Invitation to Solitude and Silence Ruth Barton,2004-06

Invitation to Solitude and Silence Ruth Haley Barton, 2009-08-20 Much of our faith and practice is about words preaching teaching talking with others Yet all of these words are not enough to take us into the real presence of God This book is an invitation to meet God deeply and fully through solitude and silence This expanded edition includes a guide for groups to use for both discussion and practice **Practices for Working in the Presence of God** Shannon Vandewarker, Denise Daniels, 2022-04-19 Practices for Working in the Presence of Godis a companion book that provides deeper discussion of how to engage in the eleven spiritual practices outlined in Working in the Presence of God Spiritual Practices for Everyday Work This guide is a hybrid between a workbook and a journal and includes a compilation of resources for people to incorporate into their spiritual practices at work Each chapter aligns with the eleven original chapters in the first book and includes the following artwork that introduces and provides space to reflect on the practice of that chapter a brief overview of the practice an adaptation of the practice for remote working environments an application of the practice where applicable for those in leadership or management positions a brief guided practice section Scripture passages for reflection guided prayers and other helpful resources From Ordinary Woman to Spiritual Leader Kay Daigle, 2012-09-10 Although you may see yourself as merely one among millions of Christian women God has great plans for you to leave an eternal impression on others He has created and called you to spiritually influence those around youyour children friends family co workers and neighbors This practical guide will help you grow in the six fundamentals of spiritual leadership and encourage you on your own journey from ordinary woman to spiritual leader I not only recommend this book I know I will be using it as I minister to women Dr Beverly Hislop author of Shepherding a Womans Heart and Shepherding Women in Pain Kays own experience and the stories of women that are included illustrate how powerful these truths are and how crucial they are for women who truly desire to serve God in an extraordinary way Susie Hawkins author of From One Ministry Wife to Another Rhythms of Grace Kerri Weems, 2014-10-07 Life is not a sprint it s a marathon These well known words of wisdom remind us to pace ourselves in the journey of life so we reach the finish line with no regrets Pacing yourself is not as easy as it sounds Life tends to take on a pace of its own which when left unchecked will drive us toward burnout and fatigue We can easily become driven by care worry and ambition rather than led by the Holy Spirit We may tend to think of burnout as a modern problem but we can see that people in Jesus day felt their own kind of spiritual and emotional fatigue Why else would Jesus have said these comforting words Are you tired Worn out Burned out on religion Come to me Get away with me and you ll recover your life I ll show you how to take a real rest Walk with me and work with me watch how I do it

Learn the unforced rhythms of grace I won t lay anything heavy or ill fitting on you Keep company with me and you ll learn to live freely and lightly Matt 11 28 30 The Message Even though he spoke these words more than two millennia ago Jesus call to rest and peace seem tailor made to fit this generation Author Kerri Weems had let the pace and rhythm of her life get out of control At first the consequences were only physical but they quickly impacted her spiritual life Since then God has been teaching her to walk in time with him he is teaching her to be led rather than driven In this book she opens up her life and shares this journey with the reader God s best for each of us is that we go the full distance of our race and not just crawl exhausted across the finish line God wants us to enjoy the race and cross the line with our heads held high a smile on our faces and our arms lifted in a double fist punch Getting to that moment is all about learning the rhythms of grace and pacing ourselves for the long run **Proverbs** Sue Edwards, 2013-01-16 In eight weeks this interactive Bible study for women will show what the proverbs say about daily life how they apply to modern times and how they reveal the wisdom of God Part of the discovery series this updated edition has been reorganized to facilitate either individual or group use and supplemented with inspirational sidebars and short 3 5 minute teaching videos Scan the video QR code with a smart phone or visit the series Web site to watch Sue provide historical and cultural background teach important truths found in each week's lesson or ask thoughtful questions to encourage deeper discussion The Soul at Rest Tricia McCary Rhodes, 2018-11-06 Many Christians today struggle with having a consistent or life giving guiet time. They are looking for a form of prayer that doesn t make them feel like they re begging God or being judged by him The Soul at Rest is a quiet time companion that introduces inward disciplines from throughout Christian history to those who hunger for greater intimacy with God The Soul at Rest is a 40 day guided experience of prayer that puts readers in the presence of God and allows them to enter and enjoy his rest It quides readers into a rhythm of quiet contemplative prayer easing them into God's presence and demonstrating how prayer is not so much a duty as it is a gift By the time someone finishes The Soul at Rest they ll not only understand prayer better Shaping the Journey Daniel Ethan Harris, 2025-08-21 How do the they ll be engaging in it as a regular rhythm of life theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement Shaping the Journey brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation

closer in your relationship to God your Savior and Creator you will find entrees that are biblically grounded to study and that are savory and healthy for your spiritual body **Dismissing Jesus** Douglas M. Jones, 2013-05-07 What is the way of the cross Why does it create resistance How do we answer objections to it The revival of interest in Christ's kingdom and radical discipleship has produced a wave of discussions but sometimes those discussions are scattered This book aims to pull together in one place the core claims of the way of the cross It aims to examine the deeply cherished assumptions that hinder us from hearing Jesus s call When we do that well see that the gospel of Christ is not primarily about getting into heaven or about living a comfortable individually pious middle class life It is about being free from the ancient pervasive and delightful oppression of Mammon in order to create a very different community the church an alternative city kingdom here and now on earth by means of living and celebrating the way of the cross the reign of joyful weakness renunciation self denial sharing foolishness community and love overcoming evil **Go and Do** Don Everts, 2012-05-15 In this manifesto for missional Christians Don Everts brings together personal evangelism urban witness and global crosscultural mission to show how a life of total mission is possible In every situation to see what Jesus is doing and to go and do likewise **Overflowing Fullness** Kierra Blaser, 2011-10-10 I came that they may have and enjoy life and have it in abundance to the full till it overflows Jesus Do you long to live full and overflowing instead of tired and empty Do you desire to know and trust God at a deeper level Do you long to live joyful and free A life of overflowing fullness is available to you Its actually your destiny Listen to your Heavenly Father as He shares the depths of His overflowing love and heart for you Come sit at His feet and Discover the abundant goodness of His heart for you Enjoy His delight over you Allow Him to fill you with His contagious joy Experience the freedom to be rather than do Watch His fullness overflow out of you to touch others **Being Truly Human** Mark Mah,2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life s struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today. The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves Beginnings Marcus Verbrugge, 2015-10-13 We all start from the beginning What if we thought about prayer that way Genesis may not be the first book that comes to mind when you think of prayer but nuggets of wisdom buried in this unlikely book can help to give you a fresh perspective on how to pray effectively

Marcus Verbrugge shares his insights in Beginnings one man's personal journey of discovering how to pray from the beginning Use it for small group discussion as a devotional or just read it as a single volume This book will inspire educate and challenge you toward a richer deeper and more intimate prayer life as you dive into Genesis and find yourself growing ever closer to God Raising Disciples TERESA. ROBERTS, 2024-10-08 Every child from infancy to adolescence is being discipled by someone or something The question is Are you willing to disciple them for Jesus sake Accessible and actionable for parents of children birth to 13 years old Raising Disciples offers a detailed discipleship map and directional markers to nurture your child's spiritual growth with Christ During her more than 25 years in children's ministry alongside her academic work training up children's ministry leaders Dr Teresa Roberts noticed that parents and even children's ministry leaders seemed to struggle with knowing how to disciple children past the more intuitive preschool ages A foundational family and ministry resource Raising Disciples reflects the developmental needs that will empower children to grow in their knowledge of God's Word develop a vocabulary of faith engage in spiritual practices and cultivate a deep personal relationship with God Featuring intuitive quick reference visual aids researched expertise real life examples from the ministry of Jesus and relational warmth Raising Disciples is a must have resource to give you a discipleship pathway for raising spiritually grounded children in today s complex world Includes additional tools Discipleship map from birth to adolescence Discipleship reference by age level Resource list for continued discipleship and training in biblical interpretation Discussion questions for children's ministry leaders and volunteers Learn how to equip your child with tools to navigate life's challenges and make their Christian faith a personal and lasting commitment Wayward Christian Soldiers Charles Marsh, 2008-10-27 In Wayward Christian Soldiers leading evangelical theologian Charles Marsh offers a powerful indictment of the political activism of evangelical Christian leaders and churches in the United States With emphasis on repentance and renewal this important work advises Christians how to understand past mistakes and to avoid making them in the future Over the past several years Marsh observes American evangelicals have achieved more political power than at any time in their history But access and influence have come at a cost to their witness in the world and the integrity of their message The author offers a sobering contrast between the contemporary evangelical elite which forms the core of the Republican Party and the historic Christian tradition of respect for the mystery of God and appreciation for human fallibility The author shows that the most prominent voices in American evangelicalism have arrogantly redefined Christianity on the basis of partisan politics rather than scripture and tradition The role of politics in distorting the Christian message can be seen most dramatically in the invasion of Iraq he argues Some 87% of American evangelicals supported going to war while every single evangelical church outside the United States opposed it The Jesus who storms into Baghdad behind the wheel of a Humvee Marsh points out is not the Jesus of the Gospel Indeed not since the nazification of the German church under Hitler has the political misuse of Christianity led to such catastrophic global consequences Is there an alternative This book proposes that the renewal of

American churches requires a season of concentrated attention to faith s essential affirmations a time of hospitality peacemaking and contemplative prayer Offering an authentic Christian alternative to the narcissistic piety of popular evangelicalism Wayward Christian Soldiers represents a unique entry into the increasingly pivotal debate over the role of faith in American politics With Wayward Christian Soldiers Charles Marsh again shows that he is one of the most astute observers of evangelicalism today Jim Wallis author of God s Politics **Ecclesiastes** Sue Edwards,2018-01-23 Amid confusion and turmoil unearth the hope in Scripture Ecclesiastes can be a difficult book Women struggle with the writer s laments on the meaninglessness of life the pointlessness of work and the lack of connection from generation to generation They may think there are too many other books offering spiritual encouragement to waste time on this skeptical book of Scripture But is that the whole picture Sue Edwards says there s more here than meets the eye In fact if studied properly Ecclesiastes can lead women to an optimistic outlook on life It can help women abandon bad habits hang ups and foolish perspectives that keep them in bondage to everything that threatens to destroy the ultimate joy Jesus wants for them All they need are the proper interpretive tools for this valuable book Edwards walks women through Ecclesiastes revealing nuggets of wisdom about life and God as well as dire warnings on what to avoid Any woman who wants to know God and live according to His design from new believers to veterans of the faith will discover anew one of the richest sources of wisdom ever written
