culture as a whole is put together and how courts mediators or social pressures fashion a sense of the world as consistent with common sense and social identity While the book explores issues comparatively in each instance it relates them to contemporary Western experience The development of the jury and Continental legal proceedings thus becomes a story of the development of Western ideas of the person and time African mediation techniques become tests for the style and success of similar efforts in America and Europe the assertion that one's culture should be considered as an excuse for a crime becomes a challenge to the relation of cultural norms and cultural diversity Throughout the book the reader is invited to approach law afresh as a realm that is integral to every culture and as a window into the nature of culture itself **Critical Multicultural Analysis of Children's Literature** Maria José Botelho, Masha Kabakow

Rudman, 2009-05-07 Children's literature is a contested terrain as is multicultural education Taken together they pose a formidable challenge to both classroom teachers and academics Rather than deny the inherent conflicts and tensions in the field in *Critical Multicultural Analysis of Children's Literature Mirrors Windows and Doors* Maria Jos Botelho and Masha Kabakow Rudman confront deconstruct and reconstruct these terrains by proposing a reframing of the field Surely all of us children teachers and academics can benefit from this more expansive understanding of what it means to read books Sonia Nieto From the Foreword Critical multicultural analysis provides a philosophical shift for teaching literature constructing curriculum and taking up issues of diversity and social justice It problematizes children's literature offers a way of reading power explores the complex web of sociopolitical relations and deconstructs taken for granted assumptions about language meaning reading and literature it is literary study as sociopolitical change Bringing a critical lens to the study of multiculturalism in children's literature this book prepares teachers teacher educators and researchers of children's literature to analyze the ideological dimensions of reading and studying literature Each chapter includes recommendations for classroom application classroom research and further reading Helpful end of book appendixes include a list of children's

book awards lists of publishers diagrams of the power continuum and the theoretical framework of critical multicultural analysis and lists of selected children s literature journals and online resources **Women in 'New Nepal'** Seika Sato,2023-03-23 This book brings rarely voiced lives and experiences of women in Nepal to light and combines rich ethnography with discourse analysis Multifaceted and critical the volume situates its narrative in the profoundly transformative period after the turn of the century when New Nepal was rising on the horizon and sheds light on Nepali women s experiences in multiple sites crossing class and ethnic lines It is based on extensive fieldwork among women domestic workers construction workers street vendors women from the indigenous community of Hyolmo and others Mainly through an ethnographic approach the author explores Nepali women s experiences on the ground mostly situated in classed ethnic or other socio cultural peripheries in Nepali social landscape Through the unusually intimate narrative on these women from the global south who are still prone to be cast into a deeply colonial simplistic image of victimized women readers will get a nuanced perspective of the multidimensional diversity among these women as well as a sense of kinship with oneself The book will be invaluable for researchers and students of gender studies global south studies development studies cultural anthropology ethnography Nepal studies and feminist geography It will be of interest to anthropologists sociologists geographers policymakers and those with an interest in global gender issues **Roots and Wings of Action**

Research for Territorial Development Miren Larrea,2024-11-25 No es solo el contenido acad mico lo que hace especial a este libro Es la propia concepci n de la investigaci n y su comunicaci n lo que le convierte en una obra que va mucho m s all de su especialidad la investigaci n acci n para el desarrollo territorial Esta obra colectiva coordinada por la investigadora Miren Larrea hace una apuesta decidida por modificar los patrones cl sicos de la comunicaci n cient fica en absoluta consonancia con la naturaleza de la investigaci n que proponen sus autores El libro incorpora distintos tipos de textos para recoger un di logo entre investigadores y agentes implicados y favorecer as una escucha mutua Pero adem s recurre al multiling ismo para que los autores comuniquen mejor lo que quieren comunicar y a quienes deben comunic rselo Ambas opciones diversidad de textos y multiling ismo conectan mundos que deben estar ligados investigadores y actores en lo territorial lo local y lo internacional el idioma con la investigaci n apegada al territorio y lo te rico con lo aplicado De este modo los autores velan porque la investigaci n permee y llegue a su destino natural pero tambi n porque crezca gracias al intercambio de conocimientos y experiencias que propician A trav s de las formas de comunicaci n elegidas se pone de manifiesto la necesidad de que la investigaci n social suceda no solo en el mbito de lo acad mico y no solo en ingl s Por eso tiene un valor singular incluso para los no especialistas en este tema que hay que agradecer a su editora al conjunto de coautores y a la editorial Elea Gim nez Toledo Investigadora del CSIC **The Handbook of Intercultural Discourse and Communication** Christina Bratt Paulston,Scott F. Kiesling,Elizabeth S. Rangel,2014-09-15 The Handbook of Intercultural Discourse and Communication Intercultural discourse and communication is emerging as an important area of research in a

highly globalized and connected world where language and culture contact is frequent and cultural misunderstandings and misconceptions abound The handbook contains contributions from established scholars and up and coming researchers from a range of subfields to survey the theoretical perspectives and applied work in this burgeoning area of linguistics This timely volume features first a part that introduces the background detailing the scope and topics of the field followed by one that describes four different theoretical approaches and their basic research questions from Ethnography of Speaking and John Gumperz's Interactional Sociolinguistics to Critical Approaches and Postmodernism The third part Interactional Discourse Features describes and explains the features of talk that are frequently studied in cross cultural research such as turn taking and politeness The volume also includes a section on Interactional Discourse sites examining cross cultural communication such as Greek Turkish discourse The final part considers a variety of domains in which interaction takes place such as Translation Business Law Medicine Education and Religion

The Cambridge Handbook of Social Problems: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

Re-crafting Rationalization Simon Locke, 2016-03-23 Re-crafting Rationalization contributes to debates relating to the public understanding of science regarding the conceptualization of the relationship between science and the public It challenges the prevailing science centred or top down framework that currently informs notions of public engagement and knowledge transfer offering an alternative that remains firmly grounded in the discourse of classical social theory By proposing an alternative version of rationalization to the standard interpretation of Weber's disenchantment thesis this book establishes the public understanding of science as a matter of fundamental sociological concern As such it redefines this field to emphasize public meanings of science engaging with a range of topics of major interest to the public and popular meaning of science including science and religion science fiction and fantasy fringe science and media representations of science Combining rhetorical analysis with ethnomethodology and membership categorization analysis the book outlines the basis of a new approach to the sociology of knowledge in the light of which Weber's rationalization thesis is radically re-crafted in relation to studies of scientists discourse the rhetoric of science popularization and public usages of science This re-crafted rationalization is applied in a series of detailed empirical studies of enchanted science creationism and intelligent design Scientology and reflexive spirituality superhero comics and mundane mysteries Fortean discourse

conspiracy theory and media representations of the scientist in the case of Jack the Ripper Re crafting Rationalization therefore redresses a significant shortcoming in contemporary social theory which currently overlooks or misrepresents important public meanings of science whilst excluding popular culture from attention With profound implications for the ways in which we make sense of developments involving science this book will be of interest not only to sociologists and social theorists but also to those interested in popular culture and subcultures and the history philosophy and sociology of science
