

A smooth, reddish-brown stone rests on a sandy surface. The sand is marked with deep, wavy, and somewhat chaotic patterns, possibly from wind or water. The stone is positioned in the upper-middle part of the frame, casting a dark shadow to its right. The overall scene is a close-up, high-contrast photograph of a natural object in a coastal or beach environment.

Iona Kenneth Steven, 2014-04-25 In this exciting and beautiful spiritual evocation of Iona we find inspiring photography brand new poems tales recounting legends local stories and Celtic passages from Adamnan but there is much more to this wonderful book than a simple description of its elements can capture It is a work of poetic spiritual beauty Evoking the intricacies of the island's spiritual web the book finds half explored coves and caves explores the names of certain seldom visited glens and headlands and tells people who thought they knew everything about Iona things of which they had no knowledge *Colum's Other Island* Gareth W. Dunleavy, 1960

On this Holy Island Oliver Smith, 2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century *On This Holy Island* is an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even marrons himself at sea Following holy roads to churches cathedrals and standing stones this evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul
