**A Touch of Honor** J.P. Grider, 2013-03-19 Honor hurts all the time The doctors say she's fine it's all in her head But Honor feels pain What she doesn't know is it's not her pain it's everyone else's Seventeen year old Honor Stevens is not an ordinary teenager Sure she looks like one on the outside but on the inside there's a whole world of pain going on Honor is an empath That means she can feel other people's pain like that of the girl who is about to be raped in the woods or the girl who is dying of cancer or her mom who is suffering a heart attack What she doesn't know is what Ethan Sutherland comes to town to tell her she can save these people But at what cost For every life Honor saves she knocks years off her own When Ethan comes looking for her he isn't counting on falling in love Now that he has he wishes he hadn't told her about her abilities Though he tries his best to talk her out of saving every soul Ethan loses the battle Honor's too nice for her own good Then there's the matter of Ethan's estranged morally corrupt half brother Storm he loves Honor too And

because Honor is intrinsically empathic she's aware of Storm's softer side and begins falling for him as well. When the two brothers are forced to work together against a group of evil empaths who are after Honor they need to put their differences aside and focus on saving the one girl they both love. A Touch of Honor is a paranormal love story of a different kind. In a world gone mad with vampires and werewolves A Touch of Honor tugs at the heartstrings with a girl out to heal the world one person at a time.
